RETIREE HEALTH BENEFITS HIGHLIGHTS GUIDE

(EUTF and HSTA VB)

Aloha Retirees,

We are pleased to present the *2022 Retiree Health Benefits Highlights Guide*. This Highlights Guide provides key information about the health benefit plans available to you for calendar year January 1, 2022, through December 31, 2022. In the past, we distributed a full *Retiree Health Benefits Reference Guide* but have moved some of the detailed (and unchanged) information to our website for you to refer to at your convenience.

The open enrollment period is your annual opportunity to make any changes to your enrollment in our health benefit plans. **This year's open enrollment runs from October 15-29, 2021.** Any changes made during open enrollment will take effect on January 1, 2022.

Our goal is to provide you with quality health benefit plans, which you earned through the dedication and hard work you provided as a State or County employee. The information contained in this *Highlights Guide* is designed to help you make the benefit choices that best meet your needs for the coming year. Our EUTF website has additional tools and resources to help you make the best use of your benefits throughout the year.

Please be sure to visit the EUTF website at

eutf.hawaii.gov for updated news and resources.

If you need any assistance, you can reach our helpful staff at **1-808-586-7390**, or toll-free at **1-800-295-0089**.

Mandatory Medicare Part B Enrollment

All Medicare-Eligible Retirees and Covered Dependents

The Hawaii Revised Statutes 87A-23(4) requires that State and County retirees and their eligible dependents, who are enrolled in EUTF retiree medical and/or prescription drug benefit plans, be enrolled in Medicare Part B when they become eligible. Active employees considering retirement who are eligible for Medicare should enroll in Medicare Part B prior to retirement to ensure that their Medicare Part B coverage is effective on the date of their retirement in order to participate in any EUTF retiree medical and/or prescription drug plans.

Proof of Medicare Part B Enrollment

If you do not provide proof of Medicare Part B enrollment to the EUTF within 60 days of becoming eligible for or enrolling into an EUTF retiree medical and/or prescription drug plan, your and/or your dependent's EUTF retiree medical and/or prescription drug plans **will be cancelled**. Please note that your Medicare-eligible dependents must be enrolled in Medicare Part B in order to be covered under the EUTF retiree medical and/or prescription drug plan, regardless of whether they themselves are retired or actively working.

Required Documents

If you and/or your dependents are Medicare eligible (generally, are age 65 or older, qualified disabled, or have end-stage renal disease) and are covered under EUTF retiree medical and/or prescription drug plans, you must submit the following to the EUTF:

- Copy of your and/or your dependent's Medicare card (indicating enrollment in Medicare Part B)
- Direct Deposit Agreement Form
- Social Security Administration (SSA) or Centers for Medicare & Medicaid Services (CMS) letter and/or invoice for you and/or your spouse/partner indicating the Medicare Part B premium amount. Medicare retirees that pay a higher income-related monthly adjusted premium must submit a copy of their SSA/CMS letter to the EUTF each year. Reimbursements of the difference between the higher income-related monthly adjusted Medicare Part B premium and the standard Medicare Part B premium is limited to a two-year lookback period. If you are assessed the higher income-related Medicare Part B premium, you will likely be assessed by CMS a Medicare Part D premium, which will not be reimbursed by EUTF.

More information can be found under the Medicare section of the EUTF website (eutf.hawaii.gov/medicare/overview).

MEDICARE NOTICE OF CREDITABLE COVERAGE REMINDER

If you or your eligible dependents are currently Medicare eligible or will become Medicare eligible during the next 12 months, you need to know whether the prescription drug coverage that you elect under the Medical Plan options available to you are or are not creditable with (as valuable as) Medicare’s prescription drug coverage.

To find out whether the prescription drug coverage under the medical plan options offered by the EUTF are creditable or not, you should review the Plan’s Medicare Part D Notice of Creditable Coverage available on page 38.

NOTE: If you are enrolled in SilverScript prescription drug coverage or the Kaiser Permanente Senior Advantage plan, you already have Medicare prescription drug coverage, and this notice does not apply to you.

Your Open Enrollment Checklist

- Know your current coverage.** What plans are you currently enrolled in? And which dependents are you covering? You may contact EUTF at **1-808-586-7390** or toll-free at **1-800-295-0089**, if you need to check on which EUTF or HSTA VB plans you are enrolled in.

- Learn more about the choices available to you.** You have a number of resources to help:
 - **Read this *2022 Retiree Health Benefits Highlights Guide*** for the summaries of your plan options, including what's new or changing for 2022 (see page 5).
 - **Visit the EUTF website at eutf.hawaii.gov** for full details about the plans, including extra programs supporting your health and wellness, tips to help you save on health care costs, and more. It also includes links to the insurance carriers' websites. Questions regarding specific plan provisions should be directed to the carriers (see page 43).
 - **Attend an online Open Enrollment Virtual Fair** to get more details and ask questions of our EUTF Outreach and Training Specialists (see page 7 for the schedule).

