Case Notes

This chapter's use of general trust language does not impose upon the trustees all of the common law fiduciary duties; although this chapter does not use "discretion" in requiring the board to decide upon the structure of the health benefits plan, the legislature clearly intended that the board have broad discretion in its design; where trustees expressed concern regarding the impact a change to a three- or four-tier structure would have on the collective bargaining process, and also determined that the two-tiered structure would have a negative impact on the smallest percentage of plan participants, trustees did not abuse their discretion. 115 H. 126, 165 P.3d 1027.

The words "similarly situated beneficiary not eligible for medicare", as those words are used in §87A-23(1), or "similarly situated employee-beneficiary not eligible for medicare", as those words are used in §87A-23(3), invoke a comparison between medicare eligible retirees and retirees who do not qualify for medicare; thus, this chapter does not require the board of the employer-union health benefits trust fund to provide health benefits plans to retirees whose benefits "reasonably approximate" those benefits provided to active employees. 122 H. 402, 228 P.3d 282.

PART II. BOARD OF TRUSTEES

§87A-5 Composition of board. [See explanatory note below.] The board of trustees of the employer-union health benefits trust fund shall consist of ten trustees appointed by the governor in accordance with the following procedure:

- (1) Five trustees, one of whom shall represent retirees, to represent employee-beneficiaries and to be selected as follows:
 - (A) Three trustees shall be appointed from a list of two nominees per trustee selected by each of the three exclusive representative organizations that have the largest number of employee-beneficiaries;
 - (B) One trustee shall be appointed from a list of two nominees selected by mutual agreement of the remaining exclusive employee representative organizations; and
 - (C) One trustee representing retirees shall be appointed from a list of two nominees selected by mutual agreement of all eligible exclusive representatives; and

(2) Five trustees to represent public employers.

Section 26-34 shall not apply to board member selection and terms. Notwithstanding any other provision of this section, no exclusive representative of a bargaining unit that sponsors or participates in a voluntary employee beneficiary association shall be eligible to select nominees or to be represented by a trustee on the board.

As used in this section, the term "exclusive representative" shall have the same meaning as in section 89-2. [L 2001, c 88, pt of §1; am L 2005, c 250, §1]

Explanatory Note

L 2005, c 250 amendment. The legislature concluded that the governor's proclamation indicating the governor's intent to return H.B. No. 1548 was constitutionally defective and that said measure became law. On July 13, 2005, the legislature assigned Act 250 to H.B. No. 1548. The attorney general has taken the position that H.B. No. 1548 did not become law.

§87A-6 Term of a trustee; vacancy. *[See explanatory note below.]* The term of office of each trustee shall be four years; provided that a trustee may be reappointed for one additional consecutive four-year term.

A vacancy on the board shall be filled in the same manner as the trustee who vacated that position was nominated or appointed; provided that the criteria used for nominating or appointing the successor shall be the same criteria used for nominating or appointing the person's predecessor; provided further that vacancies on the board for each trustee position representing retirees and employee-beneficiaries appointed under section 87A-5(1)(A) and (B) shall be filled by appointment of the governor as follows:

(1) If a vacancy occurs in one of the trustee positions described in section 87A-5(1)(A), then the vacancy shall be appointed from a list of two nominees submitted by the exclusive employee representative from among the three largest exclusive

employee representatives that does not have a trustee among the three trustee positions;

(2) If a vacancy occurs in a trustee position described in section 87A-5(1)(B), then the vacancy shall be appointed from a list of two nominees submitted by mutual agreement of the exclusive employee representatives described in section 87A-5(1)(B); and

(3) If a vacancy occurs in the retiree position described in section 87A-5(1)(C), then the vacancy shall be appointed from a list of two nominees submitted by mutual agreement of all eligible exclusive employee representatives.

If by the end of a trustee's term the trustee is not reappointed or the trustee's successor is not appointed, the trustee shall serve until the trustee's successor is appointed. [L 2001, c 88, pt of §1; am L 2005, c 250, §2]

Explanatory Note

L 2005, c 250 amendment. The legislature concluded that the governor's proclamation indicating the governor's intent to return H.B. No. 1548 was constitutionally defective and that said measure became law. On July 13, 2005, the legislature assigned Act 250 to H.B. No. 1548. The attorney general has taken the position that H.B. No. 1548 did not become law.

