Discussion held by Trustees and Ms. Skoczyas from Kaiser regarding the hiring of new and additional staff.

3. ACA Insurer Fee

Mr. Morrison explained the procedures/regulations regarding the Affordable Care Act (ACA) reinsurance fee. If there is a change or increase six months later, there is no way to go back to the employer or employee/retiree that they underpaid. The EUTF would be asking the Board’s authority/approval that if there is an increase to pay it out of the Trust Fund’s assets and if there is a refund it would be returned to the Trust Fund’s assets since the Trust will always be six months behind the close of the contract year. Otherwise, the Trust Fund would have to rebill. Ms. Yahiro stated this is just to let the Board know at this time. Discussion held by Trustees, staff, and benefits consultant that when the unfunded liability is computed, the surplus is not accounted for, which was one of the dilemmas that required the state legislation and the creation of a dedicated trust.