- Check your costs.** You can find the monthly premium rates on pages 26–30 of this Highlights Guide. The premium amounts listed show the full cost for each plan.

To determine whether you need to pay a portion of the monthly premiums, you will also need to review the 2022 Base Monthly Contribution (BMC) and employer contribution amounts, which were not available at the time this Guide went to press. Please visit the EUTF website at eutf.hawaii.gov in December for the 2022 Base Monthly Contribution amount to determine the contributions that take effect January 1, 2022.

Dependents No Longer Eligible?

IMPORTANT: If any of your dependents are no longer eligible (e.g., due to a divorce, legal separation, a child no longer being a full-time student or who gets married), they cannot continue to be covered under the EUTF or HSTA VB retiree plans. You are required to notify the EUTF and make these terminations in coverage when these events occur. Do not wait for open enrollment to submit these terminations. If your dependent child is reaching the maximum age covered (24 if they were a full-time student), disenrollment will occur automatically, and an enrollment form is not necessary.

-
- Confirm your dependent coverage.** You may add or remove dependents from your plan, including a spouse/partner or eligible children. Please visit the “EUTF Retiree – Eligibility” webpage (eutf.hawaii.gov/retirees/eutf-retiree/eligibility) for eligibility definitions and information on required supporting documents.

If your dependent is eligible for Medicare, he/she must be enrolled in Medicare Part B to be covered under your EUTF or HSTA VB retiree medical and/or prescription drug plans (see page 2).

- Make a decision about which plans best suit your needs,** and whether you want to keep or change your current coverage.
 - **If you decide to keep your current plans, you don’t need to do anything.** You are not required to complete any forms to keep your current coverage.
 - **If you wish to make any changes,** complete the next step.

- Complete and submit your signed enrollment form and required supporting documents on or before October 29, 2021.**
 - **Make your selections** on the EC-2 form (or EC-2H for those already enrolled in the HSTA VB retiree plans), and ***sign the form***. Dependents (up to two) enrolled in Medicare Part B who are covered under the Humana plan must also sign the EC-2 form.
 - **If you are enrolling in EUTF plans for the first time,** you must submit a copy of your ERS retirement estimate letter and electronic premium deduction form (if responsible for paying for a portion of your or your dependent’s monthly health benefits premium) with your EC-2 form.
 - **Mail your completed enrollment form and required supporting documents** to the EUTF, postmarked no later than October 29, 2021.

NOTE: Forms and required supporting documents postmarked after October 29, 2021, will be rejected.

The EUTF will send you an enrollment confirmation notice after the processing of open enrollment forms is completed.

Health Plan Basics

Medical and Prescription Drug Plans

Since Medicare has a significant impact on our retiree medical and prescription drug plans, EUTF separates retirees into two benefit categories for these plans:

- **Non-Medicare Retirees** – Retirees and their eligible dependents who are not yet eligible for Medicare. State and County employees who retire before becoming Medicare eligible may select non-Medicare medical and prescription drug plan options for themselves and their eligible dependents. See pages 12–13 for these benefit summaries.
- **Medicare Retirees** – Retirees and their eligible dependents who are enrolled in Medicare. Hawaii Revised Statutes 87A and EUTF Administrative Rules require that you enroll in Medicare Part B when eligible in order to enroll in any EUTF or HSTA VB retiree medical and/or prescription drug plan (see page 2). See pages 15–16 for these benefit summaries.

Premiums are based on the Medicare status of the retiree.

Dental, Vision, and Life Insurance Plans

The EUTF and HSTA VB retiree dental, vision, and life insurance plans are the same for both non-Medicare and Medicare retirees. See pages 23–25 for these benefit summaries.

Important Information for Out-of-State Retirees Enrolled in Kaiser Permanente Medical Plans

Act 167, 2006 Session Laws of Hawaii changed the contribution method for health insurance premiums for retirees outside of Hawaii effective July 1, 2007. The EUTF no longer offers group coverage for Kaiser Permanente members residing on the Mainland. However, you may be able to enroll in an individual Kaiser Permanente medical plan of your choice if one is available in your area. The EUTF will reimburse your premiums paid for an individual health insurance policy with Kaiser Permanente.

Your premium reimbursement will be the lesser of:

- The actual cost of the medical and prescription drug plan, or
- The amount of the State or County contribution for the most comparable Kaiser Permanente health plan.

Reimbursements are paid by the EUTF on a quarterly basis upon receipt of documentation that the premiums for an individual health insurance policy have been paid by the retiree-beneficiary and are limited to a two-year lookback period.

Benefit Summaries: Non-Medicare

Retirees who are not yet eligible for Medicare may enroll in non-Medicare retiree medical and prescription drug plan options. The charts on the following pages outline both EUTF and HSTA VB* plan options.

