V. OLD BUSINESS
A. Administrative Fee for Retirees for 1/1/16 to 12/31/16 and Actives 7/1/16 to 6/30/17
Mr. Derek Mizuno reported that if there is no motion to waive or charge an Administrative Fee, the EUTF has been notified that the Administrator has the discretion to either charge a fee or to use reserves. Ms. Sandra Yahiro stated one of the driving forces to get a decision today is the open enrollment for retirees in October and the final print for retiree reference guides are due today. If there is no decision today, the rates will be posted in the retiree reference guides without the Administrative Fee and a footnote will be added to say that the administrative fees are not in the premiums. It should not be significant because only a small amount of retirees pay a portion of their premium. Discussion held by Trustees and staff regarding alternative uses for the excess reserves, if the Board does not approve the waiver of the Administrative Fees those affected would be about 5% of retirees pay a portion of the premiums and looking at the dollar amount 99% are paid by the employers.

Recessed at 11:33 a.m. and reconvened at 11:43 a.m.
MOTION was made for the Board to not charge the EUTF administrative fee for the active employee plan year for the period 7/1/16 to 6/30/17. (Uwaine/Zeghmi)

Discussion was held by the Trustees, staff, and benefits consultant that the dollar amount to fund the administrative fee for active employees for one year would be approximately $4 million and if the Board waives the fee, it would come from the excess reserves. A Trustee expressed concern related to using excess reserves for this purpose when the unfunded liability is approximately $11 billion. Discussion was held by Trustees, staff, and benefits consultant regarding pros/cons for the EUTF and employer if waiver approved to use excess reserves, by statute (HRS Chapter 87A-31.5) reserves cannot to be returned to employer. Further discussion was held by the Trustees, staff, and benefits consultant regarding concerns how it would be possible for the Administrator to make decisions when the Board took no position and if the motion needs to be amended. Mr. Kyle Chang explained the options for a motion to waive or charge an administrative fee. Discussion held by Trustees, staff, and benefits consultant how the administrative fee is used through the EUTF budget.

Motion Restated
MOTION was made for the Board to not charge the EUTF administrative fee for the active employee plan year for the period 7/1/16 to 6/30/17. (Uwaine/Zeghmi) The motion failed. (Employer Trustees-4 NO-Becker, Hidano, Nishimoto, Pressler/Employee-Beneficiary Trustees-4 YES-Nip, Pasco, Uwaine, Zeghmi)

For the Board’s information, via conference call, Mr. Joe Newton of Gabriel, Roeder, Smith & Company (GRS) reported that the formal estimate is $34 million, approximately half of one percent. The Administrator stated that going forward, when increasing benefits, the EUTF staff will first request the Board to approve to pay GRS for a formal estimate that would be more accurate before decision making.
