Diabetes Products

Regular blood glucose testing is essential for people with diabetes. One of the best ways to manage diabetes is to check blood sugar every day with a blood glucose meter. The Diabetic Meter Program provides eligible members with a no-cost blood glucose meter. The meters are funded by LifeScan, Inc., the manufacturer of your prescription benefit plan's preferred glucose meters (OneTouch). To find out if you qualify for this benefit, call the CVS Caremark Member Services Diabetic Meter Team toll-free at **1-800-588-4456**.

Tobacco Cessation Products

Tobacco cessation products are provided as a plan benefit to support our members who are quitting smoking. CVS Caremark provides education and plan recommendations for certain products at no or low cost to members, such as nicotine patches and other prescription medications. Money Saving Tips

Properly using your EUTF health insurance coverage can save you and your family hundreds or even thousands of dollars. Making simple, cost-effective decisions and being aware of how to effectively use your benefits will also keep you healthy while saving you money. Start using the following tips today!

Choosing the Best Plan for Your Needs

Not all plans are created equal. Just because a plan has the highest monthly premium, does not mean it will be the most cost efficient. Be sure to factor in your cost share (deductibles, copayments, and coinsurance), monthly premiums, calendar-year maximum out-of-pocket, and your expected usage for the year before making any plan decisions. Every year open enrollment offers an opportunity to choose a plan that best suits your needs, which may change from year to year.

Pick the Right Facility

If you have a nagging cough, do not go to the emergency room (ER). The ER should be reserved for serious emergency situations. If you have a nonemergency illness or injury, go to your regular doctor or an urgent care facility. Cost savings can be significant. For example, the total cost of a typical office visit is around \$100, while an ER visit could cost \$1,000 or more. Other options for care include Kaiser Permanente or HMSA's online or telephonic care and walk-in clinics such as urgent care or the CVS MinuteClinic.

Participating Providers

Going to a nonparticipating doctor can be, in some cases, more than twice as expensive as going to a participating provider. Seeing doctors in your network is an easy way to keep your costs low.

Preventive Care

Preventing disease and detecting health issues at an early stage is key to living a healthy life. Getting regular preventive care may help you ward off serious health issues. It's much easier, and far less costly, to prevent an illness than it is to try to cure one. By following the guidelines for preventive care—and your doctor's advice—you're on your way to staying healthy. Most preventive services are completely free of charge for you and your dependents when you use participating providers (in-network providers). Examples include immunizations, annual exams, mammograms, and well-child care visits.

Prescription Drug Benefits

There are a number of ways to save money on your prescription drug costs. One of the most cost-effective ways is to ask your prescribing doctor if you can take a generic drug. Taking a brand-name drug over a generic can end up costing you three or four times more. For example, if you are on Zetia or Vytorin to lower cholesterol, ask your prescribing doctor if you can switch to ezetimibe/simvastatin or another generic. Doing so could save you up to \$300 annually per prescription. Additionally, these changes could potentially save the EUTF hundreds of thousands of dollars annually, which would result in lower plan premiums.

Another great way to save money is by switching to mail order. In addition to saving money, mail order offers the added convenience of receiving your prescriptions at your doorstep, saving you time and money by not having to make regular trips to the pharmacy.

- **HMSA members:** Call CVS Customer Care toll-free at **1-855-801-8263**, visit [caremark.com](https://www.caremark.com), or download CVS Caremark's mobile app at the [App Store](#) or [Google Play](#). While online, you can easily check the costs of your medications by using the "Check Your Drug Cost" tool and comparing your current prescription to other lower cost alternatives. Share this information with your physician to see if any of the lower cost alternatives are appropriate for you.
- **Kaiser Permanente members:** If you have not done so already, you'll need to register for a secure kp.org account in order to refill prescriptions online. You may also set up mail-order services when you visit Kaiser Permanente, or call the number on your prescription label.

Please be advised that **all plan selections are final if you are outside the OE election period.** Any additional changes to your plans will not be allowed until the next OE election period, unless you experience a qualifying event that permits changes under the EUTF Administrative Rules.

Open enrollment forms will be processed during the months of May and June. If you do not receive your Confirmation Notice by the end of June, please contact the EUTF at **1-808-586-7390** or toll-free at **1-800-295-0089**.

Dependents No Longer Eligible?

IMPORTANT: If any of your dependents are no longer eligible due to a divorce, legal separation, or a child no longer being a full-time student or who gets married (for dental and vision only), they cannot continue to be covered under EUTF or HSTA VB plans. You are required to notify the EUTF and make these terminations in coverage when these events occur. Do not wait for open enrollment to submit these terminations.

If your dependent child is reaching the maximum age covered (age 26 for medical and prescription drug; age 19 (24 for full-time students) for dental and vision), disenrollment will occur automatically, and an enrollment form is not necessary.

General Health Plan Information

This section provides a general overview of how the different medical plan options work, including information about CVS Caremark prescription drug coverage for those enrolled in EUTF and HSTA VB medical plans through HMSA.

- **If you are eligible for and/or enrolled in an EUTF medical plan**, see pages 32–36 for summaries of your 2021–22 benefits coverage.
- **If you are eligible for and/or enrolled in an HSTA VB medical plan**, see pages 42–43 for a summary of your 2021–22 benefits coverage.

About the Medical Plans

EUTF and HSTA VB medical plans include prescription drug and chiropractic coverage. Employees are given a choice of medical plan options that vary in monthly premium cost and benefit plan design. Medical plan types include preferred provider organization (PPO) plans, health maintenance organization (HMO) plans, and a supplemental plan (for EUTF employees only).

Preferred Provider Organization (PPO) Plans

- EUTF HMSA 90/10, 80/20, and 75/25
- HSTA VB HMSA 90/10 and 80/20

A PPO plan is a medical plan that includes a network of preferred medical providers who have contracts with the insurance carrier. A PPO plan gives you the flexibility to visit the providers you choose—inside or outside the plan’s network. Your out-of-pocket medical costs will be lower if you receive care from an in-network provider or facility. The plan title (e.g., 90/10) generally refers to the share of the cost by the health plan and member. For example, the 90/10 plan pays 90% of the eligible charges for most covered in-network services, and the member pays 10%.

Before making an appointment, ask if your medical provider is in your plan’s network. If you use an out-of-network provider, your out-of-pocket costs may be higher. In addition to possible higher coinsurance, you will be responsible for the difference between the provider’s billed charge and the plan’s eligible charge. You will also often be responsible for submitting your own claims.

Health Maintenance Organization (HMO) Plans

- EUTF HMSA HMO
- EUTF Kaiser Permanente Comprehensive and Standard HMO
- HSTA VB Kaiser Permanente Comprehensive HMO

An HMO plan is a medical plan that uses a network of health care professionals and facilities associated with that HMO. Except in emergencies or in cases where you obtain a referral from your primary care physician (PCP), an HMO plan does not cover the cost of services you receive from doctors or other providers outside the HMO’s network. With an HMO plan, there are no deductibles or claim forms. Generally, after a copayment for each office visit, most medical expenses are covered at 100%. You must select a PCP to coordinate your care.

Supplemental (Copayment/Coinsurance) Plan

- EUTF HMA Supplemental Medical and Prescription Drug

The supplemental plan is designed for active EUTF employees with coverage under a non-EUTF medical and prescription drug plan. If you have a non-EUTF medical and prescription drug plan through your spouse/partner or another source, you can enroll in this plan. Eligible medical and prescription drug expenses that are not covered by the primary medical plan, such as copayments or coinsurance, are paid under this plan. You may enroll in the supplemental plan **only** if you have primary medical and prescription drug plan coverage not provided through the State or Counties. If you have Medicare or Med-QUEST coverage, you are not eligible to enroll in this plan.

Remember: Refer to Your Carrier Guides to Benefits

The following sections provide a summary of the health and life insurance plans offered to active employees. Complete information on plans can be obtained directly from the health insurance carriers or from the EUTF website at eutf.hawaii.gov. If there is any discrepancy between the information provided in this guide and that contained in the carrier's *Guide to Benefits*, the language in the carrier's *Guide to Benefits* will take precedence.

Health Care Terms and Definitions

The following is a list of important health care terms and definitions.

Calendar Year: A 12-month period starting January 1 and ending December 31.

Coinsurance: Your share of the cost of a covered service, calculated as a percentage (e.g., for most services under the HMSA 90/10 PPO medical plan, your coinsurance is 10%) of the eligible charge. For example, if the plan's eligible charge for a primary care office visit is \$100, your coinsurance payment of 10% would be \$10 plus applicable taxes. The plan pays the remainder of the eligible charge at 90%, or \$90 in this example.

The Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA): This federal law requires employers with 20 or more employees to offer the option of purchasing continuation of coverage to qualified beneficiaries who would otherwise lose group health insurance coverage as the result of a COBRA qualifying event.

Coordination of Benefits (COB): The process of determining which of two or more insurance policies or health plans will have the primary responsibility of processing/paying a claim and the extent to which the other policies will contribute. COB is intended to prevent the duplication of benefits when a member is covered by more than one insurance carrier or health plan. For more information on COB, please contact your health insurance carrier.

Copayment: A fixed amount (for example, \$15) you pay for a covered service, usually when you receive the service. The amount can vary by plan and the type of covered service.

Deductible: The amount you must pay for covered services before your plan begins to pay. The deductible is based on a calendar year and renews every January 1. Under the EUTF HMSA PPO 75/25 medical plan, the deductible is \$300 per individual or up to \$900 for family plans and applies to services provided by both in-network and out-of-network providers. The deductible must be met on a claim-by-claim basis and cannot be paid in advance. The deductible does not apply to all services. For services provided by an out-of-network provider, only the coinsurance you pay on the eligible charge will be credited toward the deductible. Any difference between the eligible charge and the actual charge will not be credited toward the deductible.

Eligible Charge: The lower of the participating provider's actual charge or the amount the plan establishes as the maximum allowable fee (the maximum amount that the plan will pay for the covered services or supplies). This is the amount on which your coinsurance is based.

HIPAA (Health Insurance Portability and Accountability Act of 1996): A federal law that calls for confidentiality standards and requires covered entities (such as the EUTF) to maintain strict use and disclosure policies and procedures in order to safeguard a member's Protected Health Information (PHI).

In-Network or Participating Provider: A physician, hospital, pharmacy, laboratory, or other health care provider your insurance carrier has contracted with to provide services at a negotiated fee or eligible charge rate. In most cases, participating providers are preferable to nonparticipating providers because of the lower out-of-pocket cost to the member.

Leave of Absence Without Pay (LWOP): An employer-approved period of leave during which the employee is not paid but continues to be a State or County employee.