These charts are intended to provide a summary of plan benefits. Certain limitations, restrictions, and exclusions apply to all insurance plans. For complete information on plan benefits, please refer to the *HMSA Guide to Benefits* or the *Kaiser Permanente Hawaii's Guide to Your Health Plan*. You may download them from the EUTF website at eutf.hawaii.gov or request them directly from HMSA or Kaiser Permanente. Plan benefits vary based on the plan selected.

In the case of a discrepancy between the information provided in this Highlights Guide and what is listed in the carrier's benefit summary, the language in the carrier's benefit summary will take precedence.

* HSTA VB plan options were created for HSTA retirees who were enrolled in the HSTA VB retiree plans prior to January 1, 2011. These plans are no longer accepting new enrollees.

** The HSTA VB's Medicare Part D prescription drug plan is administered by SilverScript (SSI), the Medicare Part D administrator for CVS Caremark. This plan is the prescription drug coverage for Medicare retirees enrolled in the HMSA PPO medical plan option.

*** If you receive services from an out-of-network pharmacy, you will pay full price for the prescription and must file a claim for reimbursement. You are responsible for the copayment, including the penalty %, and any difference between the actual charge and the eligible charge.

† The Kaiser Permanente Medicare Part D prescription drug coverage is included under the Kaiser Permanente Senior Advantage medical plan.

Coordination of Benefits for Medicare

When a retiree is covered by more than one health insurance plan, Coordination of Benefits (COB) determines which plan should be the primary and secondary payer for services.

Medicare Secondary Payer

When a retiree has Medicare and another medical insurance plan, Medicare Secondary Payer (MSP) rules are used to determine COB. MSP rules state that in most cases, Medicare will be the primary payer if a Medicare beneficiary is also covered under an employer retirement group health plan. Information about MSP is available online at [Medicare.gov](https://www.medicare.gov).

Medicare Annual Deductible

The Medicare annual deductible is applied for most Medicare Part A and B services and must first be satisfied before Medicare benefits can be applied. Medicare annual deductibles are based on a calendar year and are adjusted annually. Medicare annual deductibles for 2021* are as follows:

- 2021 Medicare Part A Hospital Deductible \$1,484
- 2021 Medicare Part B Medical Deductible \$203

* Medicare annual deductibles for 2022 were not available at the time of print.

Coordination of Benefits (COB)

For retirees with Medicare Part A and B enrolled in the EUTF HMSA 90/10 PPO plan, COB is available when services are received from an HMSA participating provider who also accepts Medicare assignment.

To help coordinate your benefits, please give your providers the information about your Medicare and EUTF plans. COB examples are provided on the following pages. Retirees will be responsible for any non-covered charges such as taxes.

Note: If you are enrolled in the Humana Medicare Advantage PPO plan or Kaiser Permanente Senior Advantage plan, there is no Coordination of Benefits with Medicare.

Reminder: No COB for Humana or Kaiser Permanente

If you are enrolled in the Humana Medicare Advantage PPO plan or Kaiser Permanente Senior Advantage plan, there is no Coordination of Benefits with Medicare.

Example 1: Medicare/HMSA Coordination With Medicare Part B Annual Deductible

Claim #1:

Medicare/HMSA: Member received services from an HMSA participating provider who accepts Medicare assignment. There will be no payment by Medicare, as Medicare will apply \$203.00 toward the annual Medicare Part B deductible. (At this point, the annual Medicare Part B deductible is met.) HMSA will process the office visit claim at 90% of eligible charge and the outpatient diagnostic test claim at 80% of eligible charge. The member owes the 10% balance of the office visit claim and the 20% balance of the outpatient diagnostic claim, plus any non-covered charges such as taxes.

Humana: There is no COB on the Humana plan. All in- and out-of-network claims are submitted to and processed by Humana. Humana will pay the office visit claim at 90% of eligible charge, and the member owes the 10% balance. The outpatient diagnostic test claim is subject to a \$100 annual deductible, so Humana pays nothing and the member owes the full \$98.00, which will be applied to the \$100 deductible.

Claim #2:

Medicare/HMSA: Because the annual Medicare Part B deductible was met with Claim #1, Medicare will apply plan benefits (80% of eligible charge in this illustration), and HMSA will coordinate payment of the remaining balance of eligible charges. Although the member owes a zero balance in eligible charges, the member may be responsible for any non-covered charges such as taxes.

Humana: There is no COB on the Humana plan. Humana will pay the office visit claim at 90% of eligible charge, and the member owes the 10% balance. Humana will pay the outpatient diagnostic test claim at 90% of eligible charge after the member pays the remaining \$2.00 balance of the deductible. The member owes \$2.00, plus 10% of the remaining eligible charge (\$9.60), for the outpatient diagnostic test claim. (At this point, the \$100 deductible is met.)

