

Connect with someone who cares

Telehealth visits are available through your Humana plan

The doctor is in, even if you can't or don't want to go into an office. Telehealth visits allow you to get behavioral healthcare anywhere through your phone,* tablet or computer.

As a Humana member, you can use telehealth services to connect with a licensed behavioral health specialist. These providers are available when you may need them to coach you through many of life's challenges. These providers can:

- Discuss healthy ways you can deal with stress, anxiety or sadness
- Listen without judgment as you talk about your life, relationships and feelings
- Help you set and meet behavioral and emotional goals
- Assist you in developing strategies for living a fuller, healthier life

Delivering the care you need securely, conveniently and on your terms—that's human care.

* Depending on the initial consultation, video may be required for telehealth visits. Limitations on telehealth services, also referred to as virtual visits or telemedicine, vary by state. These services are not a substitute for emergency care and are not intended to replace your primary care provider or other providers in your network. Any description of when to use telehealth services is for informational purposes only and should not be construed as medical advice. Please refer to your Evidence of Coverage for additional details on what your plan may cover or other rules that may apply.