Limiting Age (for Dependent Children): The age dependents are no longer eligible for coverage. The limiting age for medical and prescription drug coverage is 26 years. The limiting age for dependents under dental and/or vision plans is 19 years, or 24 if dependents are unmarried and full-time students.

Maximum Out-of-Pocket (MOOP): The most you pay during a calendar year before your health insurance plan starts to pay 100% for covered services. This limit includes deductibles, coinsurance, copayments, or similar charges. This limit does not include premiums, noncovered services such as taxes, charges in excess of the maximum allowable fee, and dental plan and vision plan expenses. The MOOP protects members from catastrophic financial losses.

Medicare: A federal health insurance program for people who are age 65 or older and certain younger people with disabilities. It also covers people with end-stage renal disease (permanent kidney failure requiring dialysis or a transplant, sometimes called ESRD).

Network: A group of providers that contract with an insurance carrier to provide health care products and/or services for treatment at a reduced or fixed fee.

Open Enrollment: An annual period during which employees may enroll or disenroll from plans, change from one plan to another, or add or remove dependents outside of experiencing a qualifying event.

Out-of-Network or Nonparticipating Provider: A physician, hospital, pharmacy, laboratory, or other health care provider that is not contracted with your insurance carrier to provide services. When you receive services from a nonparticipating provider, you owe the plan's standard copayment or coinsurance plus the difference between the nonparticipating provider's charge for the service and your insurance carrier's eligible charge.

For example, under the HMSA 90/10 PPO medical plan, if the nonparticipating provider's charge for a primary care office visit is \$120, the plan's eligible charge is \$100, and the out-of-network coinsurance is 30%, the plan will pay \$70 ($\$100 \times 70\%$) and you would pay \$50 (\$30 coinsurance plus \$20 for the excess of the actual charge over the eligible charge) plus applicable taxes. If the primary care provider was a participating provider, your total cost would be \$10 plus applicable taxes.

Out-of-Pocket Cost: Costs paid by the member related to deductibles, copayments, coinsurance, and any noncovered services.

Plan Year: For active employees, a 12-month period starting July 1 and ending June 30 the following year.

Premiums: The semimonthly or monthly cost of your health insurance. Premiums are primarily influenced by utilization of services by members, benefit plan design, and cost of health care.

Primary Care Provider (PCP): A health care professional (usually an internist, family/general practitioner, or pediatrician) who provides a range of services such as prevention, wellness, and treatment for common illnesses. PCPs treat health-related issues and may coordinate your care with specialists.

Provider: An approved health care professional or facility that provides treatment or service.

Qualifying Event: An event such as loss of coverage, acquisition of coverage, marriage, divorce, or the birth or adoption of a child that allows enrollment changes to your health plans during the plan year.

Specialist: A physician who focuses on a specific area of medicine or a group of patients to diagnose, manage, prevent, or treat certain types of symptoms and conditions.

Prescription Drug

Brand Name: A prescription drug sold by a drug company under a specific name or trademark that is protected by a patent. Brand prescription drugs are either preferred or non-preferred. You will pay more if you use non-preferred drugs than preferred or generic prescription drugs.

Diabetic Supplies: Includes equipment and supplies used in the management and treatment of diabetes as prescribed by a physician. This includes blood glucose monitors, blood glucose test strips, lancet devices, and lancets.

Formulary: A list of preferred prescription drugs covered by a prescription drug plan. A formulary is also called a drug list or preferred drug list.

Generic: A prescription drug that has the same active ingredient formula as a brand-name drug. Generic drugs usually cost significantly less than brand-name drugs. The Food and Drug Administration rates these drugs to be as safe and effective as brand-name drugs.

Maintenance Medication: Prescriptions taken for an extended period of time to treat chronic conditions such as high blood pressure, diabetes, heart disease, or high cholesterol. Typically, a physician may write a prescription for these medications in a 90-day supply.

Specialty: High-cost prescription medications used to treat complex, chronic conditions like cancer, rheumatoid arthritis, and multiple sclerosis. Specialty drugs often require special handling (like refrigeration during shipping) and administration (such as injection or infusion).

About CVS Caremark Prescription Drug Coverage for EUTF Members

General Information

The prescription drug plan includes programs that offer a financial incentive for participants to use the generic equivalent (or preferred brand, in the case of EUTF plans) medication without compromising care, as these medications have the same level of effectiveness. For the EUTF plans, preferred medications are usually priced lower than other brand-name medications and have lower copayments.

To comply with the Affordable Care Act, certain preventive care drugs are covered with no copayment (if you have a prescription from your physician), including, but not limited to, generic statin drugs, tobacco cessation products, aspirin, and folic acid supplements. Please contact CVS Caremark for additional information on coverage for these preventive care drugs.

In addition to the added coverage of exemestane and anastrozole effective July 1, 2021, the generic forms of tamoxifen and raloxifene continue to be covered with no copayment for women 35 years or older when prescribed for primary prevention of breast cancer. If you are eligible for this benefit, please have your physician call CVS Caremark at **1-877-418-4130** to complete a copayment exception form on your behalf.

Web Service

Members can register at [caremark.com](https://www.caremark.com) or download the CVS Caremark mobile app to access tools that can help you save money and manage your prescription benefit. To register, have your CVS ID card ready. If you are not currently a member, please visit the CVS Caremark website at [caremark.com/eutf](https://www.caremark.com/eutf) for plan information.

Customer Care

For assistance with questions about your plan, finding a participating pharmacy, ordering a new ID card, refilling your mail order, etc., you may call CVS Caremark toll-free at **1-855-801-8263** to speak with a representative 24 hours a day, seven days a week, or you may visit their customer service office in downtown Honolulu at Pauahi Tower, 1003 Bishop Street, Suite 704, Monday through Friday from 7:45 a.m. to 4:30 p.m.

Coordination of Benefits

Some participants may be enrolled in additional prescription drug coverage outside their EUTF or HSTA VB benefits. If this applies to you, please contact CVS Caremark Customer Care at **1-855-801-8263** to advise if your EUTF plan is secondary. If your plan is secondary, be sure to let the pharmacy know by presenting both of your prescription drug ID cards, and they will be able to coordinate benefits for you at the point of sale. You also have the option to send in a paper claim form for reimbursement. Below is a list of the required documentation to submit a paper claim for reimbursement. Please note that Coordination of Benefits does not guarantee 100% coverage of your medication. All EUTF plan parameters and guidelines will still apply. Coverage under your non-EUTF drug plan does not imply coverage under the EUTF drug plan.

Required Documentation for Paper Claims

Paper claims must be submitted to CVS Caremark within one year from the date of purchase.

- **Pharmacy receipt** including:

- Patient's name
- Date of fill
- Prescription number
- Name of medication
- Metric quantity
- Day supply
- Prescribing doctor's name or NPI number
- Pharmacy name and address or pharmacy NABP number

- **Completed paper claim reimbursement request form with patient signature** should be mailed to:

CVS Caremark
P.O. Box 52136
Phoenix, AZ 85072-2136

Filling Prescriptions for Maintenance Medications

Maintenance medications are those prescriptions taken for an extended period of time to treat chronic conditions such as high blood pressure, diabetes, heart disease, or high cholesterol. Participants are allowed three 30-day initial fills at the retail pharmacy for each new medication or new dosage amount in order to determine if the medication or dosage is correct. Members are required to fill a 90-day supply thereafter. If filling a 90-day supply either at a Retail 90 pharmacy or through the mail-order pharmacy, the member will pay 2 times the 30-day supply copayment. If filling a 90-day supply at a non-Retail 90 pharmacy, the member will pay 3 times the 30-day supply copayment.

The Mail Order Program is voluntary. Overall, the cost to the plan is lowest when prescriptions for maintenance medications are filled through the mail-order pharmacy. To start mail order, contact CVS Caremark at **1-855-801-8263**.

Utilization Management Programs

In an ongoing effort to effectively manage the prescription drug benefit, certain medications are subject to clinical guidelines as part of the prescription benefit plan design. The drug benefit includes the addition of the following three clinical guidelines:

1. **Quantity Limitations** – Ensures participants receive the medication in the quantity considered safe by the Food and Drug Administration (FDA), medical studies, and input, review, and approval from the CVS Caremark National Pharmacy and Therapeutics (P&T) Committee.

-
2. **Generic Step Therapy Program (GSTP)** – The EUTF encourages the use of generic medications as an alternative to certain brand medications as an affordable and effective form of treatment for many health conditions. In an effort to promote use of generic medications, CVS Caremark has a generic step therapy program in place for all EUTF active employees. For certain brand drugs, GSTP may require that you try generic drug treatment(s) prior to the use of a brand drug. Please contact CVS Caremark Customer Care at **1-855-801-8263** for more information. Also see section labeled Dispensed as Written (DAW 1&2) Program on the next page.
 3. **Prior Authorization (PA)** – Authorization process to ensure medical necessity of targeted drugs/classes before they are covered by the plan.

Specialty Drug Program

Specialty medications you receive at your doctor's office or that are self-administered in a home setting are covered under the pharmacy drug benefit. Specialty medications you receive at an inpatient hospital setting or in a hospital-based outpatient treatment center are covered under your medical plan. Specialty medications may be obtained from a specialty pharmacy or any retail pharmacy that participates in the CVS Caremark network that will supply the medication.

CVS Caremark has a specialty pharmacy called CVS Specialty, located here in Hawaii. Members or physicians can contact CVS Specialty toll-free at **1-800-896-1464** for assistance in ordering specialty medications. At your doctor's office visit, please present your CVS ID card to your physician prior to treatment, to ensure your medication is covered under the pharmacy drug benefit. Please refer to your medical plan description for additional information about coverage for specialty drugs.

The EUTF plans participate in CVS Caremark's Specialty Guideline Management (SGM) Program. SGM uses evidence-based care plans and medication management outreach programs to help participants use these complex medications properly. All specialty medications require prior authorization. Physicians may call SGM at **1-808-254-4414** to obtain prior authorization.

The EUTF plans have also adopted the Advanced Control Specialty Formulary (ACSF). ACSF requires the use of preferred specialty medications prescribed for the treatment of certain conditions. For coverage of non-preferred specialty medications, your physician may call **1-808-254-4414** to obtain a prior authorization or to submit a medical exception request.

Specialty Tiers

Most medications that fall within a specialty tier will be subject to the applicable coinsurance, up to a maximum copayment per fill. Exception: Oral oncology medications provided under the Specialty Drug Program will have a \$30 copayment instead of a tier-level coinsurance. There is a \$2,500 maximum out-of-pocket per person, per calendar year for specialty drug copayments.

If you have questions about your prescription drug benefits, call CVS Caremark at **1-855-801-8263**. Representatives are available 24 hours a day to assist with your questions. You can also view the CVS Caremark Specialty Drug List, available on [caremark.com](https://www.caremark.com), for a full listing of specialty therapeutic classes and medications.

