- (b) The board shall designate the administrator or some other member of the Fund's staff to be responsible for preparing agendas for future board meetings. All board meeting agendas shall be transmitted to the chairperson for review prior to public notice.
- (c) Unless otherwise required by the board or applicable law, the parliamentary procedure to be used by the board in the conduct of its meetings shall be in accordance with the current version of *Roberts Rules of Order, Newly Revised*.
- (d) Voting procedures for board meetings and the criteria for a quorum are established in Section 87A-11 of the Hawaii Revised Statutes. In addition, the following voting procedures shall apply:
 - (1) After a motion is made and seconded, the presiding officer shall read the motion and open the question to discussion and debate by the trustees. When ready to put the motion to a vote, the presiding officer shall call for the public employer and employee-beneficiary trustee votes to determine whether there are three votes from each trustee group in favor of the motion. If so, the motion shall be recorded as having been approved by one vote from the public

employer trustees and one vote from the employee-beneficiary trustees.

- (2) For routine or procedural matters, the presiding officer may ask if there is any opposition to a motion after it has been made, and to the extent required, seconded and debated. If no opposition is voiced, the motion shall be recorded as having been unanimously approved by one vote by the public employer trustees and one vote from the employee-beneficiary trustees.
- (3) If the voting is not unanimous by each side, the names of the trustees who voted in favor of the motion, voted against the motion, or abstained from voting shall be recorded in the minutes.
- (4) In the event of a deadlock in the vote of the board, the board may vote on the same question or resolution at the next two successive meetings of the board. In the event of a deadlock in the vote of the board on the same question or resolution at the two successive meetings of the board, the board shall vote on whether or not to engage in dispute resolution. If six trustees of the board vote to engage in dispute resolution, the two trustee groups shall enter into mediation to attempt to resolve the question or resolution upon which the board has deadlocked.

The mediation shall be handled by a mediator appointed by the Federal Mediation and Conciliation Service. If the Federal Mediation and Conciliation Service fails or refuses to appoint a mediator within ten (10) days of the date on which the six trustees voted to engage in dispute resolution, the mediation shall be handled by a mediator mutually agreeable to the two trustee groups. If the two trustee groups do not agree on a mediator within twenty (20) days of the date on which the six trustees voted to engage in dispute resolution, either trustee group may petition the Administrative Judge of the First Circuit, Circuit Courts of the State of Hawaii, to appoint a mediator. Upon the appointment of a mediator, the two trustee groups shall in good faith enter into mediation on the question or resolution upon which the board has deadlocked. Nothing in this rule is meant to preclude the board from voting to engage in other forms of alternate dispute resolution to resolve a question or resolution upon which it has deadlocked.

- (5) Whenever any statute or other law requires a vote of a majority, two-thirds or other percentage or fraction of the trustees or members to which the board is entitled, the motion or other action shall be approved if it receives two votes in favor of the motion or

action as provided in subsection (d)(1) of this Rule, regardless of the total number of votes in favor of the motion or action.

For example, if a statute or other law requires a two-thirds vote of the members to which the board is entitled, the motion or other action will be approved if three trustees from each trustee group vote in favor of the motion or other action, even if the remaining four trustees vote against the motion or other action.

1.08 Appearances Before the Board

- (a) All persons shall comply with this rule when appearing before the board. Unless otherwise required by applicable federal or state law, the board shall have the discretion to prescribe additional standards and procedures for all appearances and proceedings before the board. Twenty (20) copies of materials provided to the board for or during a meeting that are determined to be disclosable shall be made available for distribution to the public.
 - (2) The board shall hear oral testimony on an agenda item after it has completed discussion of that item. At that time, the presiding officer shall invite members of the public to ask questions or provide comments on the agenda item prior to any action by the board. After the public has had an opportunity to provide input on the agenda item, the board may discuss the agenda item further and act on the item or move on to the next agenda item.

- (3) A person may speak at a board meeting only when recognized to do so by the presiding officer. Comments are limited to three minutes per speaker. Time limitations may be adjusted at the discretion of the presiding officer or at the request of any three trustees. A person may not speak a second time on the same question unless authorized by the presiding officer to do so.
 - (4) The board may refuse to hear any testimony that is irrelevant, immaterial, or unduly repetitious and may from time to time impose additional conditions as are necessary or desirable for the orderly, efficient, and convenient presentation of oral testimony to the board. The board may request that the person providing oral testimony submit the testimony in writing to the board.
- (d) Nothing herein shall require the board to hear or receive any oral testimony or documentary evidence from a person on any matter which is the subject of another proceeding pending before the board.

To the extent permitted by law, the board may delegate authority to act on its behalf in accordance with board policies and standards to a committee of the board, an administrator, a carrier, a third party administrator, or to such other persons and entities as it deems necessary or reasonable for the effective and efficient administration of the Fund and the provisions of Chapter 87A of the Hawaii Revised Statutes; provided, however, that nothing in this rule shall permit the board to delegate its power to adopt, amend or repeal any rules.

1.10 State Ethics Code

All trustees and employees of the Fund shall comply with Chapter 84 of the Hawaii Revised Statutes.

1.11 Controlling Law

To the extent that federal or state law governs any matter covered by these rules, the Fund and the board shall comply with and follow such federal or state law. To the extent that any matter is not completely governed by federal or state law, the Fund and the board shall apply these rules to the extent reasonable and practicable. The board shall be afforded deference with respect to the interpretation of Chapter 87A and these rules.

1.12 Authority of the Board to Waive Rule Provisions

Subject to statutory requirements and limitations, the board may waive an employee-beneficiary's compliance with any provision of the Fund's rules when the board determines that: (a) good cause exists for such a waiver; and (b) such waiver does not involve any increase in the obligations or liabilities of the Fund beyond that which would have been involved if the employee-beneficiary had fully complied with the Fund's rules. Each waiver by the board must be in writing and supported by documentation of the pertinent facts and grounds.

1.13 Responsibilities of Employee-Beneficiaries and Public Employers; Enforcement Actions of the Fund

If the petition is denied, the board shall notify the interested person or organization in writing of the denial.

First, it shall transmit the proposed rule change to the public employers, exclusive employee organizations, exclusive representatives, retiree organizations, and all other employee organizations registered with the board for consultation prior to adoption. 2.03 Declaratory Rulings

- (a) Any interested person may petition the board for a declaratory ruling as to the applicability of any statutory provision administered by the board or of any rule or order of the Fund.

Such petitions shall contain the same information as required under subsection (b) and the grounds and reasons on which intervention is sought. The board may deny intervention where the petition to intervene raises issues not reasonably pertinent to the issues already presented or the petition raises issues that would broaden the issues to be decided. If intervention is granted, the petitioner shall become a party to the proceeding to the degree permitted by the order granting intervention.

 - (1) The question raised is purely speculative or hypothetical;
 - (2) The petitioner's interest is not of the type or nature that would give the petitioner standing to maintain an action if the petitioner were to seek judicial relief;
 - (3) The issuance of a declaratory ruling may adversely affect the interests of the employer, the board, any of the trustees, the Fund,

or any of the Fund's officers or employees in litigation which is pending or reasonably expected to arise in the future; or

(e) The board at its discretion shall:

- (1) Render a decision on the petition for a declaratory ruling without the petitioner's involvement in the board deliberation;
- (2) Proceed with board deliberation with the petitioner appearing before the board to answer questions that the board may have. If the petitioner is to be present at the board deliberation on the petition, the board shall begin deliberations at the earliest scheduled full board meeting. The board may continue deliberations over several board meetings if the board deems it necessary and thereafter render its decision on the petition; or
- (3) Refer the petition for consideration or hearing to the administrator, a special or standing committee of the board or any other person or entity duly designated by the board. After considering the recommendation of the administrator, committee or designated person or entity, the board shall not be bound by the recommendations and the board may further deliberate on the petition pursuant to section (e)(2) above upon which it shall render its decision on the petition.