Example 2: Medicare/HMSA Coordination With Medicare Part A Hospital Deductible

Claim #3:

Medicare/HMSA: Member received services at an HMSA participating facility that accepts Medicare assignment. Member has not had any previous inpatient visits within the last 60 days. Medicare Part A will process 100% of facility charges less the Medicare Part A deductible of \$1,484.00. (At this point, the Medicare Part A deductible is met.) HMSA will coordinate payment of the remaining balance of eligible charges. Although member owes a zero balance in eligible charges, the member may be responsible for any non-covered charges such as taxes.

Humana: There is no COB on the Humana plan. Humana will pay the inpatient hospital claim at 90% of eligible charge, and the member owes the 10% balance, limited to the Annual Maximum Out-of-Pocket of \$2,500 per covered individual. Once the member has reached the Annual Maximum Out-of-Pocket, covered services will be paid by the Humana plan at 100%.

Example 3: Medicare/HMSA Coordination With HMSA Annual Deductible

Claim #4:

Medicare/HMSA: Member received services from an HMSA participating provider who accepts Medicare assignment. Because the annual Medicare Part B deductible was met with Claim #1, Medicare will apply plan benefits (80% of eligible charge in this illustration). Durable Medical Equipment benefits are subject to a \$100 annual deductible, and, therefore, \$100 is applied to the HMSA deductible. Member owes \$100 in addition to any non-covered charges such as taxes. (At this point, the \$100 deductible is met.)

Humana: There is no COB on the Humana plan. Since the annual deductible was met with Claims #1 and #2, Humana will pay the prosthesis claim at 90% of eligible charge, and the member owes the 10% balance.

Note: Assumptions are used for illustration purposes only, since Medicare deductibles and benefits are subject to change.

Kaiser Permanente Senior Advantage Plan

The following requirements apply to all Medicare-eligible retirees and dependents for enrollment in the Kaiser Permanente HMO medical and prescription drug plan who:

- Enroll in Medicare Part A and B; and
- Reside in the Kaiser Permanente Senior Advantage service area. This area excludes those living on Kauai, Molokai, Lanai, and parts of Hawaii Island, which include Pahala, Naalehu, and Hawaii Volcanoes National Park. Members living in these areas will remain enrolled in the Kaiser Permanente HMO medical plan.

Retirees who enroll in Medicare Part A and B

Retirees who meet the above criteria will automatically be enrolled in the Kaiser Permanente Senior Advantage plan.

Covered dependents who enroll in Medicare Part A and B

Covered dependents who meet the above criteria will also automatically be enrolled in the Kaiser Permanente Senior Advantage plan.

If the retiree is not yet Medicare eligible but their covered dependent enrolls in Medicare Part A and B, the covered dependent will automatically be enrolled in the Kaiser Permanente Senior Advantage plan. The retiree will remain on the Kaiser Permanente HMO medical plan.

Note: Enrollment in the Kaiser Permanente Senior Advantage plan will automatically enroll you in the Medicare Part D plan. Failure to be enrolled in Kaiser Permanente Senior Advantage plan when eligible will result in cancellation of your EUTF medical and prescription drug plan. If in the future you enroll in another Medicare Part D or Medicare Advantage plan, you will be disenrolled from the Kaiser Permanente Senior Advantage plan.

Moving Out of State? (Geographic Relocation)

If you're a Kaiser Permanente Senior Advantage member who moves out of state, and you wish to change your medical and prescription drug coverage to the EUTF HMSA PPO medical and SilverScript prescription drug plan, you may do so.

Submit an EC-2 form (or EC-2H form for HSTA VB members) to the EUTF indicating your change of address within 45 days of your relocation date. The effective date of coverage will begin on the first of the month after the later of the relocation and notification dates.

Monthly Health Plan Premiums

Retirees who receive less than 100% employer contribution toward the Base Monthly Contribution (BMC), or whose ERS membership date is on or after January 1, 2021, and enrolling a dependent, may be responsible for monthly premium payments to the EUTF. See pages 29–30 for the 2022 monthly health plan rates.

You may use the Retiree Premium Worksheet, located on the EUTF website (eutf.hawaii.gov/retirees/eutf-retiree/premiums-contributions), to calculate your monthly premium cost.

Premium Payment Options

Retirees who make monthly payments to the EUTF can pay by the following options:

- Employees' Retirement System of the State of Hawaii (ERS) pension deduction
- ACH deductions (checking or savings)

Complete the appropriate form in the back of the guide or on our website at eutf.hawaii.gov.

Determination of Employer Contribution for Retiree Plans

The amount of the employer premium contribution is determined by statute and is based on three factors:

- ERS membership date (typically the date the employee was hired)
- Length of service, taking into account breaks in service and excluding sick leave (as determined by ERS)
- The BMC amount, which determines the maximum amount the employer will contribute toward your retiree coverage

Recurring Electronic Premium Deduction Requirement

NOTE: If you retired on or after **January 1, 2021**, and are responsible for paying a portion of your or your dependent's monthly health benefits premium, you are required to enroll in a recurring electronic premium deduction (Hawaii Law Act 62, SLH 2020).