Dispensed as Written (DAW 1&2) Program

The Dispensed as Written Program promotes the use of a generic equivalent medication, when available, in place of the associated brand-name medication. The standard generic copayment will apply. However, if a participant or their physician chooses to use a brand medication rather than the generic equivalent, then the copayment becomes the standard generic copayment plus the difference in the cost of the generic and brand medication.

Maximum Out-of-Pocket Benefit Under the CVS Caremark Prescription Drug Plan

The CVS Caremark prescription drug plan is bundled with the HMSA medical plan that you select. If you change from one HMSA medical plan to another during open enrollment, your drug maximum out-of-pocket (MOOP) may change on the effective date of your new plan selection.

All applicable in-network drug copayments and coinsurance are accumulated on a calendar-year basis toward an annual MOOP amount. Once the MOOP amount is met, you will no longer pay applicable copayments and coinsurances for covered prescription drugs while enrolled in that plan for the remainder of the calendar year. If you change to a plan with a higher MOOP amount, you are responsible for meeting the new MOOP level, but all prior applicable copayments and coinsurance paid within the same calendar year toward one CVS Caremark plan can be credited toward the new MOOP amount for the new plan. If you change to a plan with a lower MOOP amount, there are no refunds of copayments or coinsurance paid toward the higher MOOP of the prior plan that are over the amounts of the MOOP for the new plan. All in-network copayments and coinsurance paid are applied prospectively to the applicable MOOP amount based upon the plan the member is enrolled in at the time.

HSTA VB Health Plan Options

HSTA VB plan options were created for HSTA employees who were enrolled in the HSTA VEBA active plan(s) prior to January 1, 2011. Enrollment in HSTA VB health plans is limited to those currently enrolled and who have maintained continuous enrollment under HSTA VB health and/or life insurance plans. HSTA VB members must complete an EC-1H enrollment form if making changes. New employees **may not** enroll in HSTA VB health plans.

Disenrolling From HSTA VB Plans

HSTA VB members may disenroll from HSTA VB plans but will not be allowed to reenroll in HSTA VB plans in the future. Members who wish to leave HSTA VB plans and switch to EUTF plans during open enrollment must complete an EC-1 enrollment form.

HSTA VB and EUTF Plan Enrollment

In cases where HSTA VB members have a spouse/partner covered under active or retiree EUTF plans, members cannot enroll in the same health plan coverages under both EUTF and HSTA VB plans simultaneously (e.g., EUTF medical and HSTA VB medical, or EUTF dental and HSTA VB dental).

HSTA VB Plan Options

HSTA VB plan options include:

Note: The enrollment of HSTA VEBA members into the health plans created as a result of Judge Sakamoto's decision in the Gail Kono lawsuit was done to comply with that decision and not to create any constitutional or contractual right to the benefits provided by those plans. Please note that the State has appealed the decision and reserves the right to move former HSTA VEBA members into regular EUTF plans if that decision is overturned or modified.

About CVS Caremark Prescription Drug Coverage for HSTA VB Members

General Information

The prescription drug plan includes programs that offer a financial incentive for participants to use the generic equivalent medication without compromising care, as these medications have the same level of effectiveness.

To comply with the Affordable Care Act, certain preventive care drugs are covered with no copayment (if you have a prescription from your physician), including, but not limited to, generic statin drugs, tobacco cessation products, aspirin, and folic acid supplements. Please contact CVS Caremark for additional information on coverage for these preventive care drugs.

In addition to the added coverage of exemestane and anastrozole effective July 1, 2021, the generic forms of tamoxifen and raloxifene continue to be covered with no copayment for women 35 years or older when prescribed for primary prevention of breast cancer. If you are eligible for this benefit, please have your physician call CVS Caremark at **1-877-418-4130** to complete a copayment exception form on your behalf.

Web Service

Members can register at [caremark.com](https://www.caremark.com) to access tools that can help you save money and manage your prescription benefit. To register, have your CVS ID card ready. If you are not currently a member, please visit the CVS Caremark website at [caremark.com/eutf](https://www.caremark.com/eutf) for plan information.

Customer Care

For assistance with questions about your plan, finding a participating pharmacy, ordering a new ID card, refilling your mail order, etc., you may call CVS Caremark toll-free at **1-855-801-8263** to speak with a representative 24 hours a day, seven days a week, or you may visit their customer service office in downtown Honolulu at Pauahi Tower, 1003 Bishop Street, Suite 704, Monday through Friday from 7:45 a.m. to 4:30 p.m.

Coordination of Benefits

Some participants may be enrolled in additional prescription drug coverage outside their EUTF or HSTA VB benefits. If this applies to you, please contact CVS Caremark Customer Care at [caremark.com/eutf](https://www.caremark.com/eutf) to advise if your HSTA VB plan is secondary. If your plan is secondary, be sure to let the pharmacy know, and they will be able to coordinate benefits for you at the point of sale. You also have the option to send in a paper claim form for reimbursement. Below is a list of the required documentation to submit a paper claim for reimbursement. Please note that Coordination of Benefits does not guarantee 100% coverage of your medication. All HSTA VB plan parameters and guidelines will still apply. Coverage under your non-HSTA VB drug plan does not imply coverage under the HSTA VB drug plan.

Required Documentation for Paper Claims

Paper claims must be submitted to CVS Caremark within one year from the date of purchase.

- **Pharmacy receipt** including:
 - Patient's name
 - Date of fill
 - Prescription number
 - Name of medication
 - Metric quantity
 - Day supply
 - Prescribing doctor's name or NPI number
 - Pharmacy name and address or pharmacy NABP number
- **Completed paper claim reimbursement request form with patient signature** should be mailed to:
 - CVS Caremark
 - P.O. Box 52136
 - Phoenix, AZ 85072-2136

Filling Prescriptions for Maintenance Medications Through Mail Order

Maintenance medications are those prescriptions taken for an extended period of time to treat chronic conditions such as high blood pressure, diabetes, heart disease, or high cholesterol.

The mail-order program is voluntary. Overall, the cost to the plan is lowest when prescriptions for maintenance medications are filled through the mail-order pharmacy. To start mail order, contact CVS Caremark at **1-855-801-8263**.

Utilization Management Programs

In an ongoing effort to effectively manage the prescription drug benefit, certain medications are subject to clinical guidelines as part of the prescription benefit plan design. The drug benefit includes the addition of the following three clinical guidelines:

1. **Quantity Limitations** – Ensures participants receive the medication in the quantity considered safe by the Food and Drug Administration (FDA), medical studies, and input, review, and approval from the CVS Caremark National Pharmacy and Therapeutics (P&T) Committee.

-
2. **Generic Step Therapy Program (GSTP)** – The EUTF encourages the use of generic medications as an alternative to certain brand medications as an affordable and effective form of treatment for many health conditions. In an effort to promote use of generic medications, CVS Caremark has a generic step therapy program in place for all HSTA VB active employees. For certain brand drugs, GSTP may require that you try generic drug treatment(s) prior to the use of a brand drug. Please contact CVS Caremark Customer Care at **1-855-801-8263** for more information. Also see section labeled Dispensed as Written (DAW 2) Program on this page.
 3. **Prior Authorization (PA)** – Authorization process to ensure medical necessity of targeted drugs/classes before they are covered by the plan.

Specialty Drug Program

Specialty medications you receive at your doctor's office or that are self-administered in a home setting are covered under the pharmacy drug benefit. Specialty medications you receive at an inpatient hospital setting or in a hospital-based outpatient treatment center are covered under your medical plan. Specialty medications may be obtained from a specialty pharmacy or any retail pharmacy that participates in the CVS Caremark network that will supply the medication.

CVS Caremark has a specialty pharmacy called CVS Specialty, located here in Hawaii. Members or physicians can contact CVS Specialty toll-free at **1-800-896-1464** for assistance in ordering specialty medications. At your doctor's office visit, please present your CVS ID card to your physician prior to treatment, to ensure your medication is covered under the pharmacy drug benefit. Please refer to your medical plan description for additional information about coverage for specialty drugs.

The HSTA VB plans participate in CVS Caremark's Specialty Guideline Management (SGM) Program. SGM uses evidence-based care plans and medication management outreach programs to help participants use these complex medications properly. All specialty medications require prior authorization. Physicians may call SGM at **1-808-254-4414** to obtain prior authorization.

If you have questions about your prescription drug benefits, call CVS Caremark at **1-855-801-8263**. Representatives are available 24 hours a day to assist with your questions. You can also view the CVS Caremark Specialty Drug List, available on [caremark.com](https://www.caremark.com), for a full listing of specialty therapeutic classes and medications.

Dispensed as Written (DAW 2) Program

The Dispensed as Written Program promotes the use of a generic equivalent medication, when available, in place of the associated brand-name medication. The standard generic copayment will apply. However, if a participant chooses to use a brand medication rather than the generic equivalent, then the copayment becomes the standard generic copayment plus the difference in the cost of the generic and brand medication.

Maximum Out-of-Pocket Benefit Under the CVS Caremark Prescription Drug Plan

The CVS Caremark prescription drug plan is bundled with the HMSA medical plan that you select. If you change from one HMSA medical plan to another during open enrollment, your drug maximum out-of-pocket (MOOP) may change on the effective date of your new plan selection.

All applicable in-network drug copayments and coinsurance are accumulated on a calendar-year basis toward an annual MOOP amount. Once the MOOP amount is met, you will no longer pay applicable copayments and coinsurances for covered prescription drugs while enrolled in that plan for the remainder of the calendar year. If you change to a plan with a higher MOOP amount, you are responsible for meeting the new MOOP level, but all prior applicable copayments and coinsurance paid within the same calendar year toward one CVS Caremark plan can be credited toward the new MOOP amount for the new plan. If you change to a plan with a lower MOOP amount, there are no refunds of copayments or coinsurance paid toward the higher MOOP of the prior plan that are over the amounts of the MOOP for the new plan. All in-network copayments and coinsurance paid are applied prospectively to the applicable MOOP amount based upon the plan the member is enrolled in at the time.

Benefit Summaries

The charts on the following pages outline the **HSTA VB medical and prescription drug plan options**. They are intended to provide a condensed summary of plan benefits. Certain limitations, restrictions, and exclusions apply to all insurance plans. Complete information on plans can be obtained directly from the health insurance carriers or from the EUTF website at eutf.hawaii.gov. If there should be any discrepancy between the information provided in this guide and that contained in the carrier's *Guide to Benefits*, the language in the carrier's *Guide to Benefits* will take precedence.

For charts summarizing the EUTF medical and prescription drug plan options, see pages 32–36.