Where any question of law is involved, the board may seek the assistance of the state attorney general in reviewing the matter. The board may also seek the assistance of other government agencies when necessary or desirable.

Any petitioner who desires a hearing shall submit a written request for a hearing together with the petition for a declaratory ruling. The written request shall set forth in detail the reasons why the matters alleged in the petition, together with supporting affidavits or other written evidence and briefs or memoranda of legal authorities, will not permit the fair and expeditious disposition of the petition and, to the extent that the request for a hearing is dependent upon factual assertions, shall submit affidavits or certificates establishing those facts.

(f) The petition for a declaratory ruling shall either be rejected in accordance with subsection (d) or acted upon by issuance of an order within ninety

(90) days unless the board determines that, based on the subject matter or complexity of the petition, a longer period of deliberation is warranted. Upon the disposition of the petition, the board shall promptly notify the petitioner.

- (g) An order shall be applicable only to the fact situation alleged in the petition or as set forth in the order. An order shall not be applicable to different fact situations or where additional facts exist that were not considered in the order.

2.04 Administrative Appeals (not related to Claim Filing and Appeals Information for Self-Insurance Plan Administered Benefits, which are discussed in Rule 2.06)

- (a) A person aggrieved by one of the following eligibility decisions by the Fund may appeal to the board for relief from that decision:
 - (1) A determination that the person is not an employee-beneficiary, dependent-beneficiary or qualified-beneficiary, or that the person is not eligible to enroll in or be covered by a benefit plan offered or sponsored by the Fund;
 - (2) A determination that the person cannot make a change in enrollment, a change in coverage, or a change in plans;
 - (3) A cancellation or termination of the person's enrollment in or coverage by a benefit plan, offered or sponsored by the Fund; or
 - (4) A refusal to reinstate the person's enrollment in or coverage by a benefit plan, offered or sponsored by the Fund.
- (b) The first step in the appeal process is an appeal to the administrator. In order to appeal to the administrator for relief, an aggrieved person must file a written appeal in the Fund's office within one hundred eighty (180) days of the date of the adverse decision with respect to which relief is requested. The written appeal shall be filed in duplicate. Unless otherwise provided by applicable federal or state law, neither the administrator nor the board shall be required to hear any appeal that is filed after the one hundred eighty (180) day period has expired. The written appeal need not be in any particular form but should contain the following information:
 - (1) The aggrieved person's name, address, and telephone number;
 - (2) A description of the decision with respect to which relief is requested, including the date of the decision;

- (3) A statement of the relevant and material facts; and
 - (4) A statement as to why the aggrieved person is appealing the decision, including the reasons that support the aggrieved person's position or contentions.
- (c) If the aggrieved person is dissatisfied with the administrator's action or if no action is taken by the administrator on the aggrieved person's written appeal within thirty (30) days of its being filed in the Fund's office, the second step in the appeal process is for the aggrieved person to file a written appeal to the board. A written appeal to the board must be filed in duplicate in the Fund's office within ninety (90) days of the administrator's action. If no action is taken by the administrator within thirty (30) days of the written appeal to the administrator being filed in the Fund's office, then the written appeal to the board must be filed in duplicate in the Fund's office within one-hundred twenty (120) days of the written appeal to the administrator being filed in the Fund's office. The written appeal need not be in any particular form but shall contain the following information:
- (1) The aggrieved person's name, address and telephone number;
 - (2) A statement of the nature of the aggrieved person's interest, e.g., employee-beneficiary or dependent-beneficiary;
 - (3) A description of the decision with respect to which relief is requested, including, the date of the decision;
 - (4) A complete statement of the relevant and material facts and documentation supporting those facts;
 - (5) A statement of why the aggrieved person is appealing the decision, including a complete statement of the position or contentions of the aggrieved party; and
 - (6) A full discussion of the reasons, including any legal authorities, in support of the aggrieved party's position or contentions.

The board may reject any appeal that does not contain the foregoing information.

- (d) The board at any time may request the aggrieved person or any other party to the proceeding to submit a statement of additional facts or a memorandum, or provide acceptable evidence to support any statements made, the purpose of which is to clarify the party's position or a specific factual or legal issue.

- (e) The board shall grant or deny the appeal within forty-five (45) days of the date of the postmark of a request for appeal unless the board determines that, based on the subject matter or complexity of the petition, a longer period of deliberation is warranted. The board shall not be required to hold a hearing on any appeal. The board may decide to voluntarily hold a hearing on an appeal if in its discretion the board determines further development of a record is warranted under the circumstances at the time and the board may set such hearing before the board, a special, or standing committee of the board, a hearings officer, or any other person or entity authorized by the board to hear the matter in question. Nothing in these rules shall require the board to hear or decide any matter that can be lawfully delegated to another person or entity for a hearing and decision. The board's decision to grant or deny the appeal, hold a hearing, or delegate a matter to another person or entity for hearing and decision is final. The aggrieved party may seek judicial review of the board's decision to grant or deny the appeal, hold a hearing, or delegate a matter to another person or entity for hearing. The review shall not be subject to Chapter 91 of the Hawaii Revised Statutes. Any matter decided by the board under this section shall be considered an exhaustion of administrative remedies and any affected parties may have leave to seek due process by filing a civil complaint in the appropriate Hawaii Court.
- (f) At any time, an aggrieved person may voluntarily waive his or her rights to the administrative appeal provided by the Rule by submitting such a waiver in writing to the Fund's office. The board may require the aggrieved person to make such a waiver by signing a form prescribed by it.

2.05 Emergency Appeals of Eligibility

- (a) The board may appoint a sub-committee made up of two trustees, one from the employer group and one from the employee group, to hear and make final decisions on emergency appeals. The board chair shall appoint the sub-committee chair, which shall rotate between employer trustee and employee trustee every six months.
- (b) An employee-beneficiary ("appellant") who is aggrieved by a plan administrator's decision denying or limiting eligibility for benefits provided under a plan offered by the Fund to the employee-beneficiary or a dependent-beneficiary enrolled by the employee-beneficiary may make an emergency appeal directly to the board where a delay in following the

Fund's normal appeal process could in the opinion of a physician with knowledge of the medical condition of the employee-beneficiary or dependent-beneficiary:

- (1) Seriously jeopardize the life or health of the employee-beneficiary or dependent-beneficiary;
 - (2) Seriously jeopardize the employee-beneficiary's or dependent-beneficiary's ability to regain maximum functioning; or
 - (3) Subject the employee-beneficiary or dependent-beneficiary to severe pain that cannot be adequately managed without the care or treatment that is the subject of the appeal.
- (c) Any appellant or designee desiring to make an emergency appeal under this Rule shall contact the Fund administrator and be prepared to provide the following information:
- (1) The name, address, and telephone number of the appellant;
 - (2) A description of the decision with respect to which relief is requested; a statement as to why the appellant is appealing the decision, including all reasons that support the appellant's position or contentions; and any relevant and material facts;
 - (3) Why the appellant's appeal qualifies as an emergency appeal, i.e., why the appeal meets one or more of the conditions stated in subsection (b) above;
 - (4) Information that supports the appellant's appeal, including, but not limited to, any opinions from physicians that show that the appeal should be handled as an emergency appeal; and
 - (5) If appellant is going to be represented by a designee, proof the designee may act on behalf of the appellant.

Notwithstanding the foregoing, the Fund administrator may waive the foregoing requirements if the Fund administrator finds that the criteria for making an emergency appeal are present and circumstances prevent the appellant from providing information or documents required in 1 through 5 above.

