III. NEW BUSINESS

A. EUTF Insurances – Cyber Liability and Fiduciary

Trustee Pressler entered the meeting at 9:16 a.m.

Mr. Chad Karasaki, Aon, reported that the State is planning to purchase cyber liability insurance which would cover the EUTF. Mr. Mizuno reported that he spoke with the State’s Risk Manager, Tracy Kitaoka, noting that the EUTF will be covered with no allocation of premiums and that the State plans to bind coverage by mid-November prior to the Board meeting on November 28, 2017. The Board does not have to make a decision on the cyber liability at this time. Mr. Mizuno instructed Mr. Karasaki to inquire with the incumbent carrier, Beazley, if they would be willing to increase their sublimits to match the XL Catlin proposal. Trustee Nishimoto also instructed Aon and EUTF staff to ensure they have a back up plan should the State be delayed in binding coverage. Mr. Karasaki presented their report on the fiduciary liability insurance in which nine carriers were requested to submit quotes, three quotes were received and Aon’s recommendation is to bind coverage with the current carrier, RLI. Mr. Karasaki cited the benefits of RLI versus the low bidder, Chubb – ability for EUTF to select defense counsel, offering settlor coverage, higher HIPAA sublimit and the relationship developed with RLI as the incumbent carrier – outweighing the slightly higher annual premiums of approximately $5,000. Trustee Johnston inquired about the financial strength of RLI and Chubb and the lines of business, specifically property and casualty. Mr. Karasaki responded that both had strong financial positions and that Chubb issues property and casualty coverage while RLI does not.

MOTION was made and seconded to place the fiduciary liability insurance with RLI, as recommended by Aon effective December 16, 2017. (Johnston/Nishimoto) The motion passed unanimously. (Employer Trustees-5/Employee-Beneficiary Trustees-3)