Dental Benefits

Your dental benefits are provided by Hawaii Dental Service (HDS), and summaries of the plan benefits are shown in the tables that follow.

For full plan details, including a plan brochure, visit the HDS website's dedicated EUTF page at hawaiidental-service.com/members/eutf.

In-Network and Out-of-Network Providers

To maximize your benefits and help keep your out-of-pocket costs down, it's best to visit dentists who participate in the HDS provider network. You can search online at HawaiiDentalService.com or contact HDS to find an in-network or participating dentist.

If you choose to have services performed by a dentist who is not an HDS or Delta Dental participating dentist, you are responsible for the difference between the amount that the nonparticipating dentist actually charges and the amount paid by HDS in accordance with your plan. In most cases, you will need to pay in full at the time of service. The nonparticipating dentist will render services and may provide you with the completed claim form (universal ADA claim form) to submit to HDS. You can mail the completed claim form for processing to:

Vision Benefits

Your vision benefits are provided by Vision Service Plan (VSP), and a summary of the plan's benefits is shown below.

In-Network and Out-of-Network Providers

You get the best value from your VSP benefit when you visit a VSP doctor. If you see a non-VSP provider, you'll typically pay more out of pocket. You'll pay the provider in full and have 12 months to submit a claim to VSP for partial reimbursement, less plan copayments. Before seeing an out-of-network provider, call VSP at **1-866-240-8420**, or go online at vsp.com to search for a VSP doctor near you.

No ID Cards

There are no ID cards issued for VSP members. Members simply notify their vision provider that they are VSP members, and VSP providers will file a claim to VSP. Members can download and print an ID card if desired, by setting up an online account at vsp.com.

VSP.com

Register at vsp.com to check your eligibility status for services, view your personalized benefit information, find a VSP doctor (nationwide), and get a Vision Benefit Statement detailing your past service. You must apply for portability of your life insurance coverage within 31 days after your employment ends.

Premium Conversion Plan – State of Hawaii Employees Only

The Premium Conversion Plan (PCP) is a voluntary benefit plan, administered by the State Department of Human Resources Development (DHRD), which allows employees to purchase their health benefit plans offered through the EUTF on a pretax basis.

This tax savings benefit is made possible because the PCP qualifies as a Cafeteria Plan within the meaning of Section 125 of the Internal Revenue Code of 1986 (“Code”), as amended. This means that, by enrolling in the plan, the employee is authorizing the State to deduct health plan premium contributions from their gross pay **before** federal and State income taxes and Social Security taxes are withheld, which should result in an increase in take-home pay. For more information, visit the DHRD website at dhrd.hawaii.gov.

Enrolling in the PCP

Annual Open Enrollment Period (OEP) – Current Employees

During the annual open enrollment period (OEP), employees may enroll, make changes to, or cancel their existing PCP enrollment without experiencing an IRS-qualifying change-in-status event. Employees wishing to enroll, change, or cancel their PCP enrollment shall make their selection in the “Plan Selection” section of the EUTF’s EC-1/EC-1H form and submit it to their departmental Human Resources Office (HRO) designee or the Employee Benefits Unit (DOE-EBU), for those employees working for the Department of Education, prior to the end of the OEP. The PCP effective date for OEP enrollments/changes shall be July 1, the start of the new plan year.

New Hires/Newly Eligible Employees

New employees or newly eligible employees who enroll in a health benefits plan offered by the EUTF, and whose payroll deductions are processed through the State Department of Accounting and General Services (DAGS) are eligible to participate in the PCP. Employees shall make a PCP election in the “Plan Selection” section of the EUTF’s EC-1/EC-1H form and file it with their HRO designee or DOE-EBU within ninety (90) calendar days of the date of hire or event that made the employee newly eligible for coverage. The PCP enrollment shall become effective as soon as administratively possible on a **prospective** basis.

Note: Once an employee makes a PCP election (e.g., enroll or waive coverage), it is not permissible to make any changes or cancellations to their election until the next designated OEP or unless an IRS-qualifying change-in-status event occurs. Basically, the IRS is saying, in exchange for the tax savings, the election must continue for the entire Plan Year which normally runs July 1 through June 30 each year.

EUTF Administrative Rules require that EC-1/EC-1H forms must be submitted within forty-five (45) days of the date of hire or event that made the employee newly eligible for coverage.

Making Changes

During the plan year, the only way an employee may make a PCP election change is if:

- The employee has an allowable IRS change-in-status event (e.g., marriage, birth or adoption, divorce, etc.);
- The change being requested is consistent with the IRS change-in-status event; and
- The PCP Election Change Form (PCP-2) is submitted to the employee's HRO designee or DOE-EBU within ninety (90) calendar days of the date of the qualified status change event.

The PCP enrollment, change, or cancellation shall become effective as soon as administratively possible, on a **prospective** basis.

The PCP-2 form must be submitted along with the EC-1/EC-1H form. The PCP effective date is determined by the date the HRO designee or DOE-EBU completes the "Employer's Receipt in Office Date" section.

Note: EUTF Administrative Rules have different submission dates from PCP. Please refer to the Common Qualifying Events – Additions and Deletions on pages 64-68 for submission dates.

PCP Administrative Rules

To keep the PCP Plan qualified under the Code, the State must administer the plan in strict compliance with certain rules and regulations, such as those dealing with enrollments and cancellations. As such, by electing to participate in the PCP, please note that:

1. It is not permissible to make any changes to your PCP election (e.g., enroll or waive coverage) until the next OEP or unless an IRS-qualifying change-in-status event occurs.
2. Your authorization and enrollment in PCP will automatically continue year to year for the duration of the plan until you change or cancel your participation in the PCP during the OEP or as provided under number 3 below.
3. When you have an IRS-qualifying change-in-status event (e.g., marriage, birth or adoption, divorce, etc.), you must submit all required forms within ninety (90) calendar days of the date of the event, to change or cancel your reduction in pay (otherwise, changes or cancellations are only allowed during the OEP). To avoid the risk of losing money (forfeitures), you need to file the forms in a timely manner. Changes in pretax payroll deductions are always done **prospectively** after the employer receives the PCP-2 forms, never retroactively.
4. Allowable changes/cancellations, except for enrolling newborn/newly adopted children, shall become effective as soon as administratively possible, on a **prospective** basis, usually the beginning of the pay period following receipt of your forms. The Special Enrollment of a newborn/newly adopted child is retroactive to the date of birth/adoption/placement for adoption.
5. Your PCP payroll deduction, in the absence of an allowable IRS-qualifying change-in-status event cannot be changed or cancelled for the current plan year.
6. If you change/cancel your health insurance plan coverage, but your PCP change/cancellation is not allowable, your PCP payroll deduction will remain in effect through the end of the plan year, and your payments will be forfeited until PCP change/cancellation forms are filed and approved during the next OEP.
7. If you cover your domestic partner or civil union partner (DP/CUP), and your DP/CUP meets the definition of a “qualified dependent” under Section 152 of the Code and qualifies as your dependent for federal income tax purposes, you may deduct the entire premium contribution on a pretax basis. Otherwise, the contribution amount for your DP/CUP shall be done on an after-tax basis. You must submit the PCP Domestic/Civil Union Partnership Acknowledgement form (PCP-DP/CU), which can be obtained from your HRO designee, DOE-EBU, or the DHRD website at dhrd.hawaii.gov.

PCP Example #1

Joanne experiences a divorce or a change-in-status event during the plan year. This change in status causes her to move from a 2-Party Plan to Self-Only Plan. Joanne participates in PCP.

Change-in-Status Timeline	EUTF	PCP
Joanne requests her change event (divorce as of August 2, 2021) moving from 2-Party Plan to Self-Only Plan.	Under the EUTF Rules, employee must submit all forms and required documents to the EUTF within 45 days of the event.	Due to her participation in PCP, she must submit her forms within 90 days of the event, and her change will be prospective from the Employer Receipt in Office Date (per IRS Section 125 Rules).
Submits EC-1/EC-1H and PCP-2 forms on August 18, 2021, to HRO designee or DOE-EBU (Employer Receipt in Office Date).		The PCP deduction is changed to self premiums effective September 1, 2021 (first day of pay period following the Employer Receipt in Office Date).*
Forfeitures are applicable due to the untimely submission of the forms.		Joanne must continue to pay the 2-Party premiums (forfeiture) from August 16–August 31, 2021.

* **Note:** In this example, forfeitures from PCP would be avoided if Joanne submitted her EUTF EC-1/EC-1H and PCP-2 forms in a timely manner prior to August 15, 2021.

PCP Example #2

Ross acquires health coverage through his spouse on July 1, 2021. Ross has Self-Only health benefit plans through the EUTF and participates in the PCP. Ross will now be covered under his spouse's employer's plan and wants to terminate or cancel his participation in the PCP.

Change-in-Status Timeline	EUTF	PCP
Ross requests his change event (will be covered as a dependent under spouse's plan as of July 1, 2021).	Under the EUTF Rules, employee must submit all forms and required documents to the EUTF within 45 days of the event.	Due to his participation in PCP, he must submit his forms within 90 days of the event, and his change will be prospective from the Employer Receipt in Office Date (per IRS Section 125 Rules).
Submits the EC-1/EC-1H and PCP-2 forms on June 28, 2021, to HRO designee or DOE-EBU (Employer Receipt in Office date).		The PCP deduction is terminated effective July 1, 2021 (end of the pay period following the Employer Receipt in Office Date).*
Forfeitures are not applicable because of a timely submission of forms.		Ross will have his health benefits plans/PCP terminated with the EUTF as of July 1, 2021.

* **Note:** In this example, because Ross submitted his forms and documents in a timely manner, he will not pay any forfeitures.

Please keep in mind that this is only a summary of HRS Chapter 14-51, "Premium Conversion Plan," and is not the complete text.

For County Employees: Please contact your Departmental Human Resources Office for more information on available options.

Eligibility and Enrollment

Eligibility

Eligibility for coverage is determined by the Hawaii Revised Statutes (HRS) and EUTF Administrative Rules adopted by the EUTF Board of Trustees. Requests for enrollment, termination, and other changes must be submitted to the EUTF through your human resources office or enrollment designee. DOE employees must submit changes to the DOE-EBU office. If you have any questions concerning eligibility provisions, please refer to the EUTF Administrative Rules posted on the EUTF website at eutf.hawaii.gov.