- (d) The Fund administrator shall expeditiously, but in no event later than two business days, determine whether the request for emergency appeal qualifies as an emergency appeal under the criteria stated in this Rule. If the Fund administrator determines that the request for emergency appeal does not qualify as an emergency appeal, the appellant's appeal shall be

handled as a normal appeal. Appellant may appeal the Fund administrator's denial of a request for emergency appeal by submitting a request to the Fund Administrator. No particular form is required for such a request so long as it can be understood that the appellant is seeking to appeal the Fund administrator's decision to the board.

- (e) Upon determining that an appeal qualifies as an emergency appeal or upon receipt of an appeal of the Fund administrator's denial of a request for emergency appeal, the Fund administrator shall take the following actions:
 - (1) Set a time and date of a hearing when the sub-committee can meet either in person or via phone. The hearing shall be set as soon as possible.
 - (2) Notify the appellant and his or her representative, if any, of the time and date of the hearing;
 - (3) The Fund administrator may request the parties to provide the Fund administrator with copies of any documents, records, written testimony, or other written evidence that they wish the sub-committee to consider at the hearing; and
 - (4) Prior to the hearing, the Fund administrator shall provide each member of the sub-committee with copies of any materials provided by the appellant.
- (f) Unless the appellant expressly requests a public hearing, any hearing under this Rule shall be closed to the public. At the hearing, the following procedures shall apply:
 - (1) The sub-committee shall hear and consider all relevant testimony and documents;
 - (2) At any time during the hearing, the sub-committee may enter executive session to consult counsel regarding any legal issues involved in the appeal; and
 - (3) Prior to the conclusion of the hearing, the sub-committee shall announce its decision on the appeal to the Fund administrator. The sub-committee shall subsequently issue its decision in writing. A certified copy of the written decision shall be sent by certified mail to the appellant within a reasonable time after the hearing.

- (g) The Fund administrator may designate one or more EUTF staff members to perform any or all of the Fund administrator's duties under this Rule when the Fund administrator is unavailable or otherwise unable to perform such duties.

2.06 Claim Filing and Appeals Information for Self-Insured Plan Administered Benefits

- (a) This section describes the self-insured plans appeals timing and processes if an employee-beneficiary or dependent-beneficiary receives an adverse benefit determination. The process will be in conformance with 29CFR 2560.503 and amendments thereto. The processes are comprised of the following:
 - (1) Internal standard appeal;
 - (2) External Appeal using the Independent Review Organization (IRO);
 - (3) Internal expedited appeal for urgent care; and
 - (4) External appeal using an IRO for urgent care.
- (b) Definitions pertinent to claims and appeals.
 - (1) "Adverse benefit determination" means denial, reduction, or termination of, or a failure to provide or make payment (in whole or in part) for, a Fund benefit. An adverse benefit determination includes a denial, reduction, or termination of, or failure to provide or make payment (in whole or in part) for, a Fund benefit based on the application of a utilization review. An adverse benefit determination also includes a failure to cover a Fund benefit because use of the benefit is determined to be experimental, investigative, or not medically necessary or appropriate.
 - (2) "Fund Benefit", when referenced in this Section 2.06, means specifically a self-insured plan administered benefit.
 - (3) "Claim" means a request for a Fund benefit that is made in accordance with the Fund's established procedures for filing benefit claims.
 - (4) "Medically Necessary" (Medical Necessity) means medications, health care services or products are considered medically necessary if:

- i. Use of the medication, service, or product is accepted by the health care profession in the United States as appropriate and effective for the condition being treated;
- ii. Use of the medication, service, or product is based on recognized standards for the health care specialty involved;
- iii. Use of the medication, service, or product represents the most appropriate level of care for the individual, based on the seriousness of the condition being treated, the frequency and duration of services, and the place where services are performed; and
- iv. Use of medication, service or product is not solely for the convenience of the individual, individual's family, or provider.

(5) "Post-Service Claim" means a claim for a Fund benefit that is not a Pre-Service Claim.

(6) "Pre-Authorization" means a pre-service review of an employee-beneficiary's or dependent-beneficiary's initial request for a particular medication, service, or product. The self-insured plan administrator will apply a set of pre-defined criteria to determine whether there is need for the requested medication, service, or product.

(7) "Pre-Service Claim" means a claim for a medication, service, or product that is conditioned, in whole or in part, on the approval of the benefit in advance of obtaining the requested medical care or service. Pre-service claims include individual requests for pre-authorization.

(8) "Urgent Care Claim" means a claim for a medication, service, or product where a delay in processing the claim: (a) could seriously jeopardize the life or health of the employee-beneficiary or dependent-beneficiary, and/or could result in the employee-beneficiary's failure to regain maximum function, or (b) in the opinion of a physician with knowledge of the employee-beneficiary's condition, would subject the employee-beneficiary or dependent-beneficiary to severe pain that cannot be adequately managed without the requested medication, service, or product.

(c) Time limit for initial filing of self-insured plan and administered claims.

(1) All post-service self-insured plan administered claims must be submitted to the administrator within one year from the date of

service. No plan benefit will be paid for any claim not submitted within this period.

- (2) If a self-insured plan claim is not approved, an employee-beneficiary or dependent-beneficiary may appeal that denial by following the steps in this Claim Filing and Appeal section. The Fund has delegated final claims and appeal authority for self-insured plan administered benefits to the independent self-insured plan administrator. This section discusses the claim appeal process for the following types of claims: Pre-Authorization Claim Review Services, Pre-Service Appeals Review Services, and Post-Service Appeals Review Services.

(d) The claims and appeals process.

- (1) Pre-authorization review. The self-insured plan administrator will implement the cost containment programs by comparing individual requests for certain medicines, services, or products and/or other benefits against pre-defined lists or formularies before those prescriptions, services, or products are approved. If the self-insured plan administrator determines that the employee-beneficiary's or dependent-beneficiary's request for pre-authorization cannot be approved, that determination will constitute an adverse benefit determination.
- (2) Appeals of adverse benefit determinations of pre-service and urgent care claims. If an adverse benefit determination is rendered on the employee-beneficiary's or dependent-beneficiary's self-insured plan administered claim, the employee-beneficiary or dependent-beneficiary may file an appeal of that determination. The individual's appeal of the adverse benefit determination must be made in writing and submitted to the self-insured plan administrator within one hundred eighty (180) days after the employee-beneficiary or dependent-beneficiary receives notice of the adverse benefit determination.

If the adverse benefit determination is rendered with respect to an urgent care claim, the employee-beneficiary or dependent-beneficiary and/or the employee-beneficiary's or dependent-beneficiary's attending physician may submit an appeal by contacting the self-insured plan administrator. The employee-beneficiary's or dependent-beneficiary's appeal should include the following information:

- (i) Name of the person the appeal is being filed for;
- (ii) The prescription drug program identification number, service description and/or code, or product name and number;
- (iii) Date of birth;
- (iv) Written statement of the issue(s) being appealed;
- (v) Prescription drug name(s), service(s), or product(s) being requested; and
- (vi) Written comments, documents, records, or other information relating to the claim.

The employee-beneficiary's or dependent-beneficiary's appeal and supporting documentation should be mailed, emailed, or faxed to the self-insured plan administrator.

If a covered person or their covered dependent does not understand English and has questions about a claim denial, the covered person or covered dependent should contact the appropriate claims administrator to find out if assistance is available.

CHINESE (中文): 如果需要中文的帮助, 请拨 EUTF.

