III. COMMITTEE REPORTS
A. ADMINISTRATIVE COMMITTEE

1. EUTF/PEHF Transition
   Overview by Trustee Matayoshi regarding the presentation by Mr. Bert Nishihara and Ms. Wanda Kimura regarding the PEHF’s analysis of amounts to be returned to the public employers (see written report). The Administrative
Committee members have expressed concerns about the employees’ portion not being returned to the employees and the amounts that should be returned to the employees. Discussion held by Trustees regarding the amounts that should be returned to the employers/employees. Mr. Aburano summarized his legal analysis regarding the PEHF’s return of rate credits and reimbursements to the public employees. Mr. Aburano stated that the PEHF does have the legal authority and is required to return excess rate credits and reimbursements to the public employers under Section 87-3, Hawaii Revised Statutes. However, Section 87-3 may not necessarily require the PEHF to return the employee-beneficiaries’ share of such rate credits and reimbursements. Act 88 does not expressly repeal Section 87-3 prior to July 1, 2003; it does say that among the assets to be transferred from the PEHF to the EUTF are “funds to be refunded to employees”. Mr. Aburano reviewed the collective bargaining agreements and the sections of those agreements that deal with employer contributions to the PEHF all say that they are “subject to the provisions of Chapter 87”, and part of Chapter 87 includes the requirement to return the employers’ share of excess rate credits and reimbursements to the public employers. Further discussion held by Trustees and staff regarding amounts that should or should not be returned to the employers/employees and the amounts listed in the analysis report. Mr. Bert Nishihara explained the tasks involved in the close out of the PEHF for the Memorandum of Understanding (MOU) between EUTF, PEHF, and Budget & Finance (B&F).

MOTION was made for the Board to authorize the EUTF staff to request that the PEHF return the employees’ portion of surplus. (Miyake/Radcliffe) After discussion by the Trustees, the motion passed. Employer Trustees-3 yes-Awana, Matayoshi, Miyahira, 1 no-Hidano/Employee-Beneficiary Trustees-4 yes-Lewis, Machida, Miyake, Radcliffe)

Overview by Trustee Matayoshi regarding the MOU between the EUTF, PEHF, and B&F. Mr. Aburano stated that since there was a concern by the Board about liability as far as the assignment provision goes, he will add a proviso at the end of the assignment that the assignment shall not operate to make the EUTF liable for any breach of contract or any acts or omissions of the PEHF that have or may have occurred prior to July 1, 2003.

MOTION was made upon the recommendation of the Administrative Committee that the Board approve the MOU between the EUTF, PEHF, and B&F with the added proviso. (Miyake/Radcliffe) After discussion by the Trustees, the motion passed unanimously. Employer Trustees-4/Employee-Beneficiary Trustees-4)