[\$87A-7] Chair, vice-chair, and secretary-treasurer. The trustees shall elect from among the members a chair, a vice-chair, and a secretary-treasurer. [L 2001, c 88, pt of §1]

[\$87A-8] Compensation and expenses. Each trustee shall serve without compensation, but the trustees may be reimbursed from the fund for any reasonable expenses incurred in carrying out the purposes of the fund. [L 2001, c 88, pt of §1]

[\$87A-9] Legal adviser. The attorney general shall serve as legal adviser to the board and shall provide

legal representation for the Hawaii employer-union health benefits trust fund. [L 2001, c 88, pt of §1]

[\$87A-10] Meetings; notice. Meetings may be scheduled, and notice of meetings shall be provided as follows:

(1) The chairperson may call a meeting of the board at any time by giving at least six calendar days' written notice of the time and place of the meeting to all trustees; and

(2) A majority of the trustees may call a meeting of the board by giving at least ten calendar days' written notice of the time and place to all other trustees. [L 2001, c 88, pt of §1]

[\$87A-11] Quorum; board actions; voting. (a) Six trustees, three of whom represent the public employer and three of whom represent employee-beneficiaries, shall constitute a quorum for the transaction of business.

(b) Trustees representing the public employers shall collectively have one vote. Trustees representing the employee-beneficiaries shall collectively have one vote.

For any vote of the trustees representing the public employers to be valid, three of these trustees must concur to cast such a vote. In the absence of such concurrence, the trustees representing the public employers shall be deemed to have abstained from voting.

For any vote of the trustees representing the employee-beneficiaries to be valid, three of these trustees must concur to cast such a vote. In the absence of such concurrence, the trustees representing the employee-beneficiaries shall be deemed to have abstained from voting.

An abstention shall not be counted as either a vote in favor or against a matter before the board.

(c) Any action taken by the board shall be by the concurrence of at least two votes. In the event of a tie vote on any motion, the motion shall fail. Upon the concurrence of six trustees, the board shall participate in dispute resolution. [L 2001, c 88, pt of §1]

[\$87A-12] Records and minutes. The board shall keep records and minutes of all meetings of the board. [L 2001, c 88, pt of §1]

PART III. BOARD POWERS AND DUTIES

[\$87A-15] Administration of the fund. The board shall administer and carry out the purpose of the fund. Health and other benefit plans shall be provided at a cost affordable to both the public employers and the public employees. [L 2001, c 88, pt of §1]

[\$87A-16] Health benefits plan; carriers. (a) The board shall establish the health benefits plan or plans, which shall be exempt from the minimum group requirements of chapter 431.

(b) The board may contract for health benefits plans or provide health benefits through a noninsured schedule of benefits. [L 2001, c 88, pt of §1]

[\$87A-16.3] Prescription drugs; mail order opt out option. A Hawaii employer-union health benefits trust fund health benefits plan shall permit each beneficiary to fill any covered prescription in accordance with chapter 431R. [L 2013, c 226, §3]

[\$87A-17] Group life insurance benefits or group life insurance program. The board may provide benefits under a group life insurance benefits program or group life insurance program to employees. [L 2001, c 88, pt of §1]

§87A-18 Long-term care benefits plan; carrier or third-party administrator. (a) The board may establish a long-term care benefits plan or plans for employee-beneficiaries; the spouses, parents, grandparents, in-law parents, and in-law grandparents of employee-beneficiaries; and qualified-beneficiaries. The plan or plans shall be at no cost to employers and shall comply with article 10H of chapter 431.

(b) Notwithstanding any other law to the contrary, long-term care benefits shall be available only to:

- (1) Employee-beneficiaries and their spouses, parents, and grandparents;
- (2) Employee-beneficiary in-law parents and grandparents; and
- (3) Qualified-beneficiaries who enroll between the ages of twenty and eighty-five,

who comply with the plan's age, enrollment, medical underwriting, and contribution requirements.

(c) The board may contract with a carrier to provide fully insured benefits or with a third-party administrator to administer self-insured benefits. [L 2001, c 88, pt of §1; am L 2004, c 216, §14]

[\$87A-19] Plans for part-time, temporary, and seasonal or casual employees. (a) The board may offer medical, hospital, or surgical benefits plans to part-time, temporary, and seasonal or casual employees at no cost to the employers. The board may determine eligibility for part-time, temporary, and seasonal or casual employees by rules exempt from chapter 91 as provided in section 87A-26.

(b) The board shall establish the medical, hospital, or surgical benefits plan or plans, which shall be exempt from the minimum group requirements of article 10A of chapter 431. The medical, hospital, or surgical benefits plan or plans shall provide, pay for, arrange for, or reimburse the cost of medical, hospital, or surgical services, and may include prescribed hospital in-patient and out-patient service and medical benefits.