- (3) The self-insured plan administered program's review. The self-insured plan administrator will provide the first-level review of appeals of pre-service claims. If the employee-beneficiary or dependent-beneficiary appeals the self-insured plan administrator's decision, the employee-beneficiary or dependent-beneficiary can request an additional second-level medical necessity review. That review will be conducted by an Independent Review Organization ("IRO").
- (4) Timing of review.
 - (i) Pre-Authorization Review. The self-insured plan administrator will make a decision on a pre-authorization request for a Fund benefit within fifteen (15) days after it receives the request. If the request relates to an urgent care

- claim, the self-insured plan administrator will make a decision on the claim within seventy-two (72) hours.
- (ii) Pre-Service Claim Appeal. The self-insured plan administrator will make a decision on a first-level appeal of an adverse benefit determination rendered on a pre-service claim within fifteen (15) days after it receives the employee-beneficiary's or dependent-beneficiary's appeal. If the self-insured plan administrator renders an adverse benefit determination on the first-level appeal of the pre-service claim, the employee-beneficiary or dependent-beneficiary may appeal that decision by providing the information described above. A decision on the employee-beneficiary's or dependent-beneficiary's second-level appeal of the adverse benefit determination will be made (by the IRO) within fifteen (15) days after the new appeal is received. If the employee-beneficiary or dependent-beneficiary is appealing an adverse benefit determination of an urgent care claim, a decision on such appeal will be made not more than seventy-two (72) hours after the request for appeal(s) is received (for both the first-and second-level appeals, combined).
 - (iii) Post-Service Claim Appeal. The self-insured plan administrator will make a decision on an appeal of an adverse benefit determination rendered on a post-service claim within sixty (60) days after it receives the appeal.
- (5) Scope of review. During its pre-authorization review, first-level review of the appeal of a pre-service claim, or review of a post-service claim, the self-insured plan administrator will:
- (i) Take into account all comments, documents, records and other information submitted by the employee-beneficiary or dependent-beneficiary relating to the claim, without regard to whether such information was submitted or considered in the initial benefit determination on the claim;
 - (ii) Follow reasonable procedures to verify that its benefit determination is made in accordance with the applicable Fund documents;
 - (iii) Follow reasonable procedures to ensure that the applicable Fund provisions are applied to the employee-beneficiary or dependent-beneficiary in a manner consistent with how

such provisions have been applied to other similarly-situated individuals; and

- (iv) Provide a review that does not afford deference to the initial adverse benefit determination and is conducted by an individual other than the individual who made the initial adverse benefit determination (or a subordinate of such individual).

If an employee-beneficiary or dependent-beneficiary appeals the self-insured plan administrator's denial of a pre-service claim, and requests an additional second-level medical necessity review by an IRO, the IRO shall:

- a) Consult with appropriate health care professionals who were not consulted in connection with the initial adverse benefit determination (nor a subordinate of such individual);
- b) Identify the health care professional, if any, whose advice was obtained on behalf of the Fund in connection with the adverse benefit determination; and
- c) Provide for an expedited review process for urgent care claims.

- (6) Notice of adverse benefit determination. Following the review of an employee-beneficiary's or dependent-beneficiary's claim, the self-insured plan administrator will notify the employee-beneficiary or dependent-beneficiary of any adverse benefit determination in writing. (Decisions on urgent care claims will be also communicated by telephone or fax.) This notice will include:

- (i) The specific reason or reasons for the adverse benefit determination;
- (ii) Reference to the pertinent Fund provision on which the adverse benefit determination was based;
- (iii) A statement that the employee-beneficiary or dependent-beneficiary is entitled to receive, upon written request, free of charge, reasonable access to, and copies of, all documents, records and other information relevant to the claim;
- (iv) If an internal rule, guideline, protocol, or other similar criterion was relied upon in making the adverse benefit

- determination, either a copy of the specific rule, guideline, protocol, or other similar criterion; or a statement that such rule, guideline, protocol, or other similar criterion will be provided free of charge upon written request; and
- (v) If the adverse benefit determination is based on a medical necessity, either the IRO's explanation of the scientific or clinical judgment for the IRO's determination, applying the terms of the Fund to the employee-beneficiary's or dependent-beneficiary's medical circumstances, or a statement that such explanation will be provided free of charge upon written request.
- (7) Authority as claims fiduciary. The self-insured plan administrator has been designated by the board as the claims fiduciary with respect to all types of claim appeal review of the benefit claims arising under the Fund it administers. The self-insured plan administrator shall have on behalf of the Fund, sole and complete discretionary authority to determine these claims conclusively for all parties. The self-insured plan administrator is not responsible for the conduct of any second-level medical necessity review performed by an IRO.
 - (8) Voluntary external review. The Patient Protection and Affordable Care Act ("ACA") imposes external review requirements on group health plans, including outpatient prescription drug benefits. Under the ACA, an employee-beneficiary or dependent-beneficiary who receives a final internal adverse determination of a "Claim" for benefits under a self-insured administered plan may be permitted to further appeal that denial using the voluntary external review process. The external review process provides an employee-beneficiary or dependent-beneficiary with another option for protesting the denial of their claim.
 - (9) Standard/non-expedited Federal external review process.
 - (i) Request for review. An employee-beneficiary or dependent-beneficiary whose claim for self-insured administered benefits is denied may request, in writing, an external review of his or her claim within four (4) months after receiving notice of the final internal adverse benefit determination. The employee-beneficiary's or dependent-beneficiary's request should include their name, contact information including mailing address and daytime phone number, individual ID number, and a copy of the coverage

denial. The employee-beneficiary's or dependent-beneficiary's request for external review and supporting documentation may be mailed, emailed, or faxed to the self-insured plan administrator at their address, email, or fax.

- (ii) Preliminary review. Within five (5) days of receiving an employee-beneficiary's or dependent-beneficiary's request for external review, the self-insured plan administrator will conduct a "preliminary review" to ensure that the request qualifies for external review. In this preliminary review, the self-insured plan administrator will determine whether:

- a) The employee-beneficiary or dependent-beneficiary is or was covered under the Fund at the time the benefit at issue was requested, or in the case of a retrospective review, was covered at the time the benefit was provided;
- b) The adverse benefit determination or final internal adverse benefit determination does not relate to the employee-beneficiary's or dependent-beneficiary's failure to meet the Fund's requirements for eligibility (for example, worker classification or similar determinations), as such determinations are not eligible for Federal external review;
- c) The employee-beneficiary or dependent-beneficiary has exhausted the Fund's internal appeal process (unless the employee-beneficiary's or dependent-beneficiary's Claim is "deemed exhausted" under the ACA); and
- d) The employee-beneficiary or dependent-beneficiary has provided all the information and forms necessary to process the external review.

Within one (1) day after completing this preliminary review, the self-insured plan administrator will notify the employee-beneficiary or dependent-beneficiary, in writing, that: (1) the employee-beneficiary's or dependent-beneficiary's request for external review is complete, and may proceed; (2) the request is not complete, and additional information is needed (along with a list of the information

needed to complete the request); or (3) the request for external review is complete, but not eligible for review.

- (iii) Referral to IRO. If the employee-beneficiary's or dependent-beneficiary's request for external review is complete and the employee-beneficiary's or dependent-beneficiary's claim is eligible for external review, the self-insured plan administrator will assign the request to one of the IROs with which the administrator has contracted. The IRO will notify the employee-beneficiary or dependent-beneficiary of its acceptance of the assignment. The employee-beneficiary or dependent-beneficiary will then have ten (10) days to provide the IRO with any additional information the employee-beneficiary or dependent-beneficiary wants the IRO to consider. The IRO will conduct its external review without giving any consideration to any earlier determinations made on behalf of the Fund.

