

Glow Goals: Your Smile Journey Starts Today

A fresh approach to oral health beyond trends

Tuesday, June 24 • 11:30 a.m. to 12:15 p.m.

What makes a smile glow? Is it that new purple toothpaste, that strawberry mint floss, or pure confidence? Take a step back from the trendy products and let's start fresh on your smile's glow journey by focusing on the fundamentals of oral health and the habits that truly make a difference.

Join HDS as we explore how to build a strong foundation for a smile that shines from the inside out. Let's uncover the secrets to a glowing smile that goes beyond products—because confidence and care never go out of style.
