	Question	Answer
1	Would we be able to get a Census specific to the EGWP population with name, social or MBI if available, date of birth and full address with zip code?	<p>Offerors who have completed and submitted a signed Intent to Bid form and Confidentiality Agreement receive a spreadsheet that can be sorted by the Retiree Drug Plan field to identify Medicare retirees.</p> <p>For security purposes, census data does not include Personally Identifiable Information (PII) such as Medicare Beneficiary Information (MBI), Social Security Number (SSN), or full address.</p>