The IRO may consider information beyond the records for the employee-beneficiary's or dependent-beneficiary's denied Claim, such as:

- a) The employee-beneficiary's or dependent-beneficiary's medical records;
- b) The attending health care professional's recommendations;
- c) Reports from appropriate health care professionals and other documents submitted by the Fund, the employee-beneficiary or dependent-beneficiary, or the employee-beneficiary's or dependent-beneficiary's treating physician;
- d) The terms of the Fund to ensure that the IRO's decision is not contrary to the terms of the plan (unless those terms are inconsistent with applicable law);
- e) Appropriate practice guidelines, which must include applicable evidence-based standards and may include any other practice guidelines developed by the Federal government, national, or professional medicine societies, boards, and associations;

- f) Any applicable clinical review criteria developed and used on behalf of the Fund (unless the criteria are inconsistent with the terms of the Fund or applicable law); and
 - g) The opinion of the IRO's clinical reviewer(s) after considering all information and documents applicable to the employee-beneficiary's or dependent-beneficiary's request for external review, to the extent such information or documents are available and the IRO's clinical reviewer(s) considers it appropriate.
- (iv) Timing of IRO's determination. The IRO will provide the employee-beneficiary or dependent-beneficiary and the self-insured plan administrator (on behalf of the Fund) with written notice of its final external review decision within forty-five (45) days after the IRO receives the request for external review. The IRO's notice will contain:
- a) A general description of the reason for the request for external review, including information sufficient to identify the claim (including the date or dates of service, the health care provider, the claim amount (if available), the diagnosis code and its meaning, the treatment code and its meaning, and the reasons for the previous denials);
 - b) The date the IRO received the external review assignment from the self-insured plan administrator, and the date of the IRO's decision;
 - c) References to the evidence or documentation, including specific coverage provisions and evidence-based standards, the IRO considered in making its determination;
 - d) A discussion of the principal reason(s) for the IRO's decision, including the rationale for the decision, and any evidence-based standards that were relied upon by the IRO in making its decision;
 - e) A statement that the determination is binding except to the extent that other remedies may be available under state or federal law to either the Fund or to the individual;

- f) A statement that the employee-beneficiary or dependent-beneficiary may still be eligible to seek judicial review of any adverse external review determination; and
 - g) Current contact information, including phone number, for any applicable office of health insurance consumer assistance or ombudsmen available to assist the employee-beneficiary or dependent-beneficiary.
- (10) Reversal of the Fund's prior decision. If the self-insured plan administrator, acting on the Fund's behalf, receives notice from the IRO that it has reversed the prior determination of the employee-beneficiary's or dependent-beneficiary's claim, the self-insured plan administrator will immediately provide coverage or payment for the claim.
- (11) Expedited Federal external review process. An employee-beneficiary or dependent-beneficiary may request an expedited external review:
 - (i) If the employee-beneficiary or dependent-beneficiary receives an adverse benefit determination related to a claim that involves a medical condition for which the timeframe for completion of an expedited internal appeal would seriously jeopardize the life or health of the employee-beneficiary or dependent-beneficiary, and/or could result in the employee-beneficiary's or dependent-beneficiary's failure to regain maximum function, and the employee-beneficiary or dependent-beneficiary has filed a request for an expedited internal appeal; or
 - (ii) If the employee-beneficiary or dependent-beneficiary receives a final internal adverse benefit determination related to a claim that involves: (a) a medical condition for which the timeframe for completion of a standard external review would seriously jeopardize the life or health of the employee-beneficiary or dependent-beneficiary, and/or could result in the employee-beneficiary's or dependent-beneficiary's failure to regain maximum function; or (b) an admission, availability of care, continued stay, or a prescription drug benefit for which the employee-beneficiary or dependent-beneficiary has received

emergency services, but has not been discharged from a facility.

- (12) Request for review. If the employee-beneficiary's or dependent-beneficiary's situation meets the definition of urgent under the law, the external review of the claim will be conducted as expeditiously as possible. In that case, the employee-beneficiary or dependent-beneficiary or the employee-beneficiary's or dependent-beneficiary's physician may request an expedited external review by calling the customer care toll-free at the number on their benefit ID card or contacting their benefits office. The request should include the employee-beneficiary's or dependent-beneficiary's name, contact information including mailing address and daytime phone number, employee-beneficiary's or dependent-beneficiary's ID number, and a description of the coverage denial. Alternatively, a request for expedited external review may be faxed; employee-beneficiary or dependent-beneficiary contact information and coverage denial description and supporting documentation may be faxed or emailed to the attention the self-insured plan administrator's external review appeals department. All requests for expedited review must be clearly identified as "urgent" at submission.
- (13) Preliminary review. Immediately on receipt of an employee-beneficiary's or dependent-beneficiary's request for expedited external review, the self-insured plan administrator will determine whether the request meets the reviewability requirements described above for standard external review. Immediately upon completing this review, the self-insured plan administrator will notify the employee-beneficiary or dependent-beneficiary that: (i) the employee-beneficiary's or dependent-beneficiary's request for external review is complete, and may proceed; (ii) the request is not complete, and additional information is needed (along with a list of the information needed to complete the request); or (iii) the request for external review is complete, but not eligible for review.
- (14) Referral to IRO. Upon determining that an employee-beneficiary's or dependent-beneficiary's request is eligible for expedited external review, the self-insured plan administrator will assign an IRO to review the employee-beneficiary's or dependent-beneficiary's claim. The self-insured plan administrator will provide or transmit all necessary documents and information considered in making the adverse benefit determination or final adverse benefit determination to the assigned IRO electronically,

by telephone, by fax, or by any other available expeditious method. The assigned IRO, to the extent the information or documents are available and the IRO considers them appropriate, must consider the information and documents described above. In reaching a decision on an expedited request for external review, the IRO will review the employee-beneficiary's or dependent-beneficiary's claim de novo and will not be bound by the decisions or conclusions reached on behalf of the Fund during the internal claims and appeals process.

- (15) **Timing of the IRO's determination.** The IRO must provide the employee-beneficiary or dependent-beneficiary and the self-insured plan administrator, on behalf of the Fund, with notice of its determination as expeditiously as the employee-beneficiary's or dependent-beneficiary's medical condition or circumstances require, but in no event more than seventy-two (72) hours after the IRO receives the employee-beneficiary's or dependent-beneficiary's request for external review. If this notice is not provided in writing from the IRO and is provided orally, within forty-eight (48) hours after providing the oral notice, the IRO will provide the employee-beneficiary or dependent-beneficiary and the self-insured plan administrator, on behalf of the Fund, with written confirmation of its decision.
- (16) **Authority for review.** The self-insured plan administrator will be responsible only for conducting the preliminary review of an employee-beneficiary's or dependent-beneficiary's request for external review, ensuring that the individual is timely notified of the decision as to eligibility for external review, and for assigning the request for external review to an IRO. The actual external review of an employee-beneficiary's or dependent-beneficiary's appeal will be conducted by the assigned independent review organization (IRO). The self-insured plan administrator is not responsible for the conduct of the external review performed by an IRO.

- (e) **Facility of payment.** If the Fund administrator or its designee determines that an employee-beneficiary or dependent-beneficiary cannot submit a claim or prove that an employee-beneficiary or dependent-beneficiary paid any or all of the charges for health care services that are covered by the Fund because an employee-beneficiary or dependent-beneficiary is incompetent, incapacitated or in a coma, the Fund may, at its discretion, pay Fund benefits directly to the health care provider(s) who provided the

health care services or supplies, or to any other individual who is providing for an employee-beneficiary's or dependent-beneficiary's care and support. Any such payment of Fund benefits will completely discharge the Fund's obligations to the extent of that payment. Neither the Fund, administrator, claim administrator nor any other designee of the Fund administrator will be required to see to the application of the money so paid.