The EUTF offers two options:

- ACH deductions from your bank
- Employees' Retirement System of the State of Hawaii (ERS) pension deductions

Enrollment forms for ACH or ERS pension deductions are available on the EUTF website at eutf.hawaii.gov.

ERS Retirement Estimate Letter

Certification of the retiree's membership date and length of service is provided by the ERS at the time of retirement and will help determine what percentage of the BMC will be available for a retiree to cover plan premiums. You will need to provide EUTF with a copy of your ERS Retirement Estimate letter.

Base Monthly Contribution (BMC)

The BMC is the maximum allowable amount employers will contribute toward retiree health plan premiums. The employer's contribution as a percentage of the BMC varies depending on a retiree's:

- Medicare enrollment
- Coverage tier (Self, Two-Party, Family)
- ERS membership date (typically the hire date)
- Length of service, taking into account breaks in service and excluding sick leave (as determined by ERS)

The BMC is adjusted every January 1, based on the percentage increase or decrease in the Medicare Part B premium rate from the previous year. Since the Medicare Part B premium rate is published later in the year, retirees should refer to the EUTF website toward the end of the 2021 year for the 2022 BMC amounts.

Retirees should refer to the Employer Contribution Table to determine the employer's contribution as a percentage of the BMC toward their health plan premiums.

Employer Contribution Table

Years of Credited Service (excluding sick leave)	Employer's Contribution Percentage of the Base Monthly Contribution* if your ERS Membership Date Is:		
	On or Before 6/30/96	On or Between 7/1/96–6/30/01	On or After 7/1/01**
Less than 10 years	50%	0%	0%
10 years, less than 15	100%	50%	50%
15 years, less than 25	100%	75%	75%
25 years or more	100%	100%	100%

* The Employer's percentage of the BMC for the year determines the maximum employer contribution payable. Any difference between the employer contribution and total premium for plans selected will be paid by the retiree.

** If your ERS membership date is on or after 7/1/01, the monthly employer-sponsored contribution will be applied to the self-only BMC.

Employer Contribution Percentages

If the retiree falls in the 100% category and started prior to July 1, 2001, they will most likely pay nothing. If the retiree falls in the 50%, 75%, or on or after July 1, 2001 category, please complete the EUTF Retiree Premium Worksheet to determine the retiree's share of premiums. If the retiree falls in the 0% category, they will pay the full premium amount.

The retiree pays the difference between the total monthly premium for the plans selected and the amount of the employer contribution set by the BMC calculation. For retirees with membership dates on or after July 1, 2001, the monthly employer's contribution is limited to the LESSER of:

1. The BMC percentage from the table above multiplied by the self-Medicare or non-Medicare BMC, or
2. The self-premiums for the plans enrolled.

For example, the monthly employer contribution for a Medicare retiree enrolled in two-party HMSA medical, SilverScript prescription drug, HDS dental, and VSP vision with membership date July 1, 2005, and retired with 15 years of service would be \$530.30* as calculated as follows (premiums from page 29):

1. $\$556.82 = 75\% \times \text{Medicare self BMC of } \742.42^*
2. $\$530.30 = \$481.22 \text{ HMSA self medical and SilverScript self prescription drug} + \$44.22 \text{ HDS self dental} + \$4.86 \text{ VSP self vision}$

The retiree will be responsible for monthly premiums of \$503.08 as calculated below:

1. Total monthly premiums of \$1,033.38 = \$937.38 HMSA two-party medical and SilverScript two-party prescription drug + \$86.26 HDS two-party dental + \$9.74 VSP two-party vision
2. Less monthly employer contribution of \$530.30*
3. Monthly employee share of premiums \$503.08

* Since the 2022 BMC is not available at this time, this example uses the 2021 BMC and the 2022 premiums.

It is important to note that plan premiums usually increase each year, and at a certain point, some plan premiums may exceed 100% of the BMC. All retirees, including those in the 100% category, should review the plan premiums and the BMC amount annually to determine if they will be required to contribute to the cost of coverage.

The BMC is more fully described in Chapter 87A, Hawaii Revised Statutes.

Common Qualifying Events

Once the open enrollment period is over, you are not allowed to change your benefit elections or add/delete dependents until the next year's open enrollment, unless you have a Special Enrollment Event due to a qualifying event or a mid-year change in status event. For more information about Special Enrollment Events, visit the EUTF website (eutf.hawaii.gov), and go to the "Enrollment Overview" page for your Retiree group.

For changes in status events during the plan year, EUTF generally follows the same change options that are available to active employees. EUTF Important Notices

This section contains important retiree benefit program notices of interest to you and your family. Please share this information with your family members. Some of the notices in this document are required by law and other notices contain helpful information. These notices are updated from time to time and some of the federal notices are updated each year.