(c) The board may contract for the medical, hospital, or surgical benefits plan or plans. Each part-time, temporary, and seasonal or casual employee enrolled for medical, hospital, or surgical benefits shall pay monthly contributions directly to the board's designated carriers. The monthly contributions may include the carrier's administrative costs. [L 2001, c 88, pt of §1]

§87A-20 REPEALED. L 2004, c 216, §45.

[§87A-21] Eligibility. (a) The board shall establish eligibility criteria to determine who can qualify as an employee-beneficiary, dependent-beneficiary, or qualified-beneficiary, consistent with the provisions of this chapter.

(b) A retired member of the employees' retirement system; a county pension system; or a police, firefighters, and bandsmen pension system of the State or county, shall be eligible to qualify as an employee-beneficiary:

(1) Regardless of whether the retired member was actively employed by the State or county at the time of the retired employee's retirement; and

(2) Without regard to the date of the retired member's retirement.

(c) A dependent of a retired member shall be eligible to qualify as an employee-beneficiary or dependent-beneficiary:

(1) Regardless of whether the retired member was actively employed by the State or county at the time of the retired employee's retirement; and

(2) Without regard to the date of the retired member's retirement. [L 2001, c 88, pt of §1]

Case Notes

A retired employee's health benefits that are included in a health benefits plan falls within the constitutional protection contemplated by article XVI, §2 of the Hawaii constitution inasmuch as subsection (b) clearly and unambiguously conditions a retired state or county government employee's eligibility for health benefits on, inter alia, being a retired member of the employees' retirement system. 122 H. 402, 228 P.3d 282.

[§87A-22] Benefits plan information and

enrollment. (a) The board shall make information summarizing approved benefits plans available to each employee-beneficiary. The information shall, to the extent reasonably possible, be distributed to each employee-beneficiary at the same time and in the same manner.

(b) The board shall establish conditions and procedures for benefits plan enrollment. [L 2001, c 88, pt of §1]

§87A-23 Health benefits plan supplemental to

medicare. The board shall establish a health benefits plan, which takes into account benefits available to an employee-beneficiary and spouse under medicare, subject to the following conditions:

(1) There shall be no duplication of benefits payable under medicare. The plan under this section, which shall be secondary to medicare, when combined with medicare and any other plan to which the health benefits plan is subordinate under the National Association of Insurance Commissioners' coordination of benefit rules, shall provide benefits that approximate those provided to a similarly situated beneficiary not eligible for medicare;

(2) The State, through the department of budget and finance, and the counties, through their respective departments of finance, shall pay to the fund a contribution equal to an amount not less than the medicare part B premium, for each of the following who are enrolled in the medicare part B medical insurance plan: (A) an employee-beneficiary who is a retired employee, (B) an employee-beneficiary's spouse while the employee-beneficiary is living, and (C) an employee-beneficiary's spouse, after the death of the employee-beneficiary, if the spouse qualifies as an employee-beneficiary. For purposes of this section, a "retired employee" means retired members of the employees' retirement system; county pension system; or a police, firefighters, or bandsmen pension system of the State or a county as set forth in chapter 88. If the amount reimbursed by the fund under this section is less than the actual cost of the medicare part B medical insurance plan due to an increase in the medicare part B medical insurance plan rate, the fund shall reimburse each employee-beneficiary and employee-beneficiary's spouse for the cost increase within thirty days of the rate change. Each employee-beneficiary and employee-beneficiary's spouse who becomes entitled to reimbursement from the fund for medicare part B premiums

after July 1, 2006, shall designate a financial institution account into which the fund shall be authorized to deposit reimbursements. This method of payment may be waived by the fund if another method is determined to be more appropriate;

(3) The benefits available under this plan, when combined with benefits available under medicare or any other coverage or plan to which this plan is subordinate under the National Association of Insurance Commissioners' coordination of benefit rules, shall approximate the benefits that would be provided to a similarly situated employee-beneficiary not eligible for medicare;

(4) All employee-beneficiaries or dependent-beneficiaries who are eligible to enroll in the medicare part B medical insurance plan shall enroll in that plan as a condition of receiving contributions and participating in benefits plans under this chapter. This paragraph shall apply to retired employees, their spouses, and the surviving spouses of deceased retirees and employees killed in the performance of duty; and

(5) The board shall determine which of the employee-beneficiaries and dependent-beneficiaries, who are not enrolled in the medicare part B medical insurance plan, may participate in the plans offered by the fund. [L 2001, c 88, pt of §1; am L 2003, c 111, §1; am L 2006, c 39, §1]

Case Notes

The words "similarly situated beneficiary not eligible for medicare", as those words are used in paragraph (1), or "similarly situated employee-beneficiary not eligible for medicare", as those words are used in paragraph (3), invoke a comparison between medicare eligible retirees and retirees who do not qualify for medicare; thus, this chapter does not require the board of the employer-union health benefits trust fund to provide health benefits plans to retirees whose benefits "reasonably approximate" those benefits provided to active employees. 122 H. 402, 228 P.3d 282.