Employee Eligibility

The following persons are eligible to enroll as employee-beneficiaries in plans offered or sponsored by the EUTF for active employees:

- An eligible employee, including an elective officer of the State, County, or legislature
- The surviving spouse, domestic partner, or civil union partner (DP/CUP) of an employee killed in the performance of duty, provided the spouse or DP/CUP does not remarry or enter into another domestic or civil union partnership, shall be enrolled in retiree plans
- The unmarried child of an employee killed in the performance of duty, provided the child is under the limiting age, as defined in the EUTF Administrative Rule 1.02 or is an adult disabled child in accordance with the EUTF Administrative Rule 3.01(b)(3) and does not have a surviving parent who is eligible to be an employee-beneficiary, shall be enrolled in retiree plans

Dependent Eligibility

The following persons shall be eligible for coverage as dependent-beneficiaries in the benefit plans offered or sponsored by the EUTF for active employees:

- The employee's spouse, domestic partner, or civil union partner (DP/CUP).
- The employee or spouse's/DP's/CUP's children under the age of 26 (for medical and prescription drug coverage). This includes children by birth, marriage (stepchild), or adoption or placement for adoption.
- For dental and vision coverage, dependent children under age 19 and from age 19 through age 23 if they are full-time students. For children covered under legal guardianship or foster children, their coverage will terminate at age 18.
- Coverage can be continued for an unmarried child, regardless of age, who is incapable of self-support due to mental/physical incapacity that existed prior to the child reaching age 19.

Annual Certification of Student Status

EUTF Administrative Rules 1.02 and 5.05(b) specify that dependent-beneficiaries ages 19–23 who are full-time students may enroll in dental and/or vision plans. In order to maintain enrollment, student certification must be renewed annually. Student certification must be submitted to the EUTF 15 days prior to the dependent's birthday in order to avoid termination of their dental and/or vision plans. However, you have up to 45 days from the dependent-beneficiary's date of birth to submit their full-time student certification, and their coverage will be reinstated. Acceptable forms of student certification include:

- Signed letter from the school's registrar written on the school's letterhead indicating full-time student status
- A student enrollment verification form from studentclearinghouse.org

Copies of a class schedule, payment of tuition, or similar documents will not be accepted. The EUTF will mail a courtesy reminder a few months prior to the dependent's birthday.

IT IS YOUR RESPONSIBILITY TO NOTIFY THE EUTF WHEN DEPENDENTS ARE NO LONGER FULL-TIME STUDENTS.

Dependent(s) under vision and dental who are no longer full-time students will be terminated at the end of the pay period of the school end date.

Special Eligibility Requirements for Domestic and Civil Union Partners

Domestic Partner (DP): A person in a spouse-like relationship with an employee-beneficiary who meets the following requirements:

- Intend to remain in a domestic partnership with each other indefinitely
- Have a common residence and intend to reside together indefinitely
- Jointly and severally responsible for each other's basic living expenses incurred in the domestic partnership such as food, shelter, and medical care
- Neither are married or a member of another domestic partnership
- Not related by blood in a way that would prevent them from being married to each other in the State of Hawaii
- Both at least 18 years of age and mentally competent to contract
- Consent to the domestic partnership has not been obtained by force, duress, or fraud
- Both sign and file a notarized declaration of domestic partnership affidavit with the EUTF

An employee may enroll a domestic partner's children as dependents so long as the children meet the EUTF eligibility requirements applicable to the enrollment of dependent children.

Civil Union Partner (CUP): A person who has entered into a civil union under the rules established by the State Department of Health. Employees may also enroll a civil union partner's children as dependents so long as the children meet the EUTF eligibility requirements applicable to the enrollment of dependent children.

Note: There may be federal and State income tax consequences with employer-paid coverage for domestic partners, and federal income tax consequences with employer-paid coverage for civil union partners. If your domestic partner does not qualify as your dependent for tax purposes, a portion of the premium paid for your domestic partner will be deemed taxable income and reported to you on the appropriate federal or State tax form. If your civil union partner does not qualify as your dependent for tax purposes, a portion of the premium paid for your civil union partner will be deemed taxable income and reported to you on the appropriate federal tax form. Consult your tax advisor to determine your domestic or civil union partner's status. If you determine that your domestic or civil union partner is a dependent, submit a completed Affidavit of "Dependency" for Tax Purposes (available along with information/instructions on the EUTF website at eutf.hawaii.gov) to the EUTF.

Enrollment

Employee-Beneficiary Responsibility

Employee-beneficiaries are responsible for:

- Providing current and accurate personal information as prescribed in this booklet;
- Paying the employee's premium contributions in the amount or amounts provided by statute, or an applicable bargaining unit agreement;
- Paying the employee's premium contributions at the times and in the manner designated by the Board; and
- Complying with the EUTF's Administrative Rules.

Employer Responsibility

Any public employer whose current or former employees participate in EUTF benefit plans is responsible for:

- Providing information as requested by the EUTF under section 87A-24(9) of the HRS;
- Paying the employer's premium contributions in the amount or amounts provided by statute or an applicable bargaining unit agreement and at the times and in the manner designated by the Board;
- Assisting the EUTF in distributing information to and collecting information from the employee-beneficiaries, including, but not limited to, reviewing enrollment applications for accuracy;
- Complying with the EUTF's Administrative Rules; and
- Notifying EUTF immediately following termination, transfer, and bargaining unit changes or death.

How to Enroll

To enroll in EUTF health plans, you must complete an EUTF Enrollment Form for Active Employees (EC-1 or EC-1H [if you are already enrolled in the HSTA VB plans]) (see the perforated pages at the end of this guide). If you do not enroll eligible members of your family within 45 days (180 days for newborns) from the time you or they first become eligible, you must wait until you experience a qualifying event or wait until the next open enrollment period. The plan year for active employees begins July 1 and ends June 30 of the following year.

Confirmation Notice and ID Cards

Once your enrollment is processed by the EUTF, you will be mailed a Confirmation Notice indicating your enrollment and dependents covered (if any). You will have 15 calendar days from the date indicated on the Confirmation Notice to notify the EUTF in writing if you need to correct EUTF data entry errors. More information can be found on the Confirmation Notice.

The EUTF will notify the health insurance carriers of your new enrollment, and you should receive identification cards from the insurance carriers shortly after. ID cards are not issued for HMA, American Specialty Health Group, Inc., Securian Financial, and VSP, as ID cards are not required to receive services.

Dual Enrollment Between Two EUTF Plans Is Not Allowed

No person may be enrolled in any EUTF benefit plan as both an employee-beneficiary and dependent-beneficiary, nor may children be enrolled by more than one employee-beneficiary (dual enrollment).

Employee and Spouse Both State and/or County Employees

In addition, if you and your spouse/DP/CUP are both employee-beneficiaries, the employer contribution cannot exceed a family plan contribution in accordance with Chapter 87A-32(3), HRS.

When Can You Enroll?

Eligible employees may enroll in EUTF plans by filing an EC-1/EC-1H form during regular or limited enrollment periods described in EUTF Administrative Rules. These enrollment periods include the following:

- **Within 45 days of initial hire date or newly eligible date.** A New Hire/Newly Eligible Enrollment Guide for EUTF benefits is available on our website at eutf.hawaii.gov.
- **During the open enrollment period.** Open enrollment information can be found starting on page 16.
- **If you experience a qualifying event.** Please refer to the Common Qualifying Events Additions and Deletions Charts on pages 64-68.

IMPORTANT: After the open enrollment period is completed (or, if you are a new hire, after your initial enrollment election period is over), generally you will not be allowed to change your benefit elections or add/delete dependents until next year's open enrollment, unless you have a Special Enrollment Event or a qualifying event. See Common Qualifying Events Additions and Deletions on pages 64-68.

End of Coverage

Common situations resulting in loss of coverage for you and your dependents include:

- Required premium payments are not made
- Death, subject to exceptions
- Noncompliance with the EUTF Administrative Rules
- Filing of fraudulent claims
- Dependent reaches the limiting age, or divorce
- Surviving spouse, DP, or CUP remarries or enters into another partnership

IMPORTANT: If any of your dependents are no longer eligible due to a divorce, legal separation, reaching the limiting age, or losing full-time student status (for dental and vision), they cannot continue coverage under EUTF plans (except under available COBRA continuation coverage). You are required to notify the EUTF and make these terminations when these events occur. Do not wait for open enrollment to submit terminations.

Effective Dates of Coverage for New Hires and Newly Eligible Employees

You have three choices of when you would like your coverage to begin:

1. Your date of hire or date you become newly eligible for EUTF benefits
2. First day of the first pay period from your date of hire or date you become newly eligible for EUTF benefits (the 1st or the 16th of the month)
3. First day of second pay period from your date of hire or date you become newly eligible for EUTF benefits (the 1st or the 16th of the month)

For example, if the date of hire or date you became newly eligible is January 3, 2021:

- Option 1 effective date of coverage: January 3, 2021
- Option 2 effective date of coverage: January 16, 2021
- Option 3 effective date of coverage: February 1, 2021

Although your coverage begins on the date you select, your enrollment may not be processed right away. Therefore, if you need to fill a prescription or go to the doctor prior to receiving your ID cards, you should email EUTF at eutf@hawaii.gov. In the email subject line type “URGENT – Confirmation of coverage needed.” EUTF checks this email daily and will contact the carrier to rush your enrollment after it receives the EC-1 or EC-1H from your employer.

If you are a **newly hired employee or enrolling in benefits for the first time**, your pay period deduction amounts may be **doubled** for at least one (1) to two (2) pay periods to accommodate for processing time and the payroll lag. If applicable, you will receive a separate notice, EUTF Health Insurance Premium Deduction Notice, to inform you of the additional premiums to be collected and the pay periods that will be adjusted.

Transfer of Employment

If you terminate employment and are rehired by the same public employer within the same pay period or the next consecutive pay period, you are considered as having transferred employment and shall be treated as if continuously enrolled in the EUTF benefit plans. If you terminate employment and are rehired by a different public employer (e.g., State to County) within the same pay period or the next consecutive pay period, you are allowed to change between plans, including adding or deleting dependents and changing coverage tiers.

For purposes of this section only, the different public employers are: (1) State, including executive, legislative, and judicial branches, Department of Education, University of Hawaii, Hawaii Health Systems Corporation, Office of Hawaiian Affairs, and all charter schools; (2) City and County of Honolulu; (3) County of Hawaii; (4) County of Kauai; and (5) County of Maui.

Effective Date of Termination

In general, when an event causes you or your dependent's coverage to terminate, such termination will be effective on the first day of the first pay period following the occurrence of the event, e.g., divorce, end of domestic or civil union partnership, death, surviving spouse/partner remarries, or child ceases to be eligible for coverage. There may be certain instances in which the effective date of termination is different, e.g., on the last day of the month in which a dependent reaches the limiting age. You may obtain additional information by referring to the EUTF Administrative Rules on the EUTF website at eutf.hawaii.gov.