IMPORTANT REMINDER TO PROVIDE THE PLAN WITH THE TAXPAYER IDENTIFICATION NUMBER (TIN) OR SOCIAL SECURITY NUMBER (SSN) OF EACH ENROLLEE IN A HEALTH PLAN

Employers are required by law to collect the taxpayer identification number (TIN) or Social Security number (SSN) of each medical plan participant and provide that number on reports that will be provided to the IRS each year. Employers are required to make at least two consecutive attempts to gather missing TINs/SSNs.

If a dependent does not yet have a Social Security number, you can go to this website to complete a form to request an SSN: socialsecurity.gov/online/ss-5.pdf. Applying for a Social Security number is FREE.

If you have not yet provided the Social Security number (or other TIN) for each of your dependents that you have enrolled in the health plan, please contact the EUTF Office at **1-808-586-7390** or toll-free at **1-800-295-0089**.

WOMEN'S HEALTH AND CANCER RIGHTS ACT OF 1998 (WHCRA) ANNUAL NOTICE REMINDER

You or your dependents may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient for:

- All stages of reconstruction of the breast on which the mastectomy was performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles, copayment, and coinsurance applicable to other medical and surgical benefits provided under the various medical plans offered by the EUTF. For more information on WHCRA benefits, contact your medical plan insurance company (using the phone number on your medical ID card) or contact the EUTF Office at **1-808-586-7390** or toll-free at **1-800-295-0089**.

PRIVACY NOTICE REMINDER

The Health Insurance Portability and Accountability Act (HIPAA) of 1996 requires health plans to comply with privacy rules. These rules are intended to protect your personal health information from being inappropriately used and disclosed. The rules also give you additional rights concerning control of your own health care information.

This Plan's HIPAA Privacy Notice explains how the group health plan uses and discloses your personal health information. You are provided a copy of this Notice when you enroll in the Plan. You can get another copy of this Notice from our Member Services Branch at **1-808-586-7390** or toll-free at **1-800-295-0089**. The Privacy Notice is also available on the Plan's website at eutf.hawaii.gov.

NOTICE REGARDING THE WELLNESS PROGRAM

The Wellness Programs are voluntary wellness programs available to participants enrolled in the group health plan and are designed to promote health or prevent disease. The programs are administered according to federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others.

If you choose to participate in the Wellness Program, you will be asked to complete a voluntary health risk assessment or "HRA" that asks a series of questions about your health-related activities and behaviors and whether you have or had certain medical conditions (e.g., cancer, diabetes, or heart disease). You are not required to complete the HRA questionnaire, participate in medical examinations, or work with a health coach.

The information from your HRA questionnaire will be used to provide you with information to help you understand your current health and potential risks, and may also be used to offer you services through the Wellness Program, such as health coaching. You also are encouraged to share your results or concerns with your own doctor.

Protections From Disclosure of Medical Information

Our group health plan is required by law to maintain the privacy and security of your personally identifiable health information.

Information collected from Wellness Program participants will only be received by EUTF in aggregate form. Although the Wellness Program and your employer may use aggregate information it collects to design a program based on identified health risks in the workplace, our group health plan will never disclose any of your personal information either publicly or to the employer, except as necessary to respond to a request from you for a reasonable accommodation needed to participate in the Wellness Program, or as expressly permitted by law. Medical information that personally identifies you that is provided in connection with the Wellness Program will not be provided to your supervisors or managers and may never be used to make decisions regarding your employment.

Your health information will not be sold, exchanged, transferred, or otherwise disclosed except to the extent permitted by law to carry out specific activities related to the Wellness Program, and you will not be asked or required to waive the confidentiality of your health information as a condition of participating in the Wellness Program or receiving an incentive. Anyone who receives your information for purposes of providing you services as part of the Wellness Program will abide by the same confidentiality requirements. The only individual(s) who will receive your personally identifiable health information is a health coach in order to provide you with services under the Wellness Program.

In addition, all medical information obtained through the Wellness Program will be maintained separate from your personnel records, and no information you provide as part of the Wellness Program will be used in making any employment decision. Appropriate precautions will be taken by the group health plan to avoid any data breach, and in the event a HIPAA data breach occurs involving information you provide in connection with the Wellness Program, we will notify you immediately.

You may not be discriminated against in employment because of the medical information you provide as part of participating in the Wellness Program, nor may you be subjected to retaliation if you choose not to participate. If you have questions or concerns regarding this notice, or about protections against discrimination and retaliation, please contact the EUTF Office at **1-808-586-7390** or toll-free at **1-800-295-0089**.

NOTE: If you are enrolled in the HMSA or Humana Medicare Advantage PPO plans with SilverScript prescription drug coverage, or the Kaiser Permanente Senior Advantage plan, you already have Medicare prescription drug coverage and this notice does not apply to you.

Important Notice from the Hawaii Employer-Union Health Benefits Trust Fund (EUTF) about Prescription Drug Coverage for People with Medicare

This notice is for people who may become eligible for Medicare during the next 12 months.

