NO. 18-001
DENTAL BENEFITS

The following revisions are made to RFP No. 18-001 for Dental Benefits:

Section	Revision
Page 22, Section II, Proposal Instructions	Add No. 16. Claims Repricing As a condition of the final award of contract and determination of net cost to the EUTF, all OFFERORS must agree to provide re-priced claims information as provided by Segal to the PRIORITY-LISTED OFFERORS in the format and including the information requested in the claim re-pricing worksheet if this is requested.
Page 23, Section III, Proposal Evaluation, No. 3, Evaluation Criteria and Points, Description of Evaluation Criteria	Fees/Rates/Network Discounts is revised to read as follows: For the fully-insured options, the cost will be calculated as the rates times the annual estimated enrollment for plan of benefits for which a proposal sheet is submitted using the enrollment that is contained in this RFP. For the self-insured options, the cost will be calculated as the combination of the monthly administrative fees, times the annual enrollment for each plan taking into consideration the value of the network discounts which is determined from the repricing of the claims that are submitted to the OFFERORS. The evaluation will exclude all ACA fees and tax.
