I. Employee Data

Complete all information about yourself and your spouse/partner.

II. Coverage Start Date

This section only needs to be completed if filing for adoption/placement for adoption, birth, marriage, domestic partner, guardianship, newly eligible student, reinstatement of employment, or return from authorized leave of absence (if not currently enrolled). Select one of the three choices for when your coverage and premium contributions will begin. If no selection is made, the first option will be the default option used.

III. Plan Selection

Mark all plans you wish to be enrolled in. You can choose one medical/prescription drug plan, one dental plan, and one vision plan. The prescription drug plan is bundled with the medical plan and will depend on the medical plan you select. If you do not want any plan coverage, mark the "Cancel/Waive" box. If no selection is made and you currently have coverage, EUTF will assume no changes are being made. The Premium Conversion Plan (PCP) is a voluntary benefit plan, administered by the Department of Human Resources Development (DHRD) that allows employees to purchase their health benefit plans on a pretax basis and is offered pursuant to Section 125 of the Internal Revenue Code. For more information, go to the DHRD website at dhrd.hawaii.gov. Please inquire with your DPO or DHRD on completing a PCP-2 form. Mark Enroll or Cancel/Waive on the EC-1 form.

State and County Contributions: No person may be enrolled in any EUTF benefit plan as both a retiree/active employee and dependent, nor may children be enrolled on more than one retiree/active employee plan (dual enrollment). In addition, if you and your spouse/partner are both retirees/active employees, the employer's contribution cannot exceed a family plan contribution in accordance with Chapter 87A-33-36, Hawaii Revised Statutes. You and your spouse/partner are able to select EUTF self-only plans but by selecting Self-only and 2-Party plans or Self-only and Family plans, you will exceed the employer's monthly contribution for a family plan.

Complete dependent information and indicate plan selection if adding, removing or continuing coverage for dependents. If you are adding/removing more than five dependents and additional rows are needed, please attach another sheet to your enrollment form.