Rejection of Enrollment

Enrollment in EUTF benefit plans is contingent on meeting eligibility criteria detailed in the EUTF Administrative Rules. Enrollment applications may be rejected if incomplete. An enrollment application shall be rejected if:

- The application seeks to enroll a person who is not eligible to enroll in the benefit plan for which enrollment is requested;
- The application is not filed within the time limitations prescribed by the EUTF Administrative Rules (see Common Qualifying Events Additions/Deletions on pages 64–68);
- The application contains an intentional misstatement or misrepresentation of a material fact or contains other information of a fraudulent nature;
- The employee-beneficiary owes past-due contributions or other amounts to the EUTF; or
- Acceptance of the application would violate applicable federal or State law or any other provision of the rules.

Employee-beneficiaries will be notified by mail of the rejection of their enrollment application.

Authorized Leave of Absence Without Pay (LWOP) and Other Contribution Shortages

If you are going on an authorized leave without pay (LWOP) lasting more than 30 days, an L-1 Authorized Leave of Absence Without Pay form must be completed by your personnel office. Employee health plan options include:

- **Cancelling EUTF Coverage.** You may cancel your EUTF coverage by submitting an EC-1/EC-1H form within 45 days of the beginning of an LWOP. Employees may reenroll in the same benefit plans upon return from an LWOP by submitting an EC-1/EC-1H form within 45 days of your return from an LWOP.
- **Continuing EUTF Coverage.** You may continue coverage while on an LWOP by submitting premium payments directly to the EUTF. Employees may submit payment to the EUTF using personal check, cashier's check, or money order. Premiums can also be paid electronically through automatic deductions from the employee's checking account, savings account, credit card, or with an electronic check. Information on electronic premium payment options can be found on our website at eutf.hawaii.gov.

-
- If any employee on an LWOP fails to cancel EUTF plans by submitting an EC-1/EC-1H form or fails to continue coverage by making payments to the EUTF, he or she will be cancelled for nonpayment from all plans (except for the EUTF life insurance plan) and will not be able to reenroll until the next open enrollment period.

If at any time the EUTF fails to receive an employee-beneficiary's premium deduction or receives only a partial deduction from his/her payroll, he/she will receive a Contribution Shortage Reminder Notice from the EUTF.

If the employee-beneficiary fails to pay the premium shortage by the date specified in the Contribution Shortage Reminder Notice, his/her plans will be cancelled retroactive to the date of the last paid premium. Reinstatement of the terminated employee-beneficiary and their dependent's health benefit coverage which was cancelled for nonpayment, will be allowed if, within 60 days from the date of the notice of cancellation, payment is made in full of past and currently due premiums. To be eligible for reinstatement, the terminated member must not have been terminated for nonpayment of premiums within 12 months from the date of the notice of cancellation. Otherwise, employees may only re-enroll during the next open enrollment or qualifying event occurring within the next plan year.

Address Changes

Employees are responsible for reporting address changes to the EUTF as soon as possible. Address changes may be submitted by completing the Employee Address Change Form available on our website at eutf.hawaii.gov. Submit your Employee Address Change Form to your Departmental Human Resources Office, County Personnel Office, or enrollment designee. DOE employees must submit address change forms to the DOE-EBU office. Once the Employee Address Change Form is received, the EUTF will notify the health carriers of your new address. Be advised that all address changes must go through the EUTF, as health plan carriers are not able to make changes.

Future Retirees

Applying for Your Retirement Benefits

Employees who wish to file for retirement must do so with the Employees' Retirement System (ERS). After filing for retirement with ERS, employees need to submit the following documents to the EUTF in order to obtain retiree health and life insurance benefits:

- ERS Retirement Estimate Letter
- EC-2 Enrollment Form (due within 60 days of retirement date)
- If you must pay a portion of your retiree health premiums, a completed ERS Pension Deduction Authorization Agreement or ACH Authorization Deduction Agreement

If you, your spouse/partner, or any child dependents enroll in the EUTF retiree medical and/or prescription drug plans and are eligible for Medicare (age 65+ or qualified disabled), you must also submit:

- Copy of your and/or your dependent's Medicare card (indicating enrollment in Medicare Part B)
- Direct Deposit Agreement Form
- Social Security Administration or Centers for Medicare & Medicaid Services letter for you and/or your spouse/partner indicating the Medicare Part B premium amount

Additional resources, including a Pre-Retirement Checklist, Medicare Checklist, and required EUTF forms are available on our website at eutf.hawaii.gov. The EUTF also conducts Pre-Retirement workshops and webinars. Please visit our website for more information on upcoming workshops and how to attend.

Enrollment or Changes in Enrollment Upon Retirement

An employee-beneficiary may enroll or change coverages in the health benefit plans offered or sponsored by the EUTF and obtain coverage for eligible dependent-beneficiaries when they become a retired member of the ERS as defined in 87A-1HRS. The effective date of the coverage shall be the first of the month on or after the employee-beneficiary's date of retirement, provided a completed EC-2 enrollment application is received by the EUTF within sixty (60) days of retirement or within sixty (60) days of certification from the ERS of a disability retirement. Retired employee-beneficiaries are eligible to enroll in EUTF benefit plans during the next open enrollment period for enrollment applications received more than sixty (60) days after the date of retirement.

Portability of Annual Maximums and Annual Limits Between Active and Retiree Plans

If you are thinking about retirement during the upcoming plan year, you should consider plan annual maximums and annual limits for medical, dental, vision, and prescription drug benefits. Retiree prescription drug plans have an annual maximum for specialty drugs only. **Benefits that are paid under the active employee plans are counted against the maximums and limitations of the retiree plans of the same carrier if they occur within the same calendar year.**

Medical Maximum Out-of-Pocket Example

Jane is an active employee in the EUTF HMSA 90/10 PPO Plan. On July 1, 2021, Jane meets her \$2,000 calendar-year maximum out-of-pocket under the plan. She incurs additional medical expenses of \$100 in August 2021, which are paid at 100% since her maximum out-of-pocket was satisfied. Jane retires on September 1, 2021, and enrolls in the EUTF HMSA Non-Medicare Retiree PPO plan. She proceeds to have additional medical services totaling \$1,000 before the end of 2021. As an active employee, Jane's maximum out-of-pocket was \$2,000 per calendar year, but as a retiree, her maximum out-of-pocket is \$2,500 per calendar year. Therefore, instead of 100% coverage for the additional \$1,000 of medical expenses, Jane is responsible for 10% of those expenses, because she has not met the \$2,500 maximum out-of-pocket under her retiree plan.

Medical Deductible Example

On January 1, 2021, Jill was an active employee enrolled in the EUTF HMSA 90/10 PPO Plan. She met her individual out-of-network deductible of \$100 in May 2021. Jill retires on June 1, 2021, and enrolls in the EUTF HMSA Retiree PPO plan. The \$100 deductible she met under the active employee plan will apply to the retiree plan since it falls within the same calendar year. Jill will not be subject to an additional deductible under the retiree plan in 2021.

Medicare

Medicare is the federal health insurance program for people who are age 65 or older, certain younger people with disabilities, and people with end stage renal disease (permanent kidney failure requiring dialysis or kidney transplant).

Medicare has four parts:

- Medicare Part A (Hospital Insurance)
- Medicare Part B (Medical Insurance)
- Medicare Part C (Medicare Advantage)
- Medicare Part D (Prescription Drug)

Medicare Part B Enrollment for Medicare-Eligible Employees Considering Retirement

The HRS 87A-23(4) requires that State and County retirees and their eligible dependents who are enrolled in EUTF retiree medical and/or prescription drug plans, enroll in Medicare Part B when they become eligible. Active employees considering retirement who are eligible for Medicare should enroll in Medicare Part B prior to retirement in order to participate in EUTF retiree medical and/or prescription drug plans. If you do not provide proof of Medicare Part B enrollment to the EUTF within 60 days of becoming eligible or enrolling into an EUTF retiree medical and/or prescription drug plan, your and/or your dependent's EUTF retiree medical and/or prescription drug plans will be cancelled or may not become effective until the Medicare Part B coverage becomes effective. Please note that your spouse/partner must be enrolled in Medicare Part B when eligible in order to be covered under the EUTF retiree medical and/or prescription drug plan regardless of whether they are retired or actively working.

Employees should begin the Medicare Part B enrollment process at least 45 days prior to retirement by contacting the Social Security Administration at **1-800-772-1213**. For more information regarding Medicare, employees should contact Medicare directly at **1-800-633-4227**.

Medicare Part B Premium Reimbursement

As a retiree, you and your eligible spouse/partner qualify for reimbursement of your Medicare Part B premiums, provided you are paying for your Medicare Part B premium and it is not being paid by another entity such as the Medicare Savings Program or Medicaid. In order to receive reimbursement, you must provide the EUTF with proof of your Medicare Part B enrollment, a copy of the letter from the Social Security Administration showing the Medicare Part B premium that you pay, and a completed Medicare Part B Reimbursement Direct Deposit Agreement Form (available on the EUTF website at eutf.hawaii.gov/eutf-forms). If you are paying above the Medicare standard amount, you must notify the EUTF of the amount you are paying (minus any penalties) every year in order to receive full reimbursement.

Note: If you or your dependent is currently Medicare-eligible and not covered under an EUTF retiree medical and/or prescription drug plan, EUTF does **not** require you or your dependent to enroll in Medicare.

How to Enroll in Medicare

Enrollment in Medicare is done through the Social Security Administration:

- By phone at **1-800-772-1213**
- Online at **ssa.gov**
- In person at the Social Security Administration office

Medicare Enrollment Periods

- **Initial Enrollment Period.** Individuals eligible for Medicare due to age may enroll as early as three months prior to their 65th birthday, the month they turn 65, or three months after their 65th birthday (seven-month period). This seven-month period is called the Initial Enrollment Period (IEP). Individuals who are collecting Social Security at the time they reach age 65 will usually be enrolled into Medicare Part A and B automatically.
- **Special Enrollment Period.** Individuals covered under an active employer group plan may enroll in Medicare after the Initial Enrollment Period under a Special Enrollment Period (SEP) at any time while covered by the employer group plan. They may also enroll in the eight-month period beginning the month after employment ends or the employer group coverage ends.
- **General Enrollment Period.** This enrollment period occurs annually from January 1 to March 31 with Medicare coverage effective July 1. Individuals who miss their Initial Enrollment Period or Special Enrollment Period may enroll during the General Enrollment Period (GEP).

More information on Medicare and details on enrollment is available online at **medicare.gov**.