- (f) Discretionary authority of Fund administrator and designees. In carrying out their respective responsibilities under the Fund, the Fund administrator or its designee, other plan fiduciaries, and the self-insured plan administrator, have full discretionary authority to interpret the terms of the plan and to determine eligibility and entitlement to Fund benefits in accordance with the terms of the Fund. Any interpretation or determination made under that discretionary authority will be given full force and effect unless it can be shown that the interpretation or determination was arbitrary and capricious.
- (g) Elimination of conflict of interest. To ensure that the persons involved with adjudicating claims and appeals (such as claim adjudicators and medical experts) act independently and impartially, decisions related to those persons' employment status (such as decisions related to hiring, compensation, promotion, termination, or retention), will not be made on the basis of whether that person is likely to support a denial of benefits.
- (h) Limitation on when a lawsuit may be started. An employee-beneficiary or dependent-beneficiary or any other claimant may not start a lawsuit to obtain Fund benefits, including proceedings before administrative agencies, until after all administrative procedures have been exhausted (including this Fund's claim appeal review procedures described in this document) for every issue deemed relevant by the claimant, or until ninety (90) days have elapsed since an employee-beneficiary or dependent-beneficiary filed a request for appeal review if an employee-beneficiary or dependent-beneficiary have not received a final decision or notice that an additional sixty (60) days will be necessary to reach a final decision. No lawsuit may be started more than three years after the end of the year in which services were provided.

- (b) Filing Date. Where an employee-beneficiary files more than one enrollment application, the enrollment application bearing the latest filing date shall be the one used by the Fund to process the employee-

- (c) Standards and Procedures for Filing an Enrollment Application. With due consideration of appropriate federal or state laws, the board shall set the standards and procedures for filing such enrollment applications, including, but not limited to, the form of such enrollment applications, the information required to be provided by the employee-beneficiary on such enrollment applications, and the method for filing such enrollment applications. Enrollment applications shall include the employee-beneficiary's authorization to the state comptroller or the appropriate county director of finance to assign sufficient compensation to the Fund in payment of all contributions due from such employee-beneficiary for enrollment or coverage in any and all Fund benefit plans.
- (d) Representative for Filing an Enrollment Application. A representative of an employee-beneficiary may file an enrollment application for the employee-beneficiary if:
 - (1) The representative has a written authorization signed by the employee-beneficiary that authorizes the representative to file such enrollment applications as provided by State and Federal law; or
 - (2) A valid court order authorizes the representative to file such enrollment applications.

4.02 Rejection of an Enrollment Application

- (a) General Rule. Any enrollment application may be partially or fully rejected if it is incomplete or does not contain all information required to be provided by the employee-beneficiary.
- (b) Rejection. An enrollment application shall be rejected if:
 - (1) The application seeks to enroll a person who is not eligible to enroll in the benefit plan for which enrollment is requested;
 - (2) The application is not filed within the time limitations prescribed by these rules;
 - (3) The application contains an intentional misstatement or misrepresentation of a material fact or contains other information of a fraudulent nature;

 - (5) Acceptance of the application would violate applicable federal or state law or any other provision of these rules.
- (c) Notification. Notification shall be provided to the employee-beneficiary of the rejection of any enrollment application.

4.03 Dual and Split Enrollment

- (a) Dual Enrollment. No person may be enrolled simultaneously in any benefit plan offered or sponsored by the Fund as both an employee-beneficiary and a dependent-beneficiary, nor may children be enrolled by more than one employee-beneficiary. The Fund shall cancel such dual coverage enrollments.
- (b) Split Enrollment. Employee-beneficiaries who are married or in a domestic partnership and have an enrolled dependent-beneficiary are limited to employer contributions for a family plan. If the employee-beneficiaries elect to enroll in a self and two party or self and family coverage, the employee-beneficiaries shall be responsible for health benefit premium in excess of the maximum employer contribution for a family plan. The additional premium must be paid directly to the Fund within the month for which coverage was provided. Failure to make a timely payment in full shall be treated as a shortage as defined in Rule 4.10.

4.04 Date of Filing

An employee-beneficiary's enrollment application, beneficiary designation, or any other form required to be filed with the Fund shall be deemed to have been filed with the Fund on the date that the following entities, as applicable, actually receive such forms: (1) the employee's employer; (2) in the case of a retired employee, surviving spouse or partner under Rule 3.01, and child under Rule 3.01, the Fund; (3) or others, as specified by the Fund. However, if filed before the time or times prescribed in these rules, an enrollment application, or other form shall be deemed to have been filed on the date that the person would have been first eligible to file that document.

4.05 Failure to File Properly Completed Enrollment Application Within the Prescribed Time; Effect on Coverage Dates

Except as otherwise provided in these rules or by applicable federal or state law, the following shall apply to all applications to enroll in the benefit plans offered or sponsored by the Fund, to add or delete dependent-beneficiaries, or to change enrollments or coverages:

- (a) General Rule. No enrollment of an employee-beneficiary, addition or deletion of a dependent-beneficiary, or change in an enrollment or coverage shall be effective without the filing of a properly completed enrollment application and any required proof documents within forty-five (45) days of the specified event that allows the filing of the application except for the following events: (1) termination of employment for which the enrollment application must be filed within thirty (30) days of the termination of employment; (2) newborns for which the enrollment application and required proof documents must be filed within one hundred eighty (180) days of the birth; (3) retirement, and surviving spouse, partner or child who become eligible as an employee-beneficiary under Rule 3.01 for which an enrollment application and required proof documents must be filed within sixty (60) days of the event; (4) cancellation of enrollment in a Fund benefit plan upon acquiring coverage from a non-Fund plan must be filed within ninety (90) days of the event.
- (b) Rejection. An employee-beneficiary who fails to file an enrollment application and required proof documents within the time prescribed by subsection (a) above or any otherwise applicable rule shall result in the rejection of the requested enrollment changes and not be permitted to file that application until the next regular open or additional limited enrollment period.
- (c) Social Security Number or Individual Taxpayer Identification Number. An application will not be processed if it does not include a Social Security Number (SSN) for an employee-beneficiary and/or a SSN or Individual Taxpayer Identification Number (ITIN) for a dependent-beneficiary for whom enrollment is being requested. The employee-beneficiary and/or dependent-beneficiary shall be added retroactive to the effective date of the event upon the Fund's receipt of the employee-beneficiary's and/or dependent-beneficiary's SSN or ITIN.

4.06 Notification of Changes in Personal Information

Each employee-beneficiary shall immediately notify the Fund of any changes in the employee-beneficiary's name or address or marital or partnership status, the birth or adoption of a child or any other changes in the family status of the employee-beneficiary, and any other material changes in the information previously filed by the employee-beneficiary as part of an enrollment application. Each notice to the Fund shall be submitted through the employee-beneficiary's employer or, if none, shall be submitted directly to the Fund.

4.07 Verification of Eligibility

The fund shall determine employee-beneficiaries' entitlement to state and county contributions in retirement:

- (a) Based on an employee-beneficiary's membership date as determined by the Employees Retirement System (ERS) at the date of retirement; and
- (b) Pursuant to applicable state law determining the employee-beneficiary's employer contributions in retirement.

The board may require periodic verification of eligibility for employee-beneficiaries and dependent-beneficiaries enrolled by an employee-beneficiary in Fund benefit plans. The board may set standards and procedures for the required verification. If verification is not provided in accordance with the standards and procedures established by the board, the employee-beneficiary's or dependent-beneficiary's enrollment shall be cancelled as set forth in Rule 4.11(c).

