WHY DO I NEED AN ADVANCE HEALTH CARE DIRECTIVE?

Medical technology has given us many new options for sustaining life. This makes it important for you to discuss what kind of care you want before serious illness or accident occurs. Everyone over the age of 18 should have one.

Now is the time to talk about these important issues while you can still make your own decisions and have time to talk about them with others.

If you don't have an Advance Health Care Directive, (commonly known as 'Advance Directive'), and even one person interested in your care disagrees, your doctor may not honor your wishes for end-of-life care.

The Advance Directive takes the place of the former living will document and gives you more options. Review your existing forms and make sure your Advance Directive reflects your current wishes.

WHAT DO I PUT IN MY ADVANCE DIRECTIVE?

THE PERSON OR "AGENT" YOU WANT TO MAKE DECISIONS FOR YOU WHEN YOU CANNOT.

You should identify someone you trust to act as your agent as well as an alternate. This person does not have to be an attorney. Unless you limit this person's authority, this person has the right to accept or refuse any kind of medical care and testing, discharge or select doctors, and see all medical records.

THE KIND OF HEALTH TREATMENT YOU WANT OR DON'T WANT.

You can say whether or not you want to be kept alive by machines that breathe for you or be fed by a tube even if there is no hope you will get better.

YOUR WISHES FOR COMFORT CARE.

You can indicate whether you want medicine for pain or where you want to spend your last days. You can also give spiritual, ethical, and religious instructions.

HOW CAN I ENSURE MY ADVANCE DIRECTIVE IS HONORED?

Share copies and talk with your agent, loved ones, family, and others who will be involved in your care. Discuss it with all your doctors and ask all of them to insert your Advance Directive into your medical records. This document and resources in other languages, such as Advance Directives or POLST, are available from your healthcare provider, doctor, or health insurance company or on the Kōkua Mau website at www.kokuamau.org/languages.

Select one or more persons to be your agent and make health care decisions if you are unable. The person you appoint can be a spouse, adult child, friend, or any other trusted person. Both must be people you know. They cannot be health care providers, employees of a health care facility, or the person you choose as an agent. One person cannot be related to you or have inheritance rights.