Attention: Medicare-Eligible Members

If you (and/or your dependents) have Medicare or will become eligible for Medicare in the next 12 months, a federal law gives you additional choices for prescription drug coverage through Medicare Part D. However, the EUTF active employee prescription drug plans offer benefits that are as good, or better, than the standard Medicare Part D plan coverage; therefore, you do not have to enroll in a Medicare Part D plan until you retire. For more information, a Notice of Creditable Coverage appears on page 81. The Notice of Creditable Coverage is also available at the EUTF website at **eutf.hawaii.gov**.

Important Notices

This section contains important employee benefit program notices of interest to you and your family. Please share this information with your family members. Some of the notices in this document are required by law, and other notices contain helpful information. These notices are updated from time to time, and some of the federal notices are updated each year.

All of the following required notices are available for viewing at EUTF's website at eutf.hawaii.gov. If you wish to have hard copies of any of the following notices, send EUTF an email at eutf@hawaii.gov. Indicate which notice(s) you want to receive, and include your name and mailing address. Or you may call our Member Services Branch at **1-808-586-7390** or toll-free at **1-800-295-0089**. All requested notices will be mailed to you free of charge.

IMPORTANT REMINDER TO PROVIDE THE PLAN WITH THE TAXPAYER IDENTIFICATION NUMBER (TIN) OR SOCIAL SECURITY NUMBER (SSN) OF EACH ENROLLEE IN A HEALTH PLAN

Employers are required by law to collect the taxpayer identification number (TIN) or Social Security number (SSN) of each medical plan participant and provide that number on reports that will be provided to the IRS each year. Employers are required to make at least two consecutive attempts to gather missing TINs/SSNs.

If a dependent does not yet have a Social Security number, you can go to this website to complete a form to request an SSN: socialsecurity.gov/online/ss-5.pdf. Applying for a Social Security number is FREE.

If you have not yet provided the Social Security number (or other TIN) for each of your dependents that you have enrolled in the health plan, please contact the EUTF Office at **1-808-586-7390** or toll-free at **1-800-295-0089**.

WOMEN'S HEALTH AND CANCER RIGHTS ACT OF 1998 (WHCRA) ANNUAL NOTICE REMINDER

You or your dependents may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same plan limits, deductibles, copayments, and coinsurance applicable to other medical and surgical benefits provided under the plan. For more information on WHCRA benefits, contact HMSA or Kaiser Permanente.

PRIVACY NOTICE REMINDER

The Health Insurance Portability and Accountability Act (HIPAA) of 1996 requires health plans to comply with privacy rules. These rules are intended to protect your personal health information from being inappropriately used and disclosed. The rules also give you additional rights concerning control of your own health care information.

This plan's HIPAA Privacy Notice explains how the group health plan uses and discloses your personal health information. You are provided a copy of this notice when you enroll in the plan. You can get another copy of this notice from our Member Services Branch at **1-808-586-7390** or toll-free at **1-800-295-0089**. The Privacy Notice is also available on the plan's website at eutf.hawaii.gov.

PATIENT PROTECTION RIGHTS OF THE AFFORDABLE CARE ACT

Designation of a Primary Care Provider (PCP)

The Kaiser Permanente HMO medical plan generally requires the designation of a primary care provider (PCP). You have the right to designate any primary care provider who participates in the network and who is available to accept you or your family members. For children, you may designate a pediatrician as the primary care provider. For information on how to select a primary care provider and for a list of the participating primary care providers, contact the medical plan at the phone number on your ID card.

Direct Access to OB/GYN Providers

You do not need prior authorization (preapproval) from your medical plan or from any other person (including a primary care provider) in order to obtain access to obstetrical or gynecological (OB/GYN) care from an in-network health care professional who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a preapproved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, contact your medical plan at the phone number on your ID card.

SPECIAL EXTENSION OF COVERAGE FOR A STUDENT ON A MEDICALLY NECESSARY LEAVE OF ABSENCE

If the plan receives a written certification from a covered child's treating physician that:

1. The child is suffering from a serious illness or injury, and
2. A leave of absence (or other change in enrollment) from a postsecondary institution is medically necessary, and the loss of postsecondary student status would result in a loss of health coverage under the plan, then

the plan will extend the child's coverage for up to one year.

This maximum one-year extension of coverage begins on the first day of the medically necessary leave of absence (or other change in enrollment) and ends on the date that is the earlier of (1) one year later or (2) the date on which coverage would otherwise terminate under the terms of the plan. Contact the EUTF Office at **1-808-586-7390** or toll-free at **1-800-295-0089** for more information.

NOTICE REGARDING THE WELLNESS PROGRAM

The wellness programs are voluntary wellness programs available to participants enrolled in the group health plan and are designed to promote health or prevent disease. The programs are administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others.

If you choose to participate in the wellness program, you will be asked to complete a voluntary health risk assessment (HRA) that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). You are not required to complete the HRA questionnaire, participate in medical examinations, or to work with a health coach.

The information from your HRA questionnaire will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through the wellness program, such as health coaching. You also are encouraged to share your results or concerns with your own doctor.

Protections From Disclosure of Medical Information

Our group health plan is required by law to maintain the privacy and security of your personally identifiable health information.

Information collected from wellness program participants will only be received by EUTF in aggregate form. Although the wellness program and your employer may use aggregate information it collects to design a program based on identified health risks in the workplace, our group health plan will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the wellness program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the wellness program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the wellness program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the wellness program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the wellness program will abide by the same confidentiality requirements. The only individual(s) who will receive your personally identifiable health information is a health coach in order to provide you with services under the wellness program.

In addition, all medical information obtained through the wellness program will be maintained separately from your personnel records, and no information you provide as part of the wellness program will be used in making any employment decision.

Appropriate precautions will be taken by the group health plan to avoid any data breach, and in the event a HIPAA data breach occurs involving information you provide in connection with the wellness program, we will notify you immediately.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the wellness program, nor may you be subjected to retaliation if you choose not to participate. If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact the EUTF Office at **1-808-586-7390** or toll-free at **1-800-295-0089**.

Premium Assistance Under Medicaid and the Children's Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you're eligible for health coverage from your employer, your state may have a premium assistance program that can help pay for coverage, using funds from their Medicaid or CHIP programs. If you or your children aren't eligible for Medicaid or CHIP, you won't be eligible for these premium assistance programs but you may be able to buy individual insurance coverage through the Health Insurance Marketplace. For more information, visit www.healthcare.gov.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or www.insurekidsnow.gov to find out how to apply. If you qualify, ask your state if it has a program that might help you pay the premiums for an employer-sponsored plan.

If you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must allow you to enroll in your employer plan if you aren't already enrolled. This is called a "special enrollment" opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, contact the Department of Labor at www.askebsa.dol.gov or call **1-866-444-EBSA (3272)**.

If you live in one of the following states, you may be eligible for assistance paying your employer health plan premiums. The following list of states is current as of July 31, 2020. Contact your State for more information on eligibility –

Important Notice From the Hawaii Employer-Union Health Benefits Trust Fund (EUTF) About Prescription Drug Coverage for People With Medicare

This notice is for people who may become eligible for Medicare during the next 12 months.

Please read this notice carefully, and keep it where you can find it.

This Notice has information about your current prescription drug coverage with the HMSA and Kaiser Permanente medical plans and the prescription drug coverage available for people with Medicare. It also explains the options you have under Medicare's prescription drug coverage and can help you decide whether or not you want to enroll in that Medicare prescription drug coverage. At the end of this notice is information on where you can get help to make a decision about Medicare's prescription drug coverage.

- **If you and/or your family members are not now eligible for Medicare and will not be eligible during the next 12 months, you may disregard this notice.**
- **If, however, you and/or your family members are now eligible for Medicare or may become eligible for Medicare in the next 12 months, you should read this notice very carefully and keep a copy of this notice.**

This announcement is required by law, whether the group health plan's coverage is primary or secondary to Medicare. Because it is not possible for our plan to always know when a plan participant or their eligible spouse or children have Medicare coverage or will soon become eligible for Medicare, we have decided to provide this notice to all plan participants.

Prescription drug coverage for Medicare-eligible people is available through Medicare prescription drug plans (PDPs) and Medicare Advantage Plans (like an HMO or PPO) that offer prescription drug coverage. All Medicare prescription drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more drug coverage for a higher monthly premium.

EUTF has determined that the prescription drug coverage is creditable under the following prescription drug plan options:

- HMSA 75/25 PPO Plan (as administered by CVS Caremark)
- HMSA 80/20 PPO Plan (as administered by CVS Caremark)
- HMSA 90/10 PPO Plan (as administered by CVS Caremark)
- HMSA HMO Plan (as administered by CVS Caremark)
- HSTA VB HMSA 90/10 PPO Plan (as administered by CVS Caremark)
- HSTA VB HMSA 80/20 PPO Plan (as administered by CVS Caremark)
- Kaiser Permanente HMO plans (as administered by Kaiser)

"Creditable" means that the value of this Plan's prescription drug benefit is, on average for all plan participants, expected to pay out as much as or more than the standard Medicare prescription drug coverage will pay.

Because the plan options noted above are, on average, at least as good as the standard Medicare prescription drug coverage, **you can elect or keep prescription drug coverage under the CVS Caremark-administered drug plans: HMSA 75/25 PPO Plan, HMSA 80/20 PPO Plan, HMSA 90/10 PPO Plan, HMSA HMO Plan, HSTA VB HMSA 90/10 PPO Plan, and HSTA VB HMSA 80/20 PPO Plan, as well as the Kaiser Permanente HMO plans (as administered by Kaiser).** You may enroll in Medicare prescription drug coverage at a later time, and because you maintain creditable coverage, you will not have to pay a higher premium (a late enrollment fee penalty).

REMEMBER TO KEEP THIS NOTICE

If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

WHEN CAN YOU JOIN A MEDICARE DRUG PLAN?

Medicare-eligible people can enroll in a Medicare prescription drug plan at one of the following three (3) times:

- When they first become eligible for Medicare; or
- During Medicare's annual election period (from October 15 through December 7); or
- For beneficiaries leaving employer/union coverage, you may be eligible for a two-month Special Enrollment Period (SEP) in which to sign up for a Medicare prescription drug plan.

When you make your decision whether to enroll in a Medicare prescription drug plan, you should also compare your current prescription drug coverage (including which drugs are covered and at what cost) with the coverage and cost of the plans offering Medicare prescription drug coverage in your area.

YOUR RIGHT TO RECEIVE A NOTICE

You will receive this notice at least every 12 months and at other times in the future, such as if the creditable/non-creditable status of the prescription drug coverage through this plan changes. You may also request a copy of a notice at any time.

WHY CREDITABLE COVERAGE IS IMPORTANT (WHEN YOU WILL PAY A HIGHER PREMIUM (PENALTY) TO JOIN A MEDICARE DRUG PLAN)

If you do not have creditable prescription drug coverage when you are first eligible to enroll in a Medicare prescription drug plan and you elect or continue prescription drug coverage under a **non-creditable** prescription drug plan, then at a later date when you decide to elect Medicare prescription drug coverage, you may pay a higher premium (a penalty) for that Medicare prescription drug coverage for as long as you have that Medicare coverage.