Please read this notice carefully and keep it where you can find it.

This Notice has information about your current prescription drug coverage with the EUTF-sponsored prescription drug coverage available for people who become eligible for Medicare. It also explains the options you have under Medicare's prescription drug coverage and can help you decide whether or not you want to enroll in that Medicare prescription drug coverage. At the end of this notice is information on where you can get help to make a decision about Medicare's prescription drug coverage.

- **If you and/or your family members are not eligible for Medicare and will not be eligible during the next 12 months, you may disregard this Notice.**
- **If, however, you and/or your family members are now eligible for Medicare or may become eligible for Medicare in the next 12 months, you should read this Notice very carefully and keep a copy of this Notice.**

This announcement is required by law, whether the group health plan's coverage is primary or secondary to Medicare. Because it is not possible for our Plan to always know when a Plan participant or their eligible spouse or children have Medicare coverage or will soon become eligible for Medicare, we have decided to provide this Notice to all plan participants.

Prescription drug coverage for Medicare-eligible people is available through Medicare prescription drug plans (PDPs) and Medicare Advantage Plans (like an HMO or PPO) that offer prescription drug coverage. All Medicare prescription drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more drug coverage for a higher monthly premium.

EUTF has determined that the prescription drug coverage is “creditable” under the following medical plan options:

- The CVS Caremark Drug Coverage available through the HMSA PPO Plan (either EUTF early retirees or HSTA VB early retirees)
- The Kaiser Permanente HMO Medical Plan

“Creditable” means that the value of this Plan’s prescription drug benefit is, on average for all plan participants, expected to pay out as much as or more than the standard Medicare prescription drug coverage will pay.

Because the plan options noted above are, on average, at least as good as the standard Medicare prescription drug coverage, **you can elect or keep prescription drug coverage under the CVS prescription drug plan or the Kaiser Permanente HMO plan and you will not pay extra if you later decide to enroll in Medicare prescription drug coverage.** You may enroll in Medicare prescription drug coverage at a later time, and because you maintain creditable coverage, you will not have to pay a higher premium (a late enrollment fee penalty).

REMEMBER TO KEEP THIS NOTICE

If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

WHEN CAN YOU JOIN A MEDICARE DRUG PLAN?

Medicare-eligible people can enroll in a Medicare prescription drug plan at one of the following three (3) times:

- When they first become eligible for Medicare; or
- During Medicare’s annual election period (from October 15 through December 7); or
- For beneficiaries leaving employer/union coverage, you may be eligible for a two-month Special Enrollment Period (SEP) in which to sign up for a Medicare prescription drug plan.

When you make your decision whether to enroll in a Medicare prescription drug plan, you should also compare your current prescription drug coverage (including which drugs are covered and at what cost) with the coverage and cost of the plans offering Medicare prescription drug coverage in your area.

YOUR RIGHT TO RECEIVE A NOTICE

You will receive this notice at least every 12 months and at other times in the future such as if the creditable/non-creditable status of the prescription drug coverage through this plan changes. You may also request a copy of a Notice at any time.

WHY CREDITABLE COVERAGE IS IMPORTANT (WHEN YOU WILL PAY A HIGHER PREMIUM (PENALTY) TO JOIN A MEDICARE DRUG PLAN)

If you do not have creditable prescription drug coverage when you are first eligible to enroll in a Medicare prescription drug plan and you elect or continue prescription drug coverage under a **non-creditable** prescription drug plan, then at a later date when you decide to elect Medicare prescription drug coverage you may pay a higher premium (a penalty) for that Medicare prescription drug coverage for as long as you have that Medicare coverage.

Maintaining creditable prescription drug coverage will help you avoid **Medicare's late enrollment penalty**. This **late enrollment penalty** is described below:

If you go 63 continuous days or longer without creditable prescription drug coverage (meaning drug coverage that is at least as good as Medicare's prescription drug coverage), your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have either Medicare prescription drug coverage or coverage under a creditable prescription drug plan. You may have to pay this higher premium (the penalty) as long as you have Medicare prescription drug coverage.

For example, if 19 months pass where you do not have creditable prescription drug coverage, when you decide to join Medicare's drug coverage your monthly premium will always be at least 19% higher than the Medicare base beneficiary premium. Additionally, if you go 63 days or longer without prescription drug coverage you may also have to wait until the next Medicare open enrollment period to enroll for Medicare prescription drug coverage.

WHAT ARE MY CHOICES?