§87A-24 Other powers. In addition to the power to administer the fund, the board may:

- (1) Collect, receive, deposit, and withdraw money on behalf of the fund;
- (2) Invest moneys in the same manner specified in section 88-119;
- (3) Hold, purchase, sell, assign, transfer, or dispose of any securities or other investments of the fund, as well as the proceeds of those investments and any money belonging to the fund;
- (4) Appoint, and at pleasure dismiss, an administrator and other fund staff. The administrator shall be exempt from chapter 76. Other fund staff may be exempt from chapter 76 as determined by the board. The administrator and staff who are exempt from chapter 76 shall serve under and at the pleasure of the board; provided that civil service exempt positions under this section that are created after July 1, 2014, shall be exempt from section 76-16(b)(17)(A);
- (5) Make payments of periodic charges and pay for reasonable expenses incurred in carrying out the purposes of the fund;
- (6) Contract for the performance of financial audits of the fund and claims audits of its insurance carriers;
- (7) Retain auditors, actuaries, investment firms and managers, benefit plan consultants, or other professional advisors to carry out the purposes of this chapter, including the retaining of an actuary to determine the annual required public employer contribution for the separate trust fund established under section 87A-42;
- (8) Establish health benefits plan and long-term care benefits plan rates that include administrative and other expenses necessary to effectuate the purposes of the fund; and
- (9) Require any department, agency, or employee of the State or counties to furnish information to the board to carry out the purposes of this chapter. [L 2001, c 88, pt of §1; am L 2004, c 216, §15; am L 2013, c 268, §7; am L 2016, c 30, §2; am L 2017, c 145, §2]

Note

Changes to personnel and operations as a result of authorization to employ staff through the civil service

system; reports to 2018-2019 legislature. L 2017, c 145, §4.

[§87A-25] Other duties. The board shall:

(1) Authorize charges and payments from the fund only upon vouchers countersigned by the chairperson and any other person designated by the board;

(2) Maintain accurate records and accounts of all financial transactions of the fund that shall be audited annually and summarized in an annual report to the governor and legislature;

(3) Maintain suitable and adequate records and provide information requested by State and county employers as necessary to carry out the purpose of the fund;

(4) Procure fiduciary liability insurance and error and omissions coverage for all trustees; and

(5) Procure a fidelity bond of a reasonable amount for the chairperson and any other person authorized to handle fund moneys. [L 2001, c 88, pt of §1]

[§87A-26] Rules; policies, standards, and procedures. (a) The board may adopt rules for the purposes of this chapter. Rules shall be adopted without regard to chapter 91. Rulemaking procedures shall be adopted by the board and shall minimally provide for:

(1) Consultation with employers and affected employee organizations with regard to proposed rules;

(2) Adoption of rules at open meetings that permit the attendance of any interested persons;

(3) Approval of rules by the governor; and

(4) Filing of rules with the lieutenant governor.

(b) The board may also issue policies, standards, and procedures consistent with its rules.

(c) The board may adopt rules, without regard to chapter 91, governing dispute resolution procedures in

the event of impasse in decision-making; provided that the rules shall be adopted with the concurrence of six trustees. [L 2001, c 88, pt of §1]

[\$87A-27] Actuarial investigation;

valuations. Beginning on July 1, 2017, the actuary retained by the board pursuant to section 87A-42 shall make an annual valuation of the assets and liabilities of the fund based on tables and other factors adopted by the board annually. The annual valuation shall include an update of assumptions specific to the fund that are not updated pursuant to section 88-105, as deemed necessary by the actuary, at least once in each three-year period. [L 2017, c 93, §2]

PART IV. TRUST FUND

§87A-30 Hawaii employer-union health benefits trust fund; establishment. There is established outside the state treasury, a trust fund to be known as the "Hawaii Employer-Union Health Benefits Trust Fund". The fund shall consist of contributions, interest, income, dividends, refunds, rate credits, and other returns. It is hereby declared that any and all sums contributed or paid from any source to the fund created by this part, and all assets of the fund including any and all interest and earnings on the same, are and shall be held in trust by the board for the exclusive use and benefit of the employee-beneficiaries and dependent-beneficiaries and shall not be subject to appropriation for any other purpose whatsoever. The fund shall be under the control of the board and placed under the department of budget and finance for administrative purposes. [L 2001, c 88, pt of §1; am L 2006, c 57, §3]

§87A-31 Trust fund; purpose. (a) The fund shall be used to provide employee-beneficiaries and dependent-beneficiaries with health and other benefit plans, and to pay administrative and other expenses of the fund. All

assets of the fund are and shall be dedicated to providing health and other benefits plans to the employee-beneficiaries and dependent-beneficiaries in accordance with the terms of those plans and to pay administrative and other expenses of the fund, and shall be used for no other purposes except for those set forth in this section.