Maintaining creditable prescription drug coverage will help you avoid **Medicare's late enrollment penalty**. This **late enrollment penalty** is described below:

If you go 63 continuous days or longer without creditable prescription drug coverage (meaning drug coverage that is at least as good as Medicare's prescription drug

coverage), your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have either Medicare prescription drug coverage or coverage under a creditable prescription drug plan. You may have to pay this higher premium (the penalty) as long as you have Medicare prescription drug coverage.

For example, if 19 months pass where you do not have creditable prescription drug coverage, when you decide to join Medicare's drug coverage, your monthly premium will always be at least 19% higher than the Medicare base beneficiary premium. Additionally, if you go 63 days or longer without prescription drug coverage, you may also have to wait until the next Medicare open enrollment period to enroll for Medicare prescription drug coverage.

WHAT ARE MY CHOICES?

You can choose any one of the following options:

Your Choices	What You Can Do	What This Option Means to You
Option 1	You can select or keep your current medical and prescription drug coverage under the CVS Caremark administered drug plans: HMSA 75/25 PPO Plan, HMSA 80/20 PPO Plan, HMSA 90/10 PPO Plan, HMSA HMO Plan, HSTA VB HMSA 90/10 PPO Plan, and HSTA VB HMSA 80/20 PPO Plan, as well as the Kaiser Permanente HMO plans (as administered by Kaiser Permanente), and you do not have to enroll in a Medicare prescription drug plan.	<p>You will continue to be able to use your prescription drug benefits through the CVS Caremark administered drug plans: HMSA 75/25 PPO Plan, HMSA 80/20 PPO Plan, HMSA 90/10 PPO Plan, HMSA HMO Plan, HSTA VB HMSA 90/10 PPO Plan, and HSTA VB HMSA 80/20 PPO Plan, as well as the Kaiser Permanente HMO plans (as administered by Kaiser).</p> <ul style="list-style-type: none"> • You may, in the future, enroll in a Medicare prescription drug plan during Medicare's annual enrollment period (October 15 through December 7 of each year). • As long as you are enrolled in creditable drug coverage, you will not have to pay a higher premium (a late enrollment fee) to Medicare when you do choose, at a later date, to sign up for a Medicare prescription drug plan.
Option 2	<p>You can select or keep your current medical and prescription drug coverage with the CVS Caremark administered drug plans: HMSA 75/25 PPO Plan, HMSA 80/20 PPO Plan, HMSA 90/10 PPO Plan, HMSA HMO Plan, HSTA VB HMSA 90/10 PPO Plan, and HSTA VB HMSA 80/20 PPO Plan, as well as the Kaiser Permanente HMO plans (as administered by Kaiser Permanente) and also enroll in a Medicare prescription drug plan.</p> <p>If you enroll in a Medicare prescription drug plan, you will need to pay the Medicare Part D premium, if applicable, out of your own pocket.</p>	<p>Your current coverage pays for other health expenses in addition to prescription drugs.</p> <p>If you enroll in a Medicare prescription drug plan, you and your eligible dependents will still be eligible to receive all your current health and prescription drug benefits. Having dual prescription drug coverage under this plan and Medicare means that this plan will coordinate its drug payments with Medicare, as follows:</p> <ul style="list-style-type: none"> • For Medicare-eligible retirees and their Medicare-eligible dependents, Medicare Part D coverage pays primary, and the group health plan pays secondary. • For Medicare-eligible active employees and their Medicare-eligible dependents, the group health plan pays primary, and Medicare Part D coverage pays secondary. <p>Note that you may not drop just the prescription drug coverage under the CVS Caremark administered drug plans: HMSA 75/25 PPO Plan, HMSA 80/20 PPO Plan, HMSA 90/10 PPO Plan, HMSA HMO Plan, HSTA VB HMSA 90/10 PPO Plan, and HSTA VB HMSA 80/20 PPO Plan, as well as the Kaiser Permanente HMO plans (as administered by Kaiser Permanente). That is because prescription drug coverage is part of the entire medical plan. Generally, you may only drop medical plan coverage at this plan's next open enrollment period.</p> <p>Note that each Medicare prescription drug plan (PDP) may differ. Compare coverage, such as:</p> <ul style="list-style-type: none"> • PDPs may have different premium amounts; • PDPs cover different brand-name drugs at different costs to you; • PDPs may have different prescription drug deductibles and different drug copayments; • PDPs may have different networks for retail pharmacies and mail-order services.

Administrative Appeals

Under EUTF Administrative Rule 2.04, a person aggrieved by one of the following eligibility decisions by the EUTF may appeal to the EUTF Board of Trustees (Board) for relief from that decision:

1. A determination that the person is not an employee-beneficiary, dependent-beneficiary, or qualified beneficiary, or that the person is not eligible to enroll in or be covered by a benefit plan offered or sponsored by the EUTF;
2. A determination that the person cannot make a change in enrollment, a change in coverage, or a change in plans;
3. A cancellation or termination of the person's enrollment in or coverage by a benefit plan, including long-term care, offered or sponsored by the EUTF; or
4. A refusal to reinstate the person's enrollment in or coverage by a benefit plan, including long-term care, offered or sponsored by the EUTF.
5. In addition to the appeal rights outlined in this section, an aggrieved person may have a right to file an external appeal if denial is due to a rescission of coverage (retroactive elimination of coverage), regardless of whether the rescission has any effect on any particular benefit at that time. Contact EUTF for a full description of any external review rights.

The first step in the appeal process is an appeal to the EUTF administrator. In order to appeal to the administrator for relief, an aggrieved person must file a written appeal in the EUTF's office within one hundred eighty (180) days of the date of the adverse decision with respect to which relief is requested. The written appeal shall be filed in duplicate. Unless otherwise provided by applicable federal or state law, neither the EUTF administrator nor the Board shall be required to hear any appeal that is filed after the one-hundred-eighty-day (180-day) period has expired. The written appeal need not be in any particular form but should contain the following information:

1. The aggrieved person's name, address, and telephone number;
2. A description of the decision with respect to which relief is requested, including the date of the decision;
3. A statement of the relevant and material facts; and
4. A statement as to why the aggrieved person is appealing the decision, including the reasons that support the aggrieved person's position or contentions.

If the aggrieved person is dissatisfied with the administrator's action, or if no action is taken by the administrator on the aggrieved person's written appeal within thirty (30) days of its being filed in the EUTF's office, the second step in the appeal process is for the aggrieved person to file a written appeal to the Board. A written appeal to the Board must be filed in duplicate in the EUTF's office within ninety (90) days of the administrator's actions. If no action is taken by the administrator within thirty (30) days of the written appeal to the administrator being filed in the EUTF's office, then the written appeal to the Board must be filed in duplicate in the EUTF's office within one hundred twenty (120) days of the written appeal to the administrator being filed in the EUTF's office.

The written appeal need not be in any particular form but shall contain the following information:

1. The aggrieved person's name, address, and telephone number;
2. A statement of the nature of the aggrieved person's interest, e.g., employee-beneficiary or dependent-beneficiary;
3. A description of the decision with respect to which relief is requested, including the date of the decision;
4. A complete statement of the relevant and material facts;
5. A statement of why the aggrieved person is appealing the decision, including a complete statement of the position or contentions of the aggrieved party; and
6. A full discussion of the reasons, including any legal authorities, in support of the aggrieved party's position or contentions.

Subject to applicable federal and State law, the Board may reject any appeal that does not contain the foregoing information.

The Board at any time may request the aggrieved person or any other party to the proceeding to submit a statement of additional facts or a memorandum, the purpose of which is to clarify the party's position or a specific factual or legal issue.

The Board shall grant or deny the appeal within forty-five (45) days of the date of the postmark of the request for appeal. The Board shall not be required to hold a hearing on any appeal unless otherwise required by applicable federal or State law. If required to hold a hearing, or if it decides to voluntarily hold a hearing on an appeal, subject to applicable federal or State law, the Board may set such hearing before the Board, a special or standing committee of the Board, a hearings officer, or any other person or entity authorized by the Board to hear the matter in question. Nothing in the EUTF Administrative Rules shall require the Board to hear or decide any matter that can be lawfully delegated to another person or entity for a hearing and decision.

At any time, an aggrieved person may voluntarily waive his or her rights to the administrative appeal provided by the EUTF Administrative Rules by submitting such a waiver in writing to the EUTF's office. The Board may require the aggrieved person to make such a waiver by signing a form prescribed by it.

For emergency appeals of eligibility, please refer to the EUTF Administrative Rule 2.05 for information on this appeal process.

For Claim Filing and Appeals Information for Self-Insured Plan Administered Benefits, please refer to the EUTF Administrative Rule 2.06 for information on this appeal process.

III. Plan Selection

Mark all plans you wish to be enrolled in. You can choose one medical/prescription drug plan, one dental plan, and one vision plan. EMPLOYEE SIGNATURE

I am eligible for the coverage requested and declare that the individuals listed on this enrollment form are also eligible. I understand that the benefit elections made on this application are in effect as long as I continue to meet EUTF's eligibility requirements, or until I elect to change them subject to the provisions of EUTF's plan rules. I understand that if I waive coverage for myself or my dependents that I/they cannot enroll for benefits in EUTF's Plan unless eligible at the next Open Enrollment period or earlier, if there is a mid-year Special Enrollment event such as loss of other coverage, marriage, birth or adoption. I have read the benefit materials, understand the limitations and qualifications of the EUTF benefits program and agree to abide by the terms and conditions of the benefit plans elected. I authorize my employer or finance officer to make the pre-tax or after tax deductions, adjustments or cancellations from my salary, wages, or other compensation for the monthly employee contribution in accordance with applicable laws, rules and regulations.

A person who knowingly makes a false statement in connection with an application for any benefit may be subject to imprisonment and fines. Additionally, knowingly making a false statement may subject a person to termination of enrollment, denial of future enrollment, or civil damages. I agree to immediately notify the Fund in writing of any changes that would result in the loss or change of eligibility of my or any of my dependent-beneficiary's benefits. I understand that the Fund reserves the right to terminate benefits and to seek recovery of any overpayment of benefits resulting from my failure to provide written notice within forty-five (45) days of the event that caused the change or ineligibility. EUTF retains the right to terminate coverage in the event of non-payment, if payment is applicable. This form supersedes all forms and submissions previously made for EUTF coverage. I hereby declare that the above statements are true to the best of my knowledge and belief, and I understand that I am subject to penalties for perjury.
