

Your Health, Your Reward

A chance to win **\$1,500** to use your way

Embrace a healthier you and unlock amazing rewards!

Kickstart your journey to better health by making annual doctor visits a priority, even when you feel great. These regular checkups are key to catching potential health issues early, ensuring you stay at your best.

Your HMSA health plan includes an annual checkup at no cost when you see a primary

care provider (PCP) in HMSA's network. This annual preventive health evaluation checks your overall health and identifies potential health conditions early. Your PCP will work with you to determine which screenings are recommended for you.

The Reward

If you visit your PCP for an in-person annual evaluation and log in to My Account, you'll be entered in a drawing for a chance to win a \$1,500 Visa gift card. Virtual and phone appointments don't qualify for entry.

Step 1: Schedule your exam

Visit your PCP for an in-person annual evaluation by Oct. 31, 2025, if you haven't already completed one within the last year. If you don't have a PCP, visit hmsa.com/eutf and click Find a Doctor to start your search. Or call us at (808) 948-6499.

Step 2: Log in to My Account

Log in to My Account through hmsa.com/eutf by Oct. 31.

To register for My Account, click My Account Login, use your personal email address, and enter your HMSA subscriber ID number. If you're already registered, log in and confirm that your email address is current.

Active EUTF members can complete their annual preventive health evaluation with their PCP by Oct. 31 for a chance to win a \$1,500 Visa gift card. Members who complete their exam between July 1, 2024, and Oct. 31, 2025, are eligible for entry.

Why Seeing Your PCP Annually Matters

- Having a PCP means you have a health care partner who can help you track your progress toward your health and well-being goals and answer any questions you may have about medications, treatment plans, or other health issues.
- Visit your doctor every year, even if you don't feel sick. Seeing your doctor for preventive care is the best self-care strategy.
- Your HMSA health plan includes an annual checkup at no cost when you see a PCP in HMSA's network.
- This annual evaluation checks your overall health and identifies potential health conditions early. Your PCP will work with you to determine which screenings are recommended for you.

Questions?

Prizes are subject to federal and state taxes. Please consult your tax advisers. Active employees of the state of Hawaii receiving prizes will have the value added into their payroll and W-2. Active members employed in the counties of Kauai, Maui, Hawaii, and the City and County of Honolulu will receive a Form 1099 from HMSA. Dependents will receive a Form 1099 from HMSA. This drawing for a \$1,500 Visa gift card is exclusive to EUTF actives, retirees, and their dependents over the age of 18.

For EUTF Active members, one annual preventive health evaluation is covered for members age 22 years and older when received from your PCP, including an assessment of any other preventive screenings you might need. Similar services for members under age 22 are covered under the Well-child Care plan.