(b) The fund, including any earnings on investments, and rate credits or reimbursements from any carrier or self-insured plan and any earning or interest derived therefrom, may be used to stabilize health and other benefit plan rates; provided that the approval of the governor and the legislature shall be necessary to fund administrative and other expenses necessary to effectuate these purposes.

The board may create separate funds within the fund for this purpose. Each separate fund shall be subject to all of the provisions of this chapter.

employee-beneficiary, or other person or entity entitled to the forfeited payment makes a proper application to the fund for restoration of the benefit no later than ten years following the last valid reimbursement or payment. All applications for restoration of a forfeited benefit or payment shall be in a form satisfactory to the fund. §87A-42 Other post-employment benefits

trust. (a) Notwithstanding sections 87A-31 and 87A-31.5, the board, upon terms and conditions set by the board, shall establish and administer a separate trust fund for the purpose of receiving employer contributions that will prefund other post-employment health and other benefit plan costs for retirees and their beneficiaries. The separate trust fund shall meet the requirements of the Government Accounting Standards Board regarding other post-employment benefits trusts. The board shall establish and maintain a separate account for each public employer within the separate trust fund to accept and account for each public employer's contributions. Employer contributions to the separate trust fund shall be irrevocable, all assets of the fund shall be dedicated exclusively to providing health and other benefits to retirees and their beneficiaries, and assets of the fund shall not be subject to appropriation for any other purpose and shall not be subject to claims by creditors of the employers or the board or plan administrator. The board's powers under section 87A-24 shall also apply to the fund established pursuant to this section.

(b) Public employer contributions shall be paid into the fund in each fiscal year, and commencing with the 2018-2019 fiscal year, the amount of the annual

public employer contribution shall be equal to the amount of the annual required contribution, as determined by an actuary retained by the board.

(c) In any fiscal year subsequent to the 2017-2018 fiscal year in which the state public employer's contributions into the fund are less than the amount of the annual required contribution, the amount that represents the excess of the annual required contribution over the state public employer's contributions shall be deposited into the appropriate account of the separate trust fund from a portion of all general excise tax revenues collected by the department of taxation under section 237-31.

If any general excise tax revenues are deposited into the separate trust fund in any fiscal year as a result of this subsection, the director of finance shall notify the legislature and governor whether the general fund expenditure ceiling for that fiscal year would have been exceeded if those revenues had been legislatively appropriated instead of deposited without appropriation into the trust fund. The notification shall be submitted within thirty days following the end of the applicable fiscal year.

(d) In any fiscal year subsequent to the 2017-2018 fiscal year in which a county public employer's contributions into the fund are less than the amount of the annual required contribution, the amount that represents the excess of the annual required contribution over the county public employer's contributions shall be deposited into the fund from a portion of all transient accommodations tax revenues collected by the department of taxation under section 237D-6.5(b)(4). The director of finance shall deduct the amount necessary to meet the county public employer's annual required contribution from the revenues derived under section 237D-6.5(b)(4) and transfer the amount to the board for deposit into the appropriate account of the separate trust fund.

(e) In any fiscal year subsequent to fiscal year 2017-2018 in which a public employer's contributions into the fund are less than the amount of the annual required contribution and the public employer is not entitled to

transient accommodations tax revenues sufficient to satisfy the total amount of the annual required contribution, the public employer's contributions shall be deposited into the fund from portions of any other revenues collected on behalf of the public employer or held by the State. The director of finance shall deduct the amount necessary to meet the public employer's annual required contribution from any revenues collected on behalf of the public employer held by the State and transfer the amount to the board for deposit into the appropriate account of the separate trust fund.

(f) For the purposes of this section, "annual required contribution" means a public employer's required contribution to the trust fund established in this section that is sufficient to cover:

(1) The normal cost, which is the cost of other post-employment benefits attributable to the current year of service; and

(2) An amortization payment, which is a catch-up payment for past service costs to fund the unfunded actuarial accrued liability over the next thirty years. [L 2012, c 304, §1; am L 2013, c 268, §8; am L 2015, c 121, §4]