4.08 Regular Open and Additional Limited Enrollment Periods

Except as otherwise provided by these rules, an employee-beneficiary may file an enrollment application during a regular open or additional limited enrollment period to make any one or a combination of enrollment changes that have been approved by the board for that regular open or additional limited enrollment period. The changes that the board may approve include, but are not limited to, changes from non-enrolled to enrolled status, changes between plans, changes in levels of coverage, and cancellations. All changes made shall become effective on the date approved by the board for the regular open or additional limited enrollment period.

4.09 Continuation of Coverage

Subject to applicable federal and state law, coverage under the benefit plans offered or sponsored by the Fund shall continue:

- (a) General Rule. Provided the employee-beneficiary meets the eligibility provisions of Rule 3.01 and pays the employee-beneficiary's premium contribution as provided by statute, the employer's administrative rules, or an applicable bargaining unit agreement.
- (b) Employee Strike Authorized by Chapter 89. While the employee-beneficiary participates in an employee strike authorized by chapter 89, Hawaii Revised Statutes, provided that nothing in this rule shall limit the right or ability of the Fund to collect premium contributions from any public employer or employee-beneficiaries or the remedies available to the Fund to collect such premium contributions.
- (c) Transfer of Employment. When an employee terminates employment and is rehired by the same public employer within the same pay period or the next consecutive pay period, the employee shall be considered as having transferred employment, such as when the employee terminates employment with the state and is rehired with the state, or when the employee terminates employment with a county and is rehired by the same county. The employee shall be treated as if continuously enrolled in the Fund benefit plans in which the employee was enrolled at the time of termination and shall be required to pay the full cost of coverage to the extent that such is not paid by the employee's public employer. When an employee terminates employment and is rehired by a different public employer within the same pay period or the next consecutive pay period, such as when the employee terminates employment with the state and is hired by a county or terminates one county and is rehired by a different county, the employee shall be allowed to change between plans, including adding or dropping dependents and changing tiers. Notwithstanding the definitions of "employer" and "public employer" set forth and used in these rules, for purposes of this section only, the different public employers are: 1) State, including executive, legislative, and judicial branches, Department of Education, University of Hawaii, Hawaii Health Systems Corporation, Office of Hawaiian Affairs, and all Charter Schools; 2) City and County of Honolulu; 3) County of Hawaii; 4) County of Maui, and 5) County of Kauai. Changes shall become effective at the beginning

of the next pay period in which the termination of employment occurred, without a break in coverage.

4.10 Contribution Shortage

A notice of contribution shortage shall be sent to an employee-beneficiary at his or her last known address if any portion of the employee-beneficiary's required semi-monthly or monthly contributions is not paid or is not withheld from the employee-beneficiary's earnings and transmitted to the Fund. The notice shall be sent within thirty (30) days of the date on which the required semi-monthly or monthly contribution payment was due. Cancellation of the employee-beneficiary's enrollment due to any contribution shortage shall be as per Rule 4.11(b), and reinstatement of the employee-beneficiary's enrollment after any such cancellation shall be as per Rule 4.13(b).

4.10.5 Contribution Refund

The Fund may refund employee-beneficiaries or dependent-beneficiaries any amounts deemed owing, provided that at the time of the disbursement of such refunds, no refund need be made where the amount thereof is less than one dollar.

4.10.7 Overdraft or Non-Sufficient Funds Fees

Employee-beneficiaries may be required to reimburse the Fund for any amounts relating to overdraft or non-sufficient funds fees.

4.11 Cancellation of Enrollment; Effective Dates of Cancellation

- (a) Cancellation Due to Ineligibility. The enrollment of any ineligible person who was enrolled in error or is ineligible to enroll in or be covered in a benefit plan offered or sponsored by the Fund shall be canceled:
- (1) When the person is notified by the Fund of the error or ineligibility prior to the effective date of the enrollment, the person shall be treated as if the enrollment application was not submitted;
 - (2) When the person is notified by the Fund in writing after the effective date of the enrollment, but at least thirty (30) days in advance, the enrollment may be canceled retroactively (a rescission) to the date the person was ineligible if cancellation is

due to Fraud or Intentional Misrepresentation of a material fact, as defined in Rule 1.02; or

- (3) When the person is notified by the Fund in writing after the effective date of the enrollment, the enrollment will be cancelled prospectively effective the first day of the first pay period following the date that ineligibility is determined by the Fund. Employee-beneficiaries may be liable for the employer portion of premiums paid for any ineligible person and/or any benefits that were provided as per Rule 4.12(d).

- (b) Cancellation Due to Failure to Pay Contribution Shortage. If an employee-beneficiary does not make full payment of all contributions due within thirty (30) days of the date of the notice of contribution shortage in Rule 4.10, the employee-beneficiary's enrollment in all health benefit plans, and all dependent-beneficiaries' health benefit plans under that enrollment shall be cancelled as of the first day following the last period for which full payment of the employee-beneficiary's required semi-monthly or monthly contributions were paid and transmitted to the Fund and the employee-beneficiary will be ineligible for Fund health benefits. If an employee-beneficiary is currently on a leave of absence covered under the Family Medical Leave Act (FMLA), the employee-beneficiary and dependent-beneficiary(s) enrollment in all health benefit plans shall be cancelled thirty (30) days from the date of the notice of contribution shortage. The employee-beneficiary may only apply for a new enrollment as per Rule 4.13(a). However, the enrollment and eligibility for benefits of the employee-beneficiary and his or her dependent-beneficiaries may be reinstated as provided in Rule 4.13(b). Cancellation of an employee-beneficiary's enrollment pursuant to this rule shall not affect the Fund's right to collect any and all contribution shortages from the employee-beneficiary.

- (c) Cancellation Due to Failure to Comply with Rules. If an employee-beneficiary materially fails to comply with any of the Fund's rules, the employee-beneficiary's enrollment in all of the benefit plans offered or sponsored by the Fund and all coverages for dependent-beneficiaries under that enrollment may be canceled after thirty (30) days advance written notice of such has been provided to the employee-beneficiary. The board may set standards and procedures for providing notice to employee-beneficiaries under this rule. The notice shall at a minimum specify how the employee-beneficiary has failed to comply with the Fund's rules, and a date by which the employee-beneficiary must comply with the Fund's

rules in order to avoid cancellation. The effective date of the cancellation shall be the date set forth in the notice as to when the employee-beneficiary must comply with the Fund's rules in order to avoid cancellation.

- (d) Cancellation Due to Acquiring Coverage From a Non-Fund Plan. An employee-beneficiary or dependent-beneficiary may cancel enrollment in a Fund benefit plan upon acquiring coverage from a non-Fund plan or when moving to a country in which they are eligible for publicly provided healthcare or similar, by filing an enrollment application to the employee-beneficiary's employer or, if none, directly with the Fund requesting cancellation. The enrollment application must be filed with the employee-beneficiary's employer, or, if none, directly to the Fund within ninety (90) days of acquiring coverage from the non-Fund plan or moving to another country as noted above. The effective date of cancellation shall be the end of the pay period in which the employee-beneficiary or dependent-beneficiary moves to another country as noted above or acquires coverage from the non-Fund plan, except when the employee-beneficiary or dependent-beneficiary acquires coverage from the non-Fund plan on the first or the sixteenth of the month, in which case coverage ends at the end of the prior pay period.

The Fund shall determine the required proof documents.

- (e) Cancellation When Beginning a Leave of Absence Without Pay. An employee-beneficiary may voluntarily cancel enrollment in all Fund benefit plans when beginning a leave of absence without pay that is expected to last more than one month. An enrollment application must be filed with the employee-beneficiary's employer requesting cancellation of all plans within forty-five (45) days of the beginning of the leave of absence without pay. The effective date of the cancellation shall be the end of the pay period during which the leave of absence without pay begins. Employee-beneficiaries who cancel coverage in accordance with this section may re-enroll in the same benefit plans upon return from the leave of absence without pay by completing an enrollment application and submitting it to the employee-beneficiary's employer within forty-five (45) days of returning from the leave of absence.