You can choose any one of the following options:

Your Choices	What this option means to you:
<p>If you are enrolled in EUTF PPO medical plan (with prescription drug coverage through CVS) and you become eligible for Medicare, you can select or keep your EUTF medical and prescription drug coverage.</p>	<ul style="list-style-type: none"> • If you or your covered dependent(s) are enrolled in the HMSA PPO plan and Medicare, you will still have medical coverage with EUTF and you will automatically be enrolled in the EUTF SilverScript Medicare Part D plan. • If you enroll in a non-EUTF Medicare Part C or D plan, you will be disenrolled from the EUTF SilverScript Plan because Medicare allows you to enroll in only one Medicare Part D plan. If you are an HSTA VB Retiree, you will also be disenrolled from the medical, vision, and chiropractic plans as prescription drug coverage is bundled as part of the entire medical plan. Please call EUTF before enrolling in another Medicare Part D prescription drug plan. • At the next EUTF Open Enrollment or upon experiencing a mid-year qualifying event, you will be able to make election changes.
<p>If you are a Kaiser Permanente plan participant and you are enrolled in Medicare Part A and B, you must enroll in Kaiser Permanente’s Senior Advantage plan (unless you live in Kauai, Molokai, Lanai, and parts of Hawaii Island, which include Pahala, Naalehu, and Hawaii Volcanoes National Park).</p>	<ul style="list-style-type: none"> • If you or your covered dependent(s) are enrolled in the Kaiser Permanente HMO plan and Medicare, you will automatically be enrolled in the Kaiser Permanente EUTF Senior Advantage plan, including prescription drug coverage. You understand enrollment in the EUTF Senior Advantage plan is required, and this will automatically end your enrollment in another Medicare plan. Failure to enroll in the EUTF Senior Advantage plan will result in termination of your EUTF medical and prescription coverage. • If you enroll in a non-EUTF Medicare Part D plan, you will be disenrolled from the Kaiser Permanente Senior Advantage plan because Medicare allows you to enroll in only one Medicare Part C & D plan. You will also be disenrolled from the medical plan (and, for HSTA VB Retirees, vision and chiropractic plans) as prescription drug coverage is part of the entire medical plan. Please call EUTF before enrolling in another Medicare Part C & D prescription drug plan. • At the next EUTF Open Enrollment, you will be able to make election changes.

If you select HMSA or Humana and wish to enroll in prescription drug coverage, you must select the CVS Caremark prescription drug plan (if you do not make a selection you will not have any prescription drug coverage). If you wish to dis-enroll from plans, mark the "Cancel/Waive" box. If no selection is made, EUTF will assume no changes are being made.

Note: If you are currently enrolled in the Kaiser HMO Medical Plan and have assigned your Medicare Benefits to KP and either select the "Cancel/Waive" box or enroll in either the HMSA PPO-90/10 Medical Plan or the CVS Caremark Prescription Drug plan, you are also confirming your intent to disenroll from the Kaiser Permanente Senior Advantage plan as well.

IV. Dependent Information

Complete dependent information and indicate plan selection if adding or removing dependents. If you are adding/removing more than three dependents and additional rows are needed, please attach another sheet to your enrollment form. If this is your first time enrolling dependents in EUTF plans, please submit required proof documents including a marriage certificate if adding your spouse or partner and a birth certificate and guardianship or adoption decree (if applicable) if adding a child(ren). If a dependent child is age 19 to 23, unmarried and covered under your medical, drug, dental and/or vision plans, please submit certification from the school registrar or national clearinghouse indicating they are a full-time student. Required proof documents must be submitted to the EUTF within 45 days of the event date. Social security numbers are required for all newly added dependents. Detailed eligibility information including required proof documents for other life-events are available online at eutf.hawaii.gov.

V. Medicare

If you and/or your dependent(s) (spouse/partner/disabled child) are eligible to enroll in Medicare Part B, complete the name and Medicare Claim Number of the individuals enrolled. Additionally, you must submit proof of Medicare Part B enrollment to the EUTF in order to be enrolled in EUTF retiree medical and/or prescription drug coverage. Submit a copy of your Medicare card (indicating enrollment in Medicare Part B), letter from the Social Security Administration indicating your Medicare Part B premium, and EUTF Direct Deposit Agreement form. Failure to comply may result in loss of EUTF medical and/or prescription drug coverage.

VI. Other Insurance Information

If you or your dependents are covered under another health plan, you are required to complete this section. The information that you provide does not determine how your benefits are coordinated. Coordination of Benefits rules are determined by the health benefit plans and follow the guidelines of the National Association of Insurance Commissioner (www.naic.org).

VII. Retiree/Dependent Signature

Read, sign and date the form.

Note: Dependent Signature(s) and Date(s) are required if the dependent is enrolling or disenrolling in/from the Humana, Kaiser HMO Coverage or CVS/SilverScript plans. Failure for both the retiree and dependent(s) to sign when applicable, may result in continued Medicare enrollment with Humana, Kaiser Permanente or CVS/SilverScript.

Submit your EC-2 form and required supporting documents to the EUTF office. Please see address printed on the bottom of page 2 of the enrollment form. To ensure proper processing, all required fields must be complete and proper documentation submitted timely. Required supporting documents are due within 45 days of the qualifying event date, with exception to birth (180 days) and open enrollment (postmarked by October 29, 2021).
