j. Proposed Legislation

Overview by Mr. Williams regarding the 2007 House bills carried over (see update on House Bills Carried Over from 2007 Session dated 1/25/08). The administrator recommends that the Board oppose HB 29 until the Auditor completes the study requested in Concurrent Resolution SCR 178 approved by Legislature in 2007. Discussion held by Trustees and staff regarding HB 29 – makes VEBA Trust law permanent. HB 2012 – Mutual Benefit Societies; reimbursement of physicians; HB 2827 - EUTF funds, not to divert to general funds; and HB 3287 – EUTF, allows retirees to return without a break in service and requires employers to pay entire base monthly contribution to the EUTF.

MOTION was made for the Board to reaffirm the positions taken by the Board last year for the 2007 House bills carried over except for HB 29 and also for the Board to oppose HB 29 until the Auditor's study is completed. (Kahooohanohano/Ho) After discussion by the Trustees, the motion passed unanimously. (Employer Trustees-5/Employee-beneficiary Trustees-4)

Mr. Williams explained past procedures for submitting testimony to the legislature. Discussion held by Trustees and staff regarding years of service and cost impact for HB 3287. For EUTF, the bill would allow retirees to return regardless of a break in service and requires employers to pay entire base monthly contribution to the EUTF.