4.12 Termination of Enrollment; Effective Dates of Termination

- (a) Termination Due to Change in Employment Status. An employee-beneficiary's enrollment in all benefit plans offered or sponsored by the Fund and all coverages for dependent-beneficiaries under that enrollment shall be terminated upon the employee-beneficiary's loss of eligibility to participate in such plans due to a change in employment status. The effective date of the termination shall be the first day of the pay period following the effective date of the change in employment status, provided the termination is not retroactive. If, by virtue of an administrative error, coverage continues to be provided by the Fund, and paid for by the employee-beneficiary, the effective date of cancellation shall be the last day of the pay period following the date of issuance of a thirty (30) days written notice. Employers shall submit to the Fund the enrollment application within thirty (30) days of the change in employment status causing termination of enrollment. Employers submitting enrollment applications after thirty (30) days of the change in employment status may be responsible for 100% of the premiums, both employer and employee contributions, until such termination.
- (b) Termination Due to Filing of Fraudulent Claims. An employee-beneficiary's enrollment in all of the benefit plans offered or sponsored by the Fund and all coverages for dependent-beneficiaries under that enrollment may be terminated upon thirty (30) days advance written notice if the employee-beneficiary files fraudulent claims for benefit. A dependent-beneficiary's coverage in all of the benefit plans offered or sponsored by the Fund may be terminated if the dependent-beneficiary files fraudulent claims for coverage and/or benefits. The effective date of the termination shall be the date that the Fund determines that the employee-beneficiary or dependent-beneficiary, as applicable, has filed fraudulent claims.
- (c) Notice to the Fund. If an event occurs that makes a person ineligible for continued enrollment or coverage in the benefit plans offered or sponsored by the Fund, that person or employee-beneficiary shall notify the Fund of the event within forty-five (45) days. All such notices shall be in writing and shall be sent to the Fund.
- (d) Recovery of Benefits. In all situations in which an ineligible person receives benefits under the Fund, or the employee-beneficiary or dependent-beneficiary files fraudulent claims for benefits per Rule

4.12(b), the Fund shall be entitled to seek recovery of any benefits that were provided to any person or seek recovery of the employer contributions paid for any ineligible person after an event that terminated the person's enrollment or that otherwise made that person ineligible for continued enrollment in or coverage by the benefit plans offered or sponsored by the Fund. In seeking to recover benefits under this rule and in situations in which the Fund overpays amounts to an employee-beneficiary or dependent-beneficiary, the Fund shall have the rights of offset and set-off, including without limitation, the right to recover amounts from and out of any and all future payments to the person whose enrollment was terminated, who otherwise ceased to be eligible for continued enrollment or coverage in the Fund's benefit plans or who was overpaid.

4.13 Reinstatement of Enrollment

- (a) General Rule. Unless another rule of the Fund expressly applies, an employee-beneficiary whose enrollment in any of the Fund's benefit plans has been cancelled or terminated may not apply for reinstatement in those benefit plans. The employee-beneficiary may only apply for a new enrollment during the Fund's open enrollment period or upon experiencing a mid-year qualifying event in any plan year following the cancellation. Any such new enrollment may be conditioned upon the employee-beneficiary meeting all the Fund's rules for eligibility and enrollment, curing any past deficiencies or failures that led to the employee-beneficiary's cancellation or termination, and providing adequate assurance that the employee-beneficiary will not further engage in the conduct that previously led to the employee-beneficiary's cancellation or termination. Nothing in this rule shall be deemed to require the Fund to re-enroll any employee-beneficiary whose enrollment has been previously cancelled or terminated.
- (b) Contribution Shortage Cancellation. If an employee-beneficiary's enrollment in the Fund's benefit plan or plans has been cancelled under Rule 4.11(b), the employee-beneficiary's enrollment in such benefit plan or plans may be reinstated if the employee-beneficiary makes full payment of all contributions due from the employee-beneficiary within sixty (60) days from the date of the notice of cancellation in accordance with cancellation of enrollment under Rule 4.11(b) and whose enrollment has not been cancelled under Rule 4.11(b) within twelve (12) months of the date of the notice of cancellation. The reinstatement shall be made so that

the employee-beneficiary and his or her dependent-beneficiaries shall suffer no break in coverage. Employee-beneficiaries who are currently on leave of absence covered under the FMLA or Uniform Services Employment and Reemployment Rights Act (USERRA) shall be allowed to re-enroll in coverage as per Rule 5.06(c).

- (c) Reinstatement Upon Return From Lawful Strike. If an employee-beneficiary's enrollment is cancelled for non-payment during a lawful strike, the employee-beneficiary may re-enroll upon return from the lawful strike without the requirement to pay back premiums and without coverage during the non-payment period under the following conditions:
- (1) The employee-beneficiary files an enrollment application within forty-five (45) days of returning from the lawful strike;
 - (2) The employee-beneficiary and any covered dependent-beneficiaries had no covered services during the non-payment period; and
 - (3) The employee-beneficiary enrolls in the same plans and at the same tier the employee-beneficiary was enrolled in prior to the lawful strike.

The effective date of coverage shall be the date the employee-beneficiary returns from the lawful strike.

4.14 Mandatory Enrollment in Recurring Electronic Premium Deductions

- (a) General Rule. Employee-beneficiaries who retire or become a surviving-beneficiary on or after September 15, 2020 and who are required to pay all or a portion of their premiums shall have their share of premiums electronically deducted and transmitted to the Fund monthly by the Employees' Retirement System of the State of Hawaii or the employee-beneficiary's financial institution in the United States that is a participant in the ACH network. Premium payments shall be made electronically unless waived by the Fund and another method is determined to be more appropriate.
- (b) New Enrollment in Recurring Electronic Premium Deductions. Employee-beneficiaries who are required to pay a portion of their retiree premiums shall submit an Electronic Deduction Authorization Form within sixty (60) days of the effective date of the event that results in the required premium. Failure to submit an Electronic Deduction Authorization Form within

sixty (60) days shall result in either the rejection of the employee-beneficiary's enrollment application or termination of health benefit plans as of the first day following the last period for which full payment was received by the Fund.

If the Electronic Deduction Authorization Form is submitted after rejection of an enrollment application or termination of health benefit plans, the changes requested in the enrollment application or reinstatement of terminated health benefit plans, respectively, shall be effective retroactively to the effective date of enrollment application changes or the termination date, respectively.

- (c) Returned Recurring Electronic Premium Deduction. If an employee-beneficiary's recurring electronic deduction is returned by the Employees' Retirement System of the State of Hawaii or financial institution in the United States that is a participant in the ACH network, a notice from the Fund will be sent to the employee-beneficiary. The employee-beneficiary has thirty (30) days from the date of the notice to submit a valid Electronic Deduction Authorization Form. Failure to provide a valid Electronic Deduction Authorization Form within thirty (30) days of the date of the notice will result in termination of health benefit plans as of the first day following the last period for which full payment was made. Health benefit plan(s) may be reinstated if their enrollment has not been terminated within twelve (12) months of the date of the notice of cancellation and the employee-beneficiary submits a valid Electronic Deduction Authorization Form within sixty (60) days from the date of the notice of cancellation. The reinstatement shall be made so that the employee-beneficiary and dependent-beneficiaries suffer no break in coverage.

4.15 Overpayments

If an employee-beneficiary is overpaid for a reimbursement, refund, or any other reason, the Fund may automatically withdraw the over-paid amount from the financial account on record for the employee-beneficiary.
