# A Lifetime of Healthy Smiles

*ORAL HEALTH WELLNESS IN ALL STAGES OF LIFE*

Thursday, June 27 • 11:30 a.m. to 12:15 p.m.

This HDS presentation delves into the relationship between our changing bodies and oral health across the lifespan. From childhood to the golden years, we explore how biological shifts impact oral health and overall well-being. Learn about the importance of proactive dental care at every stage and how maintaining a healthy smile contributes to longevity and improved quality of life.

Presented by  
**Cecile Sebastian, DDS**

Cecile Sebastian DDS is a dedicated professional who enjoys the practice of dentistry. Together with her enthusiastic team, they are able to deliver the most advanced procedures and techniques that dentistry has to offer in a comfortable and welcoming environment. She also enjoys sharing her knowledge of the latest procedures and technology with other dentists and has lectured at the Hawaii Dental Association State Convention. She believes that being the best dentist means always learning and thus continues to attend as many continuing education courses as possible with her team. Dr. Sebastian is an award-winning dentist who is recognized by her peers and her patients for the work that she does.

Dr. Sebastian graduated from Purdue University and Northwestern University Dental School where she obtained her Doctor of Dental Science Degree. She serves on the Board of the Dental Lifeline Network, a national and humanitarian organization that provides dental treatment to individuals that are elderly, disabled and medically fragile who have no access to dental care.

**Additional Information for City and County of Honolulu employees:**

The information provided in this flyer is from the EUTF. City computers may be used to participate in EUTF webinars. Participation is voluntary and is to be done on the employee's own time.
