

ATTENTION MEDICARE RETIREE:

Medicare Part B Reimbursement for 2022

For 2022, the Medicare Part B premium standard is \$170.10 per month. **If your Medicare Part B premium is the standard amount (\$170.10 per month for 2022), no action is required. You do not need to submit the Social Security Administration (SSA) letter or similar invoice to the EUTF.**

If your Medicare Part B premium is more than the standard amount (\$170.10 per month for 2022), you must provide EUTF with a copy of the letter you and/or your spouse/partner received from the Social Security Administration (SSA) showing your higher premium due to income-related monthly adjustment amounts. EUTF will reimburse the amount stated on the letter (less any penalties). If EUTF does not receive the SSA letter from you, your reimbursement will be the standard \$170.10 per month for 2022.

If you received an income adjusted Medicare Part B premium reimbursement from EUTF in 2021, your reimbursement will revert to the standard Medicare Part B premium (\$170.10 per month for 2022) reimbursement on January 1, 2022, unless EUTF receives a copy of the letter you and/or your spouse/partner received from SSA showing your higher premium.

If you need to send in a copy of your SSA letter or CMS invoice, please mail to EUTF, 201 Merchant Street Suite 1700, Honolulu Hawaii 96813 or fax it to 808-586-2161. Please only submit the page(s), unstapled and not clipped, showing your name and the monthly or annual 2021 Medicare Part B premium amount.

If the EUTF reimburses you an amount that is more than what you are paying, you will be subject to collection of the overpayment and it may affect future Medicare Part B Reimbursements.
